3.1 Amendment and restatement

With effect from the Effective Date, the Principal Bond Trust Deed is amended so that its terms are as stated in Annex 1 to this document. For the avoidance of doubt, the Principal Bond Trust Deed is amended by this document and a new Principal Bond Trust Deed is not created by this document.

3.2 Effect of amendments

- (a) The amendments to the Principal Bond Trust Deed do not affect:

- (B) The Covered Bond Guarantor has agreed to guarantee all Covered Bonds issued under the Programme and certain other amounts payable by the Issuer under this document in the circumstances described in this document.
- (C) The Bond Trustee has agreed to act as bond trustee for the benefit of the Covered Bondholders and the Couponholders upon and subject to the terms and conditions of this document.

NOW THIS BOND TRUST DEED WITNESSES AND IT IS AGREED AND DECLARED as follows:

1. DEFINITIONS AND INTERPRETATION

- 1.1 (a) All references in this document to principal and/or principal amount and/or interest in respect of the Covered Bonds or to any monies payable by the Issuer or the Covered Bond Guarantor under this document will, unless the context otherwise requires, be construed in accordance with Condition 6.10 of the Programme Conditions.

- (b) All references in this document to any action, remedy or method of proceeding for the enforcement of the rights of creditors will be deemed to include, in respect of any jurisdiction other than England, references to such action, remedy or method of proceeding for the enforcement of the rights of creditors available and reasonably appropriate in such jurisdiction as being most nearly approximate to such action, remedy or method of proceeding described or referred to in this document.
- (c) All references in this document to Euroclear and/or Clearstream, Luxembourg and/or Austraclear and/or DTC will, whenever the context so permits, be deemed to include references to any additional or alternative clearing system as is approved by the Issuer, the Principal Paying Agent (other than for A\$ Registered Covered Bonds), the U.S. Paying Agent (other than for the A\$ Registered Covered Bonds) (as the case may be) and the Bond Trustee or as may otherwise be specified in the applicable Final Terms (or, in the case of Exempt Covered Bonds, the applicable Pricing Supplement).
- (d) Unless the context otherwise requires words or expressions used in this document and relating to or in respect of the Bond Trustee will bear the same meanings as in the Companies Act.
- (e) All references in this document to the **records** of Euroclear, Clearstream, Luxembourg, Austraclear, DTC or to any additional or alternative clearing system referred to in Clause 1.1(c) above will be to the records that each of Euroclear, Clearstream, Luxembourg, Austraclear, DTC or that additional or alternative clearing system, as applicable, holds for its customers which reflect the amount of such customers' interest in the Covered Bonds (and, in the case of Austraclear, includes any such records maintained by the A\$ Registrar).

 - (ii) in relation to a matter which, in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series but does not give rise to a conflict of interest between the holders of Covered Bonds of any of the Series so affected, a single direction of the holders of at least 25 per cent. in aggregate of the Principal Amount Outstanding of the Covered Bonds of all the Series so affected then outstanding; and
 - (iii) in relation to a matter which, in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series and gives or may give rise to a conflict of interest between the holders of the Covered Bonds of one Series or group of Series so affected and the holders of the Covered Bonds of another Series or group of Series so affected, directions of the holders of at least 25 per cent. in aggregate of the Principal Amount Outstanding of each Series or group of Series so affected then outstanding,

and, in each case for this purpose, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, the Principal Amount Outstanding is to be considered as if it were converted into Australian Dollars at the relevant Swap Rate.

- (h) A reference to **approval not to be unreasonably withheld or delayed** or like references mean, when used in this document, in relation to the Bond Trustee that, in determining whether to give consent, the Bond Trustee must have regard to the interests of Covered Bondholders and any determination as to whether or not its approval is unreasonably withheld or delayed must be made on that basis.
- (i) A reference to **this document** means this bond trust deed and the schedules and any bond trust deed supplemental hereto and the schedules (if any), thereto, all as from time to time modified in accordance with the provisions herein or therein contained.

Where there is any inconsistency in a definition between this document and the Definitions Schedule, this document prevails.

1.3 To the extent not defined in this document or the Definitions Schedule, capitalised terms in this document have the meanings given to them in the relevant Conditions.

- (a) deliver or cause to be delivered to the Bond Trustee and, (other than in the case of A\$ Registered Covered Bonds) the Principal Paying Agent a copy of the applicable Final Terms (or, in the case of Exempt Covered Bonds, the applicable Pricing Supplement) (with any amendments to the pro-forma Final Terms or Pricing Supplement, as the case may be, upon which the applicable Final Terms or applicable Pricing Supplement, as the case may be, were based being brought to the attention of the Bond Trustee) and drafts of all (if any) legal opinions (such legal opinions being given only upon the issuance of the applicable Final Terms or applicable Pricing Supplement, as applicable) to be given in relation to the relevant issue; and
- (b) notify the Bond Trustee in writing without delay of the relevant Issue Date and the nominal amount of the Covered Bonds proposed to be issued.

Upon the issue of the relevant Covered Bonds (other than A\$ Registered Covered Bonds and N Covered Bonds) such Covered Bonds will become constituted by this document without further formality. The Issuer covenants with the Bond Trustee and, in the case of A\$ Registered Covered Bonds, the relevant Covered Bondholders, that it will, as and when the Covered Bonds of any Series or any of them becomes due to be redeemed, or on such earlier date as the same or any part thereof may become due and repayable thereunder, in accordance with, and subject to, the relevant Conditions, unconditionally pay or procure to be paid to or to the order of the Bond Trustee in the relevant currency in immediately available funds the Principal Amount Outstanding in respect of the Covered Bonds of such Series becoming due for redemption on that date and will in the meantime and until redemption in full of the Covered Bonds of such Series (both before and after any decree, judgment or other order of a court of competent jurisdiction) unconditionally pay or procure to be paid to or to the order of the Bond Trustee as aforesaid interest (which will accrue from day to day) on the Principal Amount Outstanding of the Covered Bonds outstanding of such Series at rates and/or in amounts calculated from time to time in accordance with, or specified in, and on the dates provided for in, the relevant Conditions (subject to Clause 2.6 below), provided that:

(a) subject to Clause 2.5(a)(ii), except for Excess Proceeds, every payment (whether by the Issuer or the Covered Bond Guarantor) of principal or interest or other sum due in respect of the Covered Bonds made to or to the order of:

The Bond Trustee will be entitled to enforce the obligations of the Issuer and the Covered Bond Guarantor under the Covered Bonds and the Coupons as if the same were set out and contained in this document, which will be read and construed as one document with the Covered Bonds and the Coupons. The Bond Trustee must hold the benefit of this covenant upon trust for itself and the Covered Bondholders and the Couponholders according to its and their respective interests.

6. CANCELLATION OF COVERED BONDS AND RECORDS

- 6.1 The Issuer must procure that all Covered Bonds issued by it which: (a) are redeemed or (b) are purchased by or on behalf of the Issuer or any of its subsidiaries or the Covered Bond Guarantor and (other than in the case of A\$ Registered Covered Bonds) surrendered for cancellation or (c) (other than in the case of A\$ Registered Covered Bonds) which, being mutilated or defaced, have been surrendered and replaced pursuant to Condition 12 of the Programme Conditions or Condition 11 of the N Covered Bond Conditions, or (d) (other than in the case of A\$ Registered Covered Bonds) are exchanged as provided in this document (together in each case, in the case of Bearer Definitive Covered Bonds, with all unmatured Coupons attached thereto or delivered therewith), and in the case of Bearer Definitive Covered Bonds, all relative Coupons paid in accordance with the relevant Conditions or (e) being mutilated or defaced, have been surrendered and replaced pursuant to Condition 12 of the Programme Conditions or Condition 10 of the N Covered Bond Conditions, will immediately be cancelled by or on behalf of the Issuer and a certificate stating:

- (a) the aggregate principal amount of Covered Bonds which have been redeemed and the amounts paid in respect thereof and, if applicable, the aggregate amounts in respect of Coupons which have been paid;
- (b) the serial numbers of such Covered Bonds in definitive form distinguishing between Bearer Covered Bonds and Registered Covered Bonds;
- (c) the total numbers (where applicable, of each denomination) by maturity date of such Coupons, if any;

- (h) the total number (where applicable, of each denomination) by maturity date of Talons which have been exchanged for further Coupons,

must be given to the Bond Trustee by or on behalf of the Issuer as soon as possible and in any event within four months after the date of such redemption, purchase, payment, exchange or replacement (as the case may be). The Bond Trustee may accept such certificate as conclusive evidence of redemption, purchase or replacement *pro tanto* of the Covered Bonds or payment of principal or interest (as the case may be) thereon or exchange of the relative Talons respectively and of cancellation of the relative Covered Bonds and Coupons.

- 6.2 Subject to the paragraph below, the Issuer must procure: (a) that the Principal Paying Agent keeps a full and complete record of all Covered Bonds, Coupons and Talons issued by it and of their redemption or purchase by or on behalf of the Issuer or any of its subsidiaries or the Covered Bond Guarantor, any cancellation or any payment or exchange (as the case may be) and of all replacement covered bonds, coupons or talons issued in substitution for lost, stolen, mutilated, defaced or destroyed Covered Bonds, Coupons or Talons, (b) that the Principal Paying Agent in respect of the Coupons of each maturity retains (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged and (c) that such records and copies thereof are made available to the Bond Trustee at all reasonable times.

Notwithstanding the foregoing, the Issuer will not be required to procure the keeping of a record of serial numbers and maturity dates of Coupons except as regards unmatured Coupons not attached to or surrendered with Bearer Definitive Covered Bonds presented for redemption or purchased and

presented for cancellation, matured Coupons that remain unpaid, Coupons in place of which replacement Coupons have been issued and replacement Coupons.

7. COVERED BOND GUARANTEE

7.1 In consideration of the Term Advances and Demand Loan Advances to be made by the Issuer to the Covered Bond Guarantor pursuant to the Intercompany Loan Agreement and the Demand Loan Agreement, the Issuer's undertakings in clauses 7.4 to 7.6 of the Intercompany Loan Agreement and clause 9.3 of the Demand Loan Agreement and the payment of any Excess Proceeds to the Covered Bond Guarantor pursuant to Clause 11.2, the Covered Bond Guarantor, as principal obligor irrevocably and unconditionally guarantees to the Bond Trustee, for the benefit of the Covered Bondholders, the prompt performance by the Issuer of its obligations to pay Guaranteed Amounts as and when the same become Due for Payment.

7.2 The Covered Bond Guarantor must, as principal obligor:

- (a) following the occurrence of an Issuer Event of Default and the service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer (copied to the Covered Bond Guarantor) and a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager and the Security Trustee), pay or procure to be paid on each Scheduled Payment Date (or on such later date provided for in Clause 8.2) (in the manner described in Clause 8.1) irrevocably and unconditionally to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders), an amount equal to those Guaranteed Amounts which have become Due for Payment in accordance with the terms of this document (or which would have become Due for Payment but for any variation, release or discharge of the Guaranteed Amounts), but which have not been paid by the Issuer to the relevant Covered Bondholder and/or Couponholders on the relevant date for payment provided that no Notice to Pay may be so served on the Covered Bond Guarantor until an Issuer Acceleration Notice has been served by the Bond Trustee on the Issuer; and
- (b) following the occurrence of a Covered Bond Guarantor Event of Default and the service by the Bond Trustee of a Covered Bond Guarantee Acceleration Notice on the Issuer and the Covered Bond Guarantor (copied to the Trust Manager), in respect of the Covered Bonds of each Series which have become immediately due and repayable (or which would have become Due for Payment but for any variation, release or discharge of the Guaranteed Amounts), pay or procure to be paid to or to the order of the Bond Trustee (for the benefit of itself and the Covered Bondholders) in the manner described in Clause 8.1, the Guaranteed Amounts,

(the **Covered Bond Guarantee**).

Notwithstanding any provision of any Programme Document to the contrary, the Covered Bond Guarantor will make payments under the Covered Bond Guarantee in accordance with the applicable Priority of Payments.

7.3 In relation to the Covered Bonds of each Series, the Covered Bond Guarantee:

- (a) is a continuing guarantee;
- (b) extends to the ultimate balance of the Guaranteed Amounts due to be paid or which would have been due to be paid by the Issuer on the relevant Scheduled Payment Dates in accordance with the terms of this document, the Covered Bonds or the Coupons, regardless of any intermediate payment or discharge in whole or in part of any Guaranteed Amounts due to be paid on the relevant Scheduled Payment Date;

- (c) will not be discharged except by complete performance of the obligations in this document, is additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person (whether from the Covered Bond Guarantor or otherwise);
- (d) will remain in force until all monies payable by the Covered Bond Guarantor pursuant to the terms of the Covered Bond Guarantee have been paid; and
- (e) is a guarantee of payment not collection.

7.4 The Covered Bond Guarantor will not in respect of any payment due to be made pursuant to this document be released from its obligations under or pursuant to this document in any circumstances (notwithstanding anything which but for this provision would release the Covered Bond Guarantor or would affect its liability under or pursuant to this document in respect of such payment) except upon the receipt by or for the account of the Bond Trustee of the full amount of such payment from the Issuer and the Covered Bond Guarantor, as applicable, in the currency, at the place and in the manner provided for in this document provided that (except in the case of Excess Proceeds) every payment of principal, premium or interest in respect of the Covered Bonds and/or Coupons made to the Principal Paying Agent or, in the case of N Covered Bonds, the N Covered Bond Paying Agent or, in the case of A\$ Registered Covered Bonds, to the A\$ Registrar will (subject to Clause 2.5(a)(ii)) be in satisfaction *pro tanto* of the liability of the Covered Bond Guarantor under this document and will be deemed for the purpose of this Clause 7.4 to have been paid to the order of the Bond Trustee, except to the extent that the subsequent payment thereof to the Covered Bondholders or the Couponholders in accordance with the relevant Conditions is not made.

7.5 If any payment (whether in respect of the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee or any security for those obligations or otherwise) (a Payment) or arrangement is made in whole or in part on the faith of any payment, security or other disposition received by the Bond Trustee, the Principal Paying Agent, the N Covered Bond Paying Agent, the A\$ Registrar or any Covered Bondholder or Couponholder which is avoided or set aside in whole or in part under any laws relating to the bankruptcy, sequestration, liquidation, insolvency, administration, corporate reorganisation or other such similar event of the Issuer or the Covered Bond Guarantor, such Payment or arrangement shall not be considered as having discharged the relevant liability of the Covered Bond Guarantor under the Covered Bond Guarantee (or any corresponding obligation of the Issuer) in respect thereof and that liability or obligation will continue or be reinstated as if the payment or arrangement had not occurred and the Covered Bond Guarantor must indemnify the Bond Trustee, the Principal Paying Agent, the N Covered Bond Paying Agent, the A\$ Registrar and the Covered Bondholders and/or Couponholders (as the case may be) in respect thereof.

7.6 Without prejudice to the generality of the foregoing provisions of this Clause 7, the Covered Bond Guarantor agrees that its obligations under this document will be as if it were principal debtor and not merely as surety or guarantor and will be absolute and (following service of an Issuer Acceleration Notice and Notice to Pay or a Covered Bond Guarantee Acceleration Notice) unconditional, irrespective of, and unaffected by, any invalidity, irregularity, illegality or unenforceability of, or defect in, any provisions of this document or any other Programme Document, or the absence of any action to enforce the same or the waiver, modification or consent by the Bond Trustee, any of the Covered Bondholders or Couponholders in respect of any provisions of the same or the obtaining of any judgment or decree against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defence of a guarantor. Accordingly, the validity of the Covered Bond Guarantee will not be affected by any invalidity, irregularity or unenforceability of all or any of the obligations of the Issuer under this document or any other Programme Document and the Covered Bond Guarantee will not be discharged nor will the liability of the Covered Bond Guarantor under this document be affected by any act, thing or omission or means whatsoever whereby its liability would not have been discharged if it had been the principal debtor.

7.7 The liability of the Covered Bond Guarantor under the Covered Bond Guarantee will not be lessened, affected, impaired or discharged by:

- (a) any time, waiver or indulgence granted to the Issuer by the Bond Trustee, any of the Covered Bondholders or Couponholders;
- (b) any dealings or transactions between the Issuer and the Bond Trustee, any of the Covered Bondholders or Couponholders whether or not the Covered Bond Guarantor is a party to or cognisant of the same;
- (c) the dissolution of the Issuer or any change in the status, functions, control or ownership of the Issuer or any consolidation, merger, conveyance or transfer by the Issuer;
- (d) any composition or arrangement between the Issuer and its creditors or the release or variation of the obligations of the Issuer pursuant to such composition or arrangement;
- (e) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Issuer or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (f) any incapacity or lack of powers, authority or legal personality of the Issuer or any other person;
- (g) any variation (however fundamental) or replacement of this document, the Covered Bonds or the Coupons;
- (h) any other guarantee or security now or subsequently held by any Secured Creditor, and the Covered Bond Guarantee is in addition to any such guarantee or security; or
- (i) any postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of the Issuer under this document or any other Programme Document resulting from any insolvency, liquidation or dissolution proceedings or from any law, regulation or order so that each such obligation will for the purposes of the Covered Bond Guarantor's obligations under the Covered Bond Guarantee be construed as if there were no such circumstance.

7.8 Subject to its obligation to deliver a Notice to Pay to the Covered Bond Guarantor in respect of the Covered Bond Guarantee, the Bond Trustee may determine from time to time whether or not it will enforce the Covered Bond Guarantee, which it is entitled to enforce without making any demand or taking any proceedings against the Issuer. Subject to the provisions of this Clause 7 with regard to the service of a Notice to Pay on the Covered Bond Guarantor, the Covered Bond Guarantor hereby waives any right to require proceedings first against the Issuer with respect to this document, the Covered Bonds or Coupons, diligence, presentment, demand of payment, filing of claims with a court in the event of dissolution, liquidation, merger or bankruptcy of the Issuer, protest or notice and all demands whatsoever.

7.9 To the extent that the Covered Bond Guarantor makes, or there is made on its behalf, a payment under the Covered Bond Guarantee, the Issuer will on such payment being made become indebted to the Covered Bond Guarantor for an amount equal to such payment in accordance with the Intercompany Loan Agreement and the Demand Loan Agreement. Until all amounts which may be or become payable by the Issuer under this document, the Covered Bonds or Coupons have been irrevocably paid in full, the Covered Bond Guarantor hereby waives irrevocably and unconditionally:

- (a) all rights of subrogation, indemnity, contribution or otherwise (arising under common law, equity, statute or otherwise whatsoever) which it might otherwise have against the Issuer by virtue of any payment made by the Covered Bond Guarantor pursuant to the Covered Bond Guarantee; and
- (b) all rights to claim, rank, prove or vote as creditor of the Issuer or its estate in competition with the Bond Trustee (on behalf of the Covered Bondholders) or to claim a right of set-off,

subject always to the rights of the Covered Bond Guarantor to set-off amounts owing by the Issuer to the Covered Bond Guarantor in respect of amounts paid by the Covered Bond Guarantor under the Covered Bond Guarantee against any amounts repayable by the Covered Bond Guarantor under the terms of the Intercompany Loan Agreement and the Demand Loan Agreement, which will remain unaffected.

If notwithstanding the foregoing, upon the bankruptcy, insolvency, administration or liquidation of the Issuer, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, property or securities, has been received by the Covered Bond Guarantor or if the Covered Bond Guarantor is able to exercise any set-off rights against the Issuer (other than under the Intercompany Loan Agreement or the Demand Loan Agreement) before payment in full of all amounts payable under this document have been made to the Bond Trustee and/or the Covered Bondholders and the Couponholders, such payment or distribution and/or an amount equal to the amount received or so set-off must be held by the Covered Bond Guarantor on trust to pay the same over immediately to the Bond Trustee, the Covered Bondholders and the Couponholders as the case may be.

- 7.10 Any amounts from time to time received by the Bond Trustee under the Covered Bond Guarantee must be applied by the Bond Trustee in accordance with the provisions of Clause 11.1 provided that any Excess Proceeds received by the Bond Trustee must be applied by the Bond Trustee in accordance with the provisions of Clause 11.2.
- 7.11 As a separate, independent, alternative and primary obligation, the Covered Bond Guarantor unconditionally and irrevocably agrees that (following the service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer and the service by the Bond Trustee of a Notice to Pay on the Covered Bond Guarantor) should any amount which, although expressed to be a Guaranteed Amount, for any reason (including any provisions of this document or the Programme Documents being or becoming void, voidable or unenforceable for any reason and whether or not now existing and whether or not now known or becoming known to the Issuer, the Covered Bond Guarantor, the Bond Trustee or any Covered Bondholder) is not recoverable from the Covered Bond Guarantor on the basis of a guarantee such amount will nevertheless be recoverable from the Covered Bond Guarantor on the basis of a full indemnity and will be paid by it to the Bond Trustee on demand provided that the Covered Bond Guarantor's obligation hereunder will in no circumstances exceed the relevant Guaranteed Amount.

8. PAYMENTS UNDER THE COVERED BOND GUARANTEE

- 8.1 Where the Issuer has determined that on an Interest Payment Date or such other date in respect of which any principal or interest in relation to the Covered Bonds is due and payable by the Issuer (other than pursuant to Condition 9 of the Programme Conditions) (the **Due Date**) it will not have sufficient funds to meet the amount of such interest and/or principal due and payable on such Due Date (the difference being the **Shortfall**), it must notify the Bond Trustee in writing (copied to the Covered Bond Guarantor), no later than close of business on the fifth Business Day before such Due Date of the Shortfall amount in relation to the Covered Bonds which is due and payable by the Issuer. Following the occurrence of an Issuer Event of Default and service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer pursuant to Condition 9.1 of the Programme Conditions, the Bond Trustee must promptly deliver a Notice to Pay to the Covered Bond Guarantor (copied to the Trust Manager and the

Security Trustee) requiring the Covered Bond Guarantor to pay the Guaranteed Amounts as and when the same are Due for Payment in accordance with the terms of the Covered Bond Guarantee and this document.

- 8.2 Following the service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer and the service by the Bond Trustee of a Notice to Pay on the Covered Bond Guarantor but prior to a Covered Bond Guarantor Event of Default and delivery by the Bond Trustee of a Covered Bond Guarantee Acceleration Notice, payment by the Covered Bond Guarantor of the Guaranteed Amounts pursuant to the Covered Bond Guarantee must be made in accordance with the Guarantee Priority of Payments by 12 noon (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time) on the Original Due for Payment Date or, if applicable, the Extended Due for Payment Date on which the relevant Guaranteed Amount is Due for Payment except that where the Covered Bond Guarantor is required to make a payment of a Guaranteed Amount in respect of the Final Redemption Amount payable on the Final Maturity Date of a Covered Bond to which an Extended Due for Payment Date applies, the Covered Bond Guarantor must make such payment no later than the Extension Determination Date provided always that the Covered Bond Guarantor has received a Notice to Pay no later than one Business Day prior to such Extension Determination Date. In addition, where the Covered Bond Guarantor is required to make a payment of a Guaranteed Amount in respect of a Final Redemption Amount payable on the Final Maturity Date of the Covered Bond, to the extent that the Covered Bond Guarantor has insufficient monies available after payment of higher ranking amounts and taking into account amounts ranking *pari passu* therewith in the Guarantee Priority of Payments to pay such Guaranteed Amounts, it must make partial payment of such Guaranteed Amounts in accordance with the Guarantee Priority of Payments.
- 8.3 The Bond Trustee must direct the Covered Bond Guarantor to pay (or to procure the payment of) all sums payable under the Covered Bond Guarantee to the Principal Paying Agent or, in case of N Covered Bonds, the N Covered Bond Paying Agent or, in the case of the A\$ Registered Covered Bonds to the relevant Covered Bondholder subject always to the provisions of Clause 2.5. For the avoidance of doubt, any discharge of the Issuer as a result of the payment of Excess Proceeds to the Bond Trustee must be disregarded for the purposes of determining the amounts to be paid by the Covered Bond Guarantor under the Covered Bond Guarantee.
- 8.4 At least one Business Day before the date on which the Covered Bond Guarantor is obliged to make a payment under the Covered Bond Guarantee, the Trust Manager must notify or procure the notification of the Principal Paying Agent or, in relation to N Covered Bonds, the N Covered Bond Paying Agent or, in relation to the A\$ Registered Covered Bonds, the A\$ Registrar, of the irrevocable instructions to the Account Bank through which payment to the Principal Paying Agent or, in the case of N Covered Bonds, the N Bond Paying Agent or, in the case of the A\$ Registered Covered Bonds, the A\$ Registrar is to be made.
- 8.5 All payments of Guaranteed Amounts by or on behalf of the Covered Bond Guarantor must be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the Commonwealth of Australia or any political sub-division thereof or by any authority thereof or therein having power to tax, unless such taxes, duties, assessments or governmental charges are required by law to be withheld or deducted. If any such withholding or deduction is required, the Covered Bond Guarantor must pay the Guaranteed Amounts net of such withholding or deduction and must account to the appropriate Tax Authority for the amount required to be withheld or deducted. The Covered Bond Guarantor will not be obliged to pay any additional amount to the Bond Trustee or any holder of Covered Bonds and/or Coupons in respect of the amount of such withholding or deduction.
- 8.6 The Issuer will not be discharged from its obligations under the Covered Bonds or Coupons and this document by any payment made by the Covered Bond Guarantor under the Covered Bond Guarantee

provided that this Clause 8.6 will operate only for the purpose of the subrogation rights of the Covered Bond Guarantor contemplated by Clause 7.9.

- 8.7 Except in relation to Excess Proceeds, any payment made by the Covered Bond Guarantor to the Covered Bondholders or the Couponholders in respect of the Covered Bonds or Coupons may be made in accordance with the relevant Conditions and the Agency Agreements, and any payments so made will be a good discharge *pro tanto* of the relative covenant by the Covered Bond Guarantor contained in Clauses 7 or 8 (as the case may be) save to the extent that there is default in the subsequent payment thereof in accordance with this document to the relevant Covered Bondholders or Couponholders (as the case may be).

9. NON-PAYMENT

- 9.1 Proof that as regards any specified Covered Bond or Coupon the Issuer or, as the case may be, the Covered Bond Guarantor has made default in paying any amount due in respect of such Covered Bond or Coupon will (unless the contrary be proved) be sufficient evidence that the same default has been made as regards all other Covered Bonds or Coupons (as the case may be) in respect of which the relevant amount is due and payable.
- 9.2 References in the provisos in Clauses 2.4(c) and 2.4(d) and any provisions of any trust deed supplemental to this document corresponding to the provisos in Clauses 2.4(c) and 2.4(d) and to the rates aforesaid will, in the event of the Covered Bonds having become due and repayable, with effect from the expiry of the Interest Period during which such Covered Bonds become due and repayable, be construed as references to rates of interest calculated *mutatis mutandis* in accordance with the relevant Conditions except that no notices need be published in respect thereof.

10. PROCEEDINGS, ACTION AND INDEMNIFICATION

- 10.1 The Bond Trustee may:
- (a) at any time after the occurrence of an Issuer Event of Default and the service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following the occurrence of a Covered Bond Guarantor Event of Default and the service of a Covered Bond Guarantee Acceleration Notice (in the case of the Covered Bond Guarantor), in either case, in respect of any Series, at its discretion and without further notice, take such proceedings or other action or step as it may think fit against or in relation to the Issuer or, as the case may be, the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of this document, the Covered Bonds and the Coupons or any other Programme Document; and
 - (b) at any time after the service of a Covered Bond Guarantee Acceleration Notice, give a direction to the Security Trustee to take such actions, steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Deed or any other Programme Document and may, at any time after the Security has become enforceable, direct the Security Trustee to take such steps as it may think fit to enforce the Security. Following the service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor, the Bond Trustee must provide a copy of such notice to the Security Trustee.
- 10.2 The Bond Trustee will not be bound to take, or give any direction to the Security Trustee to take, any such proceedings, steps or actions in relation to this document, the Covered Bond Guarantee, the Covered Bonds, the Coupons or any other Programme Document as referred to in Clause 10.1 or give any notice pursuant to Condition 9 of the Programme Conditions unless:

- (a) directed to do so by an Extraordinary Resolution of the Covered Bondholders of all Series, then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate); or
- (b) requested to do so in writing by the holders of not less than twenty-five per cent. of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate),

and in either case then only if it is indemnified and/or secured and/or prefunded to its satisfaction.

10.3 Subject as provided above and in clause 14.5 of the Security Deed, the Bond Trustee will not be bound to take, or to give any direction to the Security Trustee to take, any other action, step or proceedings under or in connection with this document, the Covered Bonds or the Coupons or any other Programme Document unless:

- (a) directed to do so by Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (as determined in accordance with the provisions of paragraph 22 of Schedule 6); or
- (b) requested to do so in writing by the holders of not less than twenty-five per cent. of the Principal Amount Outstanding of the Covered Bonds then outstanding of the relevant one or more Series (as determined in accordance with the provisions of paragraph 22 of Schedule 6),

and in either case then only if it is indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

10.4 Only the Bond Trustee may enforce the provisions of this document. No Covered Bondholder or Couponholder will be entitled to proceed directly against the Issuer or the Covered Bond Guarantor to enforce the performance of any of the provisions of this document or to directly enforce the provisions of any other Programme Document unless the Bond Trustee having become bound as aforesaid to so proceed fails to do so within a reasonable time and such failure is continuing, in which event any Covered Bondholder or Couponholder may itself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds and Coupons and/or this document).

10.5 In exercising any of its powers, trust authorities and discretions the Bond Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditor.

11. APPLICATION OF MONIES AND EXCESS PROCEEDS

11.1 Prior to service of a Notice to Pay, all monies received by the Bond Trustee under this document from the Issuer pursuant to Clause 2.4 in respect of a payment of principal or interest to the Covered Bondholders and, after service of a Notice to Pay, all monies received by the Bond Trustee under this document from the Covered Bond Guarantor pursuant to Clause 7 in respect of a payment of Guaranteed Amounts to the Covered Bondholders will, unless and to the extent attributable to a particular Series of the Covered Bonds but despite any appropriation of all or any part of them by the Issuer or the Covered Bond Guarantor, be apportioned *pari passu* and rateably between each Series of the Covered Bonds, and to the extent attributable to a particular Series of the Covered Bonds or which are apportioned to such Series as aforesaid, must be applied:

- (a) *first*: to the extent not already paid or provided for under the Pre-Acceleration Income Priority of Payments or the Guarantee Priority of Payments, as applicable, in payment or satisfaction of all amounts then due and unpaid under Clause 16 to the Bond Trustee and/or any Appointee of the Bond Trustee;
- (b) *secondly*: in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of that Series;
- (c) *thirdly*: in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of each other Series; and
- (d) *fourthly*: in payment of the balance (if any) to the Issuer (to the extent received from the Issuer) or the Covered Bond Guarantor (to the extent received from the Covered Bond Guarantor).

11.2 Following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and Notice to Pay, any Excess Proceeds must be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor, as soon as practicable, and must be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds will thereafter form part of the Charged Property and must be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Security Deed and the Establishment Deed. Any Excess Proceeds received by the Bond Trustee and held by it or under its control will discharge *pro tanto* the obligations of the Issuer in respect of the Covered Bonds and Coupons (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds are required to be repaid by the Bond Trustee or by the Covered Bond Guarantor) (but will be deemed not to have so discharged the Issuer's obligations for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by Clause 7.9). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by, or on behalf of, the Bond Trustee of any Excess Proceeds will not reduce or discharge any such obligations.

11.3 By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

11.4 For the avoidance of doubt, any payments by the Covered Bond Guarantor to the Covered Bondholders out of the Excess Proceeds will reduce the Guaranteed Amounts *pro tanto*.

12. NOTICE OF PAYMENTS

The Bond Trustee (at the expense and cost of the Covered Bond Guarantor) must give notice to the relevant Covered Bondholders in accordance with Condition 12 of the Programme Conditions (in the case of Covered Bonds which are not N Covered Bonds) and/or in accordance with Condition 10 of the N Covered Bond Conditions (in the case of N Covered Bonds) of the day fixed for any payment to them under Clause 11.1. Such payment may be made in accordance with Condition 7 of the Programme Conditions or, in the case of N Covered Bonds, Condition 6 of the N Covered Bond Conditions and any payment so made will be a good discharge to the Bond Trustee.

13. INVESTMENT BY BOND TRUSTEE

13.1 Except in relation to any Excess Proceeds, the Bond Trustee may at its absolute discretion and pending payment as provided for in this document, invest monies at any time available for the payment of principal and interest on the Covered Bonds of any Series, in some or one of the Authorised Investments for such periods as it may consider expedient with power from time to time at the like discretion to vary such investments and to accumulate such investments and the resulting interest and

other income derived therefrom. The accumulated investments must be applied under Clause 11. All interest and other income deriving from such investments must be applied first in payment or satisfaction of all amounts then due and unpaid under Clause 16 to the Bond Trustee and/or any Appointee of the Bond Trustee and otherwise held for the benefit of and paid to the Covered Bondholders of such Series and/or Couponholders, as the case may be.

- 13.2 Except in relation to any Excess Proceeds, any monies which under the trusts of this document may be invested by the Bond Trustee may be invested in the name or under the control of the Bond Trustee in any investments or other assets in any part of the world whether or not they produce income or by placing the same on deposit in the name or under the control of the Bond Trustee at such bank or other financial institution and in such currency as the Bond Trustee may think fit. If that bank or institution is the Bond Trustee or a Subsidiary, holding or associated company of the Bond Trustee, it need only account for an amount of interest equal to the amount of standard interest which would, at then current rates, be payable by it on such a deposit to an independent customer. The Bond Trustee may at any time vary any such investments for or into other investments or convert any monies so deposited into any other currency and will not be responsible for any loss resulting from any such investments or deposits, whether due to depreciation in value, fluctuations in exchange rates or otherwise.
- 13.3 Notwithstanding anything in this document to the contrary, the Bond Trustee may not do, or be authorised or required to do, anything which in its sole opinion might constitute a regulated activity for the purpose of the FSMA, unless it is authorised under the FSMA to do so.

In respect of any of the duties and/or responsibilities to be performed by the Bond Trustee, the Bond Trustee will have the discretion at any time: (i) to delegate any of the functions which fall to be performed by an authorised person under the FSMA to any agent or person which has the necessary authorisations and licences and (ii) to apply for authorisation under the FSMA and perform any or all such functions itself if, in its absolute discretion, it considers it necessary, desirable or appropriate to do so.

14. PARTIAL PAYMENTS

and every such Appointee indemnified against all Liabilities to which it may be or become subject or which may be incurred by it in the preparation and execution or purported execution of any of its trusts, powers, authorities and discretions under this document (including directing the Security Trustee) or its functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to this document or any such appointment (including all Liabilities in disputing or defending any of the foregoing). However, the Bond Trustee or Appointee (as the case may be) will not be indemnified where such Liability arises from the Bond Trustee's or Appointee's fraud, gross negligence, wilful default or breach of trust.

- 16.9 Unless otherwise specifically stated in any discharge of this document the provisions of this Clause 16 will continue in full force and effect notwithstanding such discharge.

Section 1 of the Trustee Act 2000 will not apply to the duties of the Bond Trustee in relation to the trusts constituted by this document. Where there are any inconsistencies between the Trustee Acts and the provisions of this document, the provisions of this document will, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of this document will constitute a restriction or exclusion for the purposes of that Act. The Bond Trustee will have all the powers conferred upon trustees by the Trustee Acts and by way of supplement thereto it is expressly declared as follows:

- (a) The Bond Trustee may in relation to this document and the other Programme Documents rely and/or act on the advice or report or certificate or opinion of or any information obtained from any auditor, lawyer, valuer, accountant, surveyor, banker, professional adviser, broker, financial adviser, auctioneer or other expert whether obtained by the Issuer, the Covered Bond Guarantor, a Paying Agent, the Security Trustee, the Bond Trustee or otherwise and whether or not addressed to the Bond Trustee notwithstanding that such advice, report, certificate,

opinion, information, or any engagement letter or any other document entered into by the Bond Trustee and the relevant person in connection therewith, contains any monetary or other limit on the liability of the relevant person and the Bond Trustee will not be responsible for any Liability occasioned by so acting or relying.

- (b) Any such advice, report, opinion, certificate, information, engagement letter or other document may be sent or obtained by letter, email or facsimile transmission and the Bond Trustee will not be liable for acting on any advice, report, opinion, certificate, information, engagement letter or other document purporting to be conveyed by any such letter, email or facsimile transmission although the same may contain some error or may not be authentic.
- (c) The Bond Trustee may call for and will be at liberty to accept as sufficient evidence of any fact or matter or the expediency of any transaction or thing a certificate signed by an Authorised Officer of the Issuer or two Authorised Officers of the Covered Bond Guarantor and the Bond Trustee will not be bound in any such case to call for further evidence or be responsible for any Liability that may be occasioned by it or any other person acting on such certificate.
- (d) The Bond Trustee will be at liberty to hold this document and any other documents relating thereto or to deposit them in any part of the world with any banker or banking company or company whose business includes undertaking the safe custody of documents or lawyer or firm of lawyers considered by the Bond Trustee to be of good repute and the Bond Trustee will not be responsible for or required to insure against any Liability incurred in connection with any such holding or deposit and may pay all sums required to be paid on account of or in respect of any such deposit.
- (e) The Bond Trustee will not be responsible for the receipt or application of the proceeds of the issue of any of the Covered Bonds by the Issuer, the exchange of any Global Covered Bond for another Global Covered Bond or Definitive Covered Bonds or the delivery of any Global Covered Bond or Definitive Covered Bonds to the person(s) entitled to it or them.
- (f) The Bond Trustee will not be bound to give notice to any person of the execution of any documents comprised or referred to in this document or to take any steps to ascertain whether any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default or any breach of the Asset Coverage Test, Pre-Maturity Test or Amortisation Test has occurred and, until it has actual knowledge or express notice pursuant to this document to the contrary, the Bond Trustee will be entitled to assume that no Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default, Potential Covered Bond Guarantor Event of Default, breach of the Asset Coverage Test, Pre-Maturity Test or Amortisation Test has occurred and that any of the Issuer and the Covered Bond Guarantor and each of the other parties to the Programme Documents (other than the Bond Trustee) is observing and performing all its obligations under this document and the other Programme Documents.
- (g) Save as expressly otherwise provided in this document, the Bond Trustee will have absolute and uncontrolled discretion as to the exercise or non-exercise of its trusts, powers, authorities and discretions under this document (including directing the Security Trustee) (the exercise or non-exercise of which as between the Bond Trustee and the Covered Bondholders and the Couponholders will be conclusive and binding on the Covered Bondholders and the Couponholders) and will not be responsible for any Liabilities which may result from their exercise or non-exercise and in particular the Bond Trustee will not be bound to act at the request or direction of the Covered Bondholders or otherwise under any provision of this document or to take at such request or direction or otherwise any other action under any provision of this document, without prejudice to the generality of Clause 10, unless it is first

indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may render itself liable or which it may incur by so doing.

- (h) The Bond Trustee will not be liable to any person by reason of having acted upon any Extraordinary Resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of Covered Bondholders of all or any Series in respect whereof minutes have been made and signed or any direction or request of the Covered Bondholders of all or any Series even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution, (in the case of an Extraordinary Resolution in writing) that not all such Covered Bondholders had signed the Extraordinary Resolution or (in the case of a direction or request) it was not signed by the requisite number of Covered Bondholders or that for any reason the resolution, direction or request was not valid or binding upon such Covered Bondholders and the relative and Couponholders.
- (i) The Bond Trustee will not be liable to any person by reason of having accepted as valid or not having rejected any Covered Bond or Coupon purporting to be such and subsequently found to be forged or not authentic.
- (j) Any consent or approval given by the Bond Trustee for the purposes of this document may be given on such terms and subject to such conditions (if any) as the Bond Trustee thinks fit and notwithstanding anything to the contrary in this document may be given retrospectively.
- (k) The Bond Trustee will not (unless and to the extent required to do so by law or ordered so to do by a court of competent jurisdiction) be required to disclose to any Covered Bondholder, Couponholder or any other Secured Creditor any information (including information of a confidential, financial or price sensitive nature) made available to the Bond Trustee by the Issuer, the Covered Bond Guarantor or any other person in connection with this document and no Covered Bondholder, Couponholder or other Secured Creditor will be entitled to take any action to obtain from the Bond Trustee any such information.
- (l) Where it is necessary or desirable for any purpose in connection with this document to convert any sum from one currency to another it must (unless otherwise provided by this document or required by law) be converted at such rate or rates, in accordance with such method and as at such date for the determination of such rate of exchange, as may be agreed by the Bond Trustee in consultation with the Issuer or the Covered Bond Guarantor (as the case may be) and any rate, method and date so agreed will be binding on the Issuer, the Covered Bond Guarantor, the Covered Bondholders and the Couponholders.
- (m) The Bond Trustee may certify whether or not any of the conditions, events and acts set out in Condition 9.1(b) or (c) and Condition 9.2(b) or (e) of the Programme Conditions (each of which conditions, events and acts will, unless in any case the Bond Trustee in its absolute discretion determines otherwise, for all the purposes of this document be deemed to include the circumstances resulting therein and the consequences resulting there from) is in its opinion materially prejudicial to the interests of the Covered Bondholders of any Series and any such certificate will be conclusive and binding upon the Issuer, the Covered Bond Guarantor, the Covered Bondholders and the Couponholders.
- (n) The Bond Trustee as between itself and the Covered Bondholders and the Couponholders may determine all questions and doubts arising in relation to any of the provisions of this document (including directing the Security Trustee). Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Bond Trustee, will be conclusive and will bind the Bond Trustee and the Covered Bondholders and the Couponholders.

- (o) In connection with the exercise by it of any of its trusts, powers, authorities or discretions under this document (including any modification, waiver, authorisation or determination), the Bond Trustee must have regard to the interests of the Covered Bondholders of each Series as a class (but must not have regard to any interests arising from circumstances particular to individual Covered Bondholders or Couponholders whatever their number) and, in particular but without limitation, must not have regard to the consequences of any such exercise for individual Covered Bondholders and Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee will not be entitled to require, nor will any Covered Bondholder or Couponholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders and/or Couponholders, except to the extent already provided for in Condition 8 of the Programme Conditions and Condition 7 of the N Covered Bond Conditions and/or in any undertaking or covenant given in addition thereto or in substitution therefor under this document.
- (p) Any trustee appointed under this document being a lawyer, accountant, broker or other person engaged in any profession or business will be entitled to charge and be paid all usual and proper professional and other charges for business transacted and acts done by it or its firm in connection with the trusts under this document or any other of the Programme Documents to which the Bond Trustee is a party and also any properly incurred charges in addition to disbursements for all other work and business done and all time spent by it or its firm in connection with matters arising in connection with this document including any matters which might or should have been attended to in person by a trustee not being a lawyer, accountant, banker or other professional person.
- (q) The Bond Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of the trust established under this document or not) all or any of its trusts, powers, authorities and discretions under this document. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Bond Trustee may in the interests of the Covered Bondholders think fit. Provided the Bond Trustee has exercised reasonable care in the selection of any such delegate, the Bond Trustee will not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate. The Bond Trustee must within a reasonable time after any such delegation or sub-delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.
- (r) The Bond Trustee may in the conduct of the trusts established under this document instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with this document (including the receipt and payment of money). Provided the Bond Trustee has exercised reasonable care in the selection of any such agent, the Bond Trustee will not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (s) The Bond Trustee will not be responsible to any person for failing to request, require or receive any legal opinion relating to the Covered Bonds or for checking or commenting upon the content of any such legal opinion and will not be responsible for any Liability incurred thereby.

- (j) the Issuer and the Trust Manager, must deliver to the Bond Trustee legal opinions obtained from lawyers of international repute in (a) England and Wales and (b) the jurisdiction of incorporation of the Substituted Debtor in form and substance satisfactory to the Bond Trustee.

Any such supplemental trust deed or undertaking will, if so expressed, operate to release the Issuer or the previous substitute as stated above from all of its obligations as principal debtor or guarantor, as the case may be, under this document. Not later than 14 days after the execution of such documents and compliance with such requirements, the Substituted Debtor must give notice thereof in a form previously approved by the Bond Trustee to the Covered Bondholders in the manner provided in Condition 13 of the Programme Conditions (in the case of Covered Bonds which are not N Covered Bonds) and/or in accordance with Condition 10 of the N Covered Bond Conditions (in the case of N Covered Bonds). Upon the execution of such documents and compliance with such requirements, the Substituted Debtor will be deemed to be named in this document as the principal debtor in place of the Issuer (or in place of the previous substitute under this Clause 22.2) under this document and this document will be deemed to be modified in such manner as may be necessary to give effect to the above provisions and, without limitation, references in this document to the Issuer will, unless the context otherwise requires, be deemed to be or include references to the Substituted Debtor.

23. BREACH

Any breach of or failure to comply by the Issuer and/or the Covered Bond Guarantor with any such terms and conditions as are referred to in Clause 20 or 21 or 22 will constitute a default by the Issuer

or the Covered Bond Guarantor in the performance or observance of a covenant or provision binding on it under or pursuant to this document.

24. HOLDER OF BEARER DEFINITIVE COVERED BOND ASSUMED TO BE COUPONHOLDER

Wherever in this document the Bond Trustee is required or entitled to exercise a power, trust, authority or discretion under this document, except as ordered by a court of competent jurisdiction or as required by applicable law, the Bond Trustee must, notwithstanding that it may have express notice to the contrary, assume that each holder of a Bearer Definitive Covered Bond is the holder of all Coupons appertaining to such Bearer Definitive Covered Bond.

25. NO NOTICE TO COUPONHOLDERS

Neither the Bond Trustee, the Issuer nor the Covered Bond Guarantor will be required to give any notice to the Couponholders for any purpose under this document and the Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Covered Bonds in accordance with Condition 13 of the Programme Conditions.

26. EXCHANGE RATE INDEMNITY

26.1 If a judgment or order is rendered by a court of any particular jurisdiction for the payment of any amounts owing to the Bond Trustee or the Covered Bondholders or Couponholders under this document, the Covered Bonds or the Coupons, or under a judgment or order of a court of any other jurisdiction in respect thereof or for the payment of damages in respect of either thereof, and any such judgment or order is expressed in a currency (the Judgment Currency) other than that in which the relevant Covered Bonds are denominated and payable (the Contractual Currency) and the Bond Trustee or the Covered Bondholders or the Couponholders do not have an option to have such judgment or order of such court to be expressed in the Contractual Currency, the Issuer and the Covered Bond Guarantor must severally indemnify and hold the Bond Trustee and the Covered Bondholders and Couponholders harmless against any deficiency arising or resulting from any variation in rates of exchange between the Judgment Currency and the Contractual Currency occurring between: (a) the date on which any amount expressed in the Contractual Currency is converted, for the purposes of making or filing any claim resulting in any such judgment or order, into an equivalent amount in the Judgment Currency or, if such conversion is made by the court for the purpose of making such judgment, the date of such conversion; and (b) the date or dates of payment of such amount (or part thereof), or of discharge of such first-mentioned judgment or order (or part thereof), as appropriate.

26.2 The above indemnities will constitute separate and independent obligations of the Issuer and the Covered Bond Guarantor from their other obligations under this document, will give rise to separate and independent causes of action, will apply irrespective of any indulgence granted by the Bond Trustee or the Covered Bondholders or Couponholders from time to time and will continue in full force and effect notwithstanding any judgment or order or the filing of any proof or proofs in the liquidation of the Issuer or the Covered Bond Guarantor for a liquidated sum or sums in respect of amounts due under this document or under any such judgement or order. Any such deficiency as aforesaid will be deemed to constitute a loss suffered by the Bond Trustee and the Covered Bondholders and Couponholders, and no proof or evidence of any actual loss will be required by the Issuer, the Covered Bond Guarantor or its or their liquidator(s).

26.3 If by any reason of any judgment as is referred to in Clause 26.1 above the amount receivable by the Bond Trustee, the Covered Bondholders or the Couponholders if converted on the date of payment into the Contractual Currency would yield a sum in excess of that due (expressed in the Contractual

Currency), the Bond Trustee must hold such excess (if so received) to the order of the Issuer, as the case may be, the Covered Bond Guarantor.

27. NEW BOND TRUSTEE

The power to appoint a new bond trustee under this document will, subject to Clause 29, be vested in solely Issuer and the Covered Bond Guarantor (acting on the direction of the Trust Manager) jointly but no person proposed to be so appointed may be appointed without first being approved by an Extraordinary Resolution of the Covered Bondholders of all Series taken together as a single Series. One or more persons may hold office as bond trustee or bond trustees of under this document but such bond trustee or bond trustees must be or include a trust corporation. Whenever there are more than two bond trustees under this document the majority of such bond trustees will be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Bond Trustee by this document provided that a trust corporation must be included in such majority. Any appointment of a new bond trustee under this document must as soon as practicable thereafter be notified by the Issuer to the Rating Agencies, the Principal Paying Agent, the N Covered Bond Paying Agent, the Registrar, the N Covered Bond Registrar, the Security Trustee and the Covered Bondholders in accordance with Condition 13 of the Programme Conditions.

28. SEPARATE AND CO-TRUSTEES

Notwithstanding the provisions of Clause 27 above, the Bond Trustee may, upon giving reasonable prior written notice to the Issuer, the Covered Bond Guarantor and the Trust Manager (but without the consent of the Issuer, the Covered Bond Guarantor, the Trust Manager, the Covered Bondholders or Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate bond trustee or as a co-bond trustee jointly with the Bond Trustee:

- (a) if the Bond Trustee considers such appointment to be in the interests of the Covered Bondholders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purpose of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of this document against the Issuer or the Covered Bond Guarantor.

Before appointing such person to act as such a separate bond trustee or co-bond trustee the Bond Trustee must, if circumstances so permit, consult the Issuer and the Covered Bond Guarantor and any person so appointed must not be a person to whose appointment the Issuer and the Covered Bond Guarantor might reasonably object by reason of any conflict of interest, other disability or other important reason and a determination given by the Bond Trustee (after consulting its legal advisor in the appropriate jurisdiction) that in its opinion there is no such conflict of interest or other disability or other important reason in relation to any such person will be conclusive and binding upon the Issuer and the Covered Bond Guarantor.

Each of the Issuer and the Covered Bond Guarantor irrevocably appoints the Bond Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person will (subject always to the provisions of this document) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Bond Trustee by this document) and such duties and obligations as will be conferred or imposed by the instrument of appointment. The Bond Trustee has power in like manner to remove any such person. Such remuneration as the Bond Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as

such separate bond trustee or co-bond trustee, will for the purposes of this document be treated as Liabilities incurred by the Bond Trustee.

29. BOND TRUSTEE'S RETIREMENT AND REMOVAL

A bond trustee of the trusts established under this document may retire at any time on giving not less than three months' prior written notice to the Issuer, the Covered Bond Guarantor, the Trust Manager and the Security Trustee without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Covered Bondholders may by Extraordinary Resolution of the Covered Bondholders of all Series taken together as a single Series remove any bond trustee or bond trustees for the time being of the trusts established under this document. Each of the Issuer and the Trust Manager undertakes that in the event of the only bond trustee of the trusts established under this document which is a Trust Corporation giving notice under this Clause 29 or being removed by Extraordinary Resolution it will use all reasonable endeavours to procure that a new bond trustee of the trusts established under this document being a Trust Corporation is appointed in accordance with Clause 27 as soon as reasonably practicable thereafter. The retirement or removal of any such bond trustee will not become effective until a successor bond trustee being a Trust Corporation is appointed. If, in such circumstances, no appointment of such new bond trustee has become effective within 60 days of the date of such notice or Extraordinary Resolution, the Bond Trustee will be entitled to appoint a Trust Corporation as bond trustee of the trusts established under this document, but no such appointment will take effect unless previously approved by an Extraordinary Resolution of all Series taken together as a single Series.

30. BOND TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Bond Trustee by this document will be in addition to any powers which may from time to time be vested in the Bond Trustee by the general law or as a holder of any of the Covered Bonds or Coupons.

If this Covered Bond is a Bearer Definitive Covered Bond, it is issued with Coupons and, if applicable, Talons attached.

Subject as set out below, title to the Bearer Covered Bonds and the Coupons will pass by delivery and title to the Registered Covered Bonds will pass upon the registration of transfers in accordance with the provisions of the Principal Agency Agreement. The Issuer, the Covered Bond Guarantor, the Security Trustee, the Bond Trustee and each of the Agents will (except as otherwise permitted in the Bond Trust Deed and these Conditions or as ordered by a court of competent jurisdiction or as required by law or applicable regulations) deem and treat the bearer of any Bearer Covered Bond or Coupon and the registered holder of any Registered Covered Bond as the absolute owner thereof (notwithstanding any notice to the contrary and whether or not it is overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Covered Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Covered Bonds are represented by a Global Covered Bond held on behalf of or, as the case may be, registered in the name of a common depository for Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg**) or its nominee each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of such Covered Bonds (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Covered Bonds standing to the account of any person will be conclusive and binding for all purposes save in the case of manifest error and any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including, without limitation, Euroclear's EUCLID or Clearstream's Creation on-line system) in accordance with its usual procedures and in which the holder of a particular nominal amount of the Covered Bonds is clearly identified with the amount of such holding) will be treated by the Issuer, the Covered Bond Guarantor, the Paying Agents, the Security Trustee and the Bond Trustee as the holder of such nominal amount of such Covered Bonds for all purposes other than with respect to the payment of principal or interest or other amounts on such nominal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression **Covered Bondholder** and related expressions will be construed accordingly.

Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

References to Euroclear and/or Clearstream, Luxembourg will, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the Issuer, the Bond Trustee and the Principal Paying Agent (any such clearing system, an **Alternative Clearing System**).

Subject as provided above, the relevant Transfer Agent will, within 14 days of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request a new Regulation S Definitive Covered Bond of a like aggregate nominal amount to the Regulation S Definitive Covered Bond (or the relevant part of the Regulation S Definitive Covered Bond) transferred. In the case of the transfer of part only of a Regulation S Definitive Covered Bond, a new Regulation S Definitive Covered Bond in respect of the balance of the Regulation S Definitive Covered Bond not transferred will be so delivered or (at the risk of the transferor) sent to the transferor.

2.3 Partial redemption

4. INTEREST

The applicable Final Terms will indicate whether the Covered Bonds are Fixed Rate Covered Bonds or Floating Rate Covered Bonds.

4.1 Interest on Fixed Rate Covered Bonds

This Condition 4.1 applies to Fixed Rate Covered Bonds only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4.1 for full information on the manner in which interest is calculated on Fixed Rate Covered Bonds. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

- (a) Each Fixed Rate Covered Bond bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Final Terms. Interest in respect of Fixed Rate Covered Bond will accrue in respect of each **Fixed Interest Period** (which expression will in these Conditions mean the period from (and including) an Interest Payment Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

If the Covered Bonds are Definitive Covered Bonds and if a Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount or the Broken Amount (if any) so specified.

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Fixed Rate Covered Bond (or, in the case of the redemption of part only of a Fixed Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event, interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Fixed Rate Covered Bond up to that day are received by or on behalf of the holder of such Fixed Rate Covered Bond and (ii) the day which is seven days after the date on which the Principal Paying Agent has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date.

- (b) Except in the case of Covered Bonds which are Definitive Covered Bonds where a Fixed Coupon Amount or Broken Amount, is specified in the applicable Final Terms, the Principal Paying Agent will calculate the amount of interest (the **Interest Amount**) payable in respect of any period by applying the Rate of Interest to:
- (i) in the case of Fixed Rate Covered Bonds which are Global Covered Bonds, the aggregate Calculation Amount of the Fixed Rate Covered Bonds represented by such Global Covered Bonds; or
 - (ii) in the case of Fixed Rate Covered Bonds which are Definitive Covered Bonds, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond which is a Definitive Covered Bond is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond will be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

The calculation of each Interest Amount by the Principal Paying Agent shall (in the absence of manifest error) be final and binding upon all parties.

In this Condition 4.1, **Day Count Fraction** has the meaning given to it in Condition 4.3.

In these Conditions, **sub-unit** means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

4.2 Interest on Floating Rate Covered Bonds

This Condition 4.2 applies to Floating Rate Covered Bonds only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4.2 for full information on the manner in which interest is calculated on Floating Rate Covered Bonds. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due (if it is not the Principal Paying Agent), the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

(a) *Interest Payment Dates*

Each Floating Rate Covered Bond bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the **Specified Period** in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each period from and including an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Covered Bonds become payable on a date other than an Interest Payment Date (each such period, a **Floating Interest Period** and, together with a Fixed Interest Period, each an **Interest Period**). If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

(b) *Interest Payments and Accrual*

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Floating Rate Covered Bond (or, in the case of the redemption of part only of a Floating Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Floating Rate Covered Bond up to that day are received by or on behalf of the holder of such Floating Rate Covered Bond and (ii) the day which is seven days after the date on which the Principal Paying Agent has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date.

(c) *Rate of Interest*

The Rate of Interest payable from time to time in respect of each Floating Rate Covered Bond will be determined in the manner specified in the applicable Final Terms.

(d) *ISDA Determination for Floating Rate Covered Bonds*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Floating Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this Condition 4.2(d), **ISDA Rate** for a Floating Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent or the Calculation Agent, as applicable, under an interest rate swap transaction if the Principal Paying Agent or the Calculation Agent, as applicable, were acting as the Calculation Agent (as defined in the ISDA Definitions (as defined below)) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and

updated (the **ISDA Definitions**) as at the Issue Date of the first Tranche of the Covered Bonds, and under which:

- (i) the Floating Rate Option is as specified in the applicable Final Terms;
- (ii) the Designated Maturity is a period specified in the applicable Final Terms;
- (iii) the relevant Reset Date is the day specified in the applicable Final Terms; and
- (iv) the definition of **Fallback Observation Day** in the ISDA Definitions shall be deemed deleted in its entirety and replaced with the following: ***Fallback Observation Day** means, in respect of a Reset Date and the Calculation Period (or any Compounding Period included in that Calculation Period) to which that Reset Date relates, unless otherwise agreed, the day that is five Business Days preceding the related Payment Date.*

For the purposes of this Condition 4.2(d), **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

When this Condition 4.2(d), applies, in respect of each relevant Floating Interest Period:

- (i) the Rate of Interest for such Floating Interest Period will be the rate of interest determined by the Principal Paying Agent or the Calculation Agent, as applicable, in accordance with this Condition 4.2(d); and
 - (ii) the Principal Paying Agent or the Calculation Agent, as applicable, will be deemed to have discharged its obligations under Condition 4.2(k) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Floating Interest Period in the manner provided in this Condition 4.2(d).
- (e) *Screen Rate Determination for Floating Rate Covered Bonds not referencing Compounded Daily SONIA or Compounded Daily SOFR*
- (i) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, and the Reference Rate is specified in the applicable Final Terms as being "EURIBOR", the Rate of Interest for a Floating Interest Period will, subject to Condition 4.7 and subject as provided below, be either:
 - (A) the offered quotation; or
 - (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being EURIBOR, as specified in the applicable Final Terms) which appears, or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at 11.00 a.m. (Brussels time, in case of EURIBOR) (the **Specified Time**) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent or the Calculation Agent, as applicable. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (ii) In the event that the Relevant Screen Page is not available or if, in the case of Condition 4.2(e)(i)(A), no such offered quotation appears or, in the case of Condition 4.2(e)(i)(B), fewer than three of the offered quotations appear, in each case as at the Specified Time, the Issuer shall request each of the Reference Banks (as defined below) to provide the Principal Paying Agent or the Calculation Agent, as applicable, with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent or the Calculation Agent, as applicable, with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent or the Calculation Agent, as applicable.
- (iii) If on any Interest Determination Date one only or none of the Reference Banks provides the Principal Paying Agent or the Calculation Agent, as applicable with such an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the Reserve Interest Rate. The **Reserve Interest Rate** shall be the rate per annum which the Principal Paying Agent or the Calculation Agent, as applicable, determines to be either (i) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (at the request of the Issuer) the Principal Paying Agent or the Calculation Agent, as applicable, by the Reference Banks or any two or more of them, at which such banks offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Principal Paying Agent or the Calculation Agent, as applicable, with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent or the Calculation Agent, as applicable, it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), or (ii) in the event that the Principal Paying Agent or the Calculation Agent, as applicable, can determine no such arithmetic mean, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period). In this Condition 4.2(e)(iii) the expression **Reference Banks** means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case as selected by the Principal Paying Agent or the Calculation Agent, as applicable, who may consult the Issuer.

(ii) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be:

- (A) determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Floating Interest Period from that which applied to the last preceding Floating Interest Period, the Margin, the Maximum Rate of Interest and/or the Minimum Rate of Interest (as the case may be) relating to the relevant Floating Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to that last preceding Floating Interest Period); or

(a) *Successor Rate or Alternative Rate*

If there is a Successor Rate, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and, in accordance with Condition 12, the Covered Bondholders of such Successor Rate and that Successor Rate shall (subject to adjustment as provided in Condition 4.7(b)) subsequently be used by the Principal Paying Agent or the Calculation Agent, as applicable, in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.7).

If there is no Successor Rate but the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) determines that there is an Alternative Rate, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and, in accordance with Condition 12, the Covered Bondholders of such Alternative Rate and that Alternative Rate shall (subject to adjustment as provided in Condition 4.7(b)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.7).

(b) *Adjustment Spread*

If, in the case of a Successor Rate, an Adjustment Spread is formally recommended, or provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent or the Calculation Agent, as applicable, shall apply such Adjustment Spread to the Successor Rate for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate.

If, in the case of a Successor Rate where no such Adjustment Spread is formally recommended, or provided as an option by any Relevant Nominating Body, or in the case of an Alternative Rate, the Issuer (acting in good faith, in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) determines that there is an Adjustment Spread in customary market usage in the international debt capital markets for transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be), then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent (or the Calculation Agent, as applicable, apply such Adjustment Spread to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

If no such recommendation or option has been made (or made available) by any Relevant Nominating Body, or the Issuer so determines that there is no such Adjustment Spread in customary market usage in the international debt capital markets and the Issuer further determines (acting in good faith, in a commercially reasonable manner and following consultation with an Independent Adviser) that an Adjustment Spread is required to be applied

to the Successor Rate or the Alternative Rate (as the case may be), then the Adjustment Spread shall be:

- (i) the Adjustment Spread determined by the Issuer (acting in good faith, in a commercially reasonable manner and following consultation with an Independent Adviser) as being the Adjustment Spread recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (ii) if there is no such industry standard recognised or acknowledged, such Adjustment Spread as the Issuer (acting in good faith, in a commercially reasonable manner and following consultation with an Independent Adviser) determines to be appropriate having regard to the objective, so far as is reasonably practicable in the circumstances, of reducing or eliminating any economic prejudice or benefit (as the case may be) to Covered Bondholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be).

Following any such determination of the Adjustment Spread, the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent and the Calculation Agent, if applicable, shall, apply such Adjustment Spread to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(c) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.7 and the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) determines in its discretion (A) that amendments to these Conditions and/or the Bond Trust Deed and/or the Principal Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (B) the terms of the Benchmark Amendments, then the Issuer, the Bond Trustee and the Agents shall, subject to the following paragraphs of this Condition 4.7(c) and subject to the Issuer having to give notice thereof to the Covered Bondholders in accordance with Condition 12 and to the Bond Trustee and the party responsible for determining the Rate of Interest (being the Principal Paying Agent or the Calculation Agent, as applicable, in accordance with this Condition 4.7(c), without any requirement for the consent or approval of Covered Bondholders, agree to the necessary modifications to these Conditions and/or Bond Trust Deed and/or the Principal Agency Agreement to give effect to such Benchmark Amendments at the request of the Issuer, but subject to receipt by the Bond Trustee, the Principal Paying Agent and the Calculation Agent, if applicable, of the certificate referred to in the penultimate paragraph of this Condition 4.7(c), and subject as provided below, the Bond Trustee and the Agents (as applicable) shall (at the expense of the Issuer), without any requirement for the consent or approval of the Covered Bondholders and without liability to the Covered Bondholders or any other person, be obliged to concur with the Issuer in effecting any such Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Bond Trust Deed) with effect from the date specified in such notice.

In connection with any such modifications in accordance with this Condition 4.7(c), if and for so long as the Covered Bonds are admitted to trading and listed on the official list of a stock exchange, the Issuer shall comply with the rules of that stock exchange.

Notwithstanding any other provision of this Condition 4.7(c), neither the Bond Trustee nor any Agent shall be obliged to concur with the Issuer and the Covered Bond Guarantor, and/or (in the case of the Bond Trustee) direct the Security Trustee to concur with the Issuer and the Covered Bond Guarantor in respect of any Benchmark Amendments which, in the sole opinion of the Bond Trustee or the relevant Agent (as applicable), would have the effect of (i) exposing the Bond Trustee or the relevant Agent (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protections, of the Bond Trustee or the relevant Agent (as applicable) in the Bond Trust Deed, the Principal Agency Agreement and/or these Conditions.

Any Benchmark Amendments determined under this Condition 4.7(c) shall be notified promptly (not less than five Business Days prior to the relevant Interest Determination Date) by the Issuer to the Covered Bond Guarantor, the Bond Trustee, the Principal Paying Agent, the Calculation Agent, if applicable, and, in accordance with Condition 12, the Covered Bondholders. Such notice shall be irrevocable and shall specify the effective date of such Benchmark Amendments.

No later than notifying the Bond Trustee and the Principal Paying Agent, the Calculation Agent, if applicable, of the same, the Issuer shall deliver to each of the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, a certificate (on which each of the Bond Trustee and the Principal Paying Agent or the Calculation Agent, as applicable, shall be entitled to rely without further enquiry or liability) signed by an Authorised Officer of the Issuer:

- (i) confirming (A) that a Benchmark Event has occurred, (B) whether the Issuer has consulted with an Independent Adviser, (C) the Successor Rate or, as applicable, the Alternative Rate and, (D) where applicable, any Adjustment Spread and/or (E) the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4.7(c); and
- (ii) certifying that the Benchmark Amendments (A) are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread and (B) in each case, have been drafted solely to such effect.

The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Bond Trustee's and the Principal Paying Agent's or the Calculation Agent's, as applicable, ability to rely on such certificate as aforesaid) be binding on the Issuer, the Bond Trustee, the Principal Paying Agent or the Calculation Agent, as applicable, and the Covered Bondholders.

(d) *Independent Adviser*

In the event the Issuer is to consult with an Independent Adviser in connection with any determination to be made by the Issuer pursuant to this Condition 4.7(d), the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, for the purposes of any such consultation.

An Independent Adviser appointed pursuant to this Condition 4.7(d) shall act in good faith and in a commercially reasonable manner and (in the absence of fraud or wilful default) shall have no liability whatsoever to the Issuer, the Bond Trustee or the Covered Bondholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4.7(d) or otherwise in connection with the Covered Bonds.

If the Issuer consults with an Independent Adviser as to whether there is an Alternative Rate and/or whether any Adjustment Spread is required to be applied and/or in relation to the quantum of, or any formula or methodology for determining such Adjustment Spread and/or whether any Benchmark Amendments are necessary and/or in relation to the terms of any such Benchmark Amendments, a written determination of an Independent Adviser in respect thereof shall be conclusive and binding on all parties, save in the case of manifest error, and (in the absence of default or bad faith) the Issuer shall have no liability whatsoever to the Covered Bondholders in respect of anything done, or omitted to be done, in relation to that matter in accordance with any such written determination.

No Independent Adviser appointed in connection with the Covered Bonds (acting in such capacity), shall have any relationship of agency or trust with the Covered Bondholders.

(e) *Survival of Original Reference Rate Provisions*

Without prejudice to the obligations of the Issuer under this Condition 4.7, the Original Reference Rate and the fallback provisions provided for in Condition 4.2(e), the applicable Final Terms, as the case may be, will continue to apply unless and until the Issuer has determined the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with the relevant provisions of this Condition 4.7.

(f) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.7 by the Issuer will (in the absence of default, bad faith or manifest error by it or any of its directors, officers, employees or agents) be binding on the Issuer, the Bond Trustee, the Covered Bond Guarantor, the Principal Paying Agent, the Calculation Agent, the Paying Agents and all the Covered Bondholders of the relevant Series and Coupons relating thereto and (in the absence of any default, bad faith or manifest error as referred to above) no liability to the Bond Trustee, the Principal Paying Agent, the Calculation Agent, if applicable, or the Covered Bondholders of the relevant Series and Coupons relating thereto shall attach to the Issuer in connection with the exercise or non-exercise by it of its powers, duties and discretions under this Condition 4.7.

Without prejudice to Condition 9, if an Extended Due for Payment Date is specified as applicable in the applicable Final Terms for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the applicable Final Terms (or after expiry of the grace period set out in Condition 9.1(a) and, following the service of a Notice to Pay on the Covered Bond Guarantor by no later than the date falling one Business Day prior to the Extension Determination Date, the Covered Bond Guarantor has insufficient monies available under the Guarantee Priority of Payments to pay the Guaranteed Amounts corresponding to the Final Redemption Amount in full in respect of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Covered Bond Guarantor or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) under the terms of the Covered Bond Guarantee and (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Covered Bond Guarantor under the Covered Bond Guarantee will be deferred until the Extended Due for Payment Date, provided that the Covered Bond Guarantor may pay any amount representing the Final Redemption Amount on the relevant Final Maturity Date and any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above may also be paid by the Covered Bond Guarantor on any Interest Payment Date thereafter up to (and including) the Extended Due for Payment Date. The Issuer must confirm to the Principal Paying Agent as soon as reasonably practicable and in any event at least four Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether (x) payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date or (y) payment will not be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date.

Any failure by the Covered Bond Guarantor to notify such parties will not affect the validity or effectiveness of the extension nor give rise to any rights in any such party. In such circumstances, the Covered Bond Guarantor must on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Covered Bond Guarantor or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the monies (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) pro rata in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and must pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Covered Bond Guarantor to pay any amounts in respect of the balance of the Final Redemption Amount not so paid will be deferred as described above. Such failure to pay by the Covered Bond Guarantor will not constitute a Covered Bond Guarantor Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee must be disregarded for the purposes of determining the amounts to be paid by the Covered Bond Guarantor under the Covered Bond Guarantee in connection with this Condition 5.1.

this Condition 5.4 and instead request or direct the Bond Trustee to declare such Covered Bond forthwith due and payable pursuant to Condition 9.

Payments of principal in respect of Registered Covered Bonds (whether or not in Global form) will (subject as provided in this Condition 6.2) be made against presentation and surrender of such Registered Covered Bonds at the specified office of the Registrar by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency. Payments of interest in respect of Registered Covered Bonds will (subject as provided in this Condition 6.2) be made by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency and posted on the business day in the city in which the Registrar has its specified office immediately preceding the relevant due date to the holder (or to the first named of joint holders) of the Registered Covered Bond appearing on the register at the close of business on the 15th day before the relevant due date (the **Record Date**) at his address shown on the register on the Record Date. Upon application of the holder to the specified office of the Registrar not less than five business days in the city in which the Registrar has its specified office before the due date for any payment in respect of a Registered Covered Bond, the payment of principal and/or interest may be made (in the case of payment of principal against presentation and surrender of the relevant Registered Covered Bond as provided above) by transfer on the due date to an account in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of the Specified Currency subject to the provisions of the following two sentences. If the Specified Currency is Yen, payment will be made (in the case of payment to a non-resident of Japan) by cheque drawn on, or by transfer to a non-resident account. If the Specified Currency is euro, payment will be made to a euro account specified by the payee.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any such Registered Covered Bond as a result of a

cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses may be charged to such Covered Bondholders by the Registrar in respect of any payment of principal or interest in respect of the Registered Covered Bonds.

None of the Issuer, the Bond Trustee, the Covered Bond Guarantor nor the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Regulation S Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.3 Payments in respect of Bearer Global Covered Bonds

- (a) Payments of principal and interest (if any) in respect of Bearer Global Covered Bonds will (subject as provided below) be made in the manner specified in the Bearer Global Covered Bond against presentation and endorsement or surrender, as the case may be, of such Bearer Global Covered Bond at the specified office of any Paying Agent outside of the United States. A record of each payment made on such Bearer Global Covered Bond, distinguishing between any payment of principal and interest, will be made on such Bearer Global Covered Bond by the Paying Agent to which such Bearer Global Covered Bond is presented for the purpose of making such payment, and such record will (save in the case of manifest error) be conclusive evidence that the payment in question has been made.
- (b) The holder of a Bearer Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) is the only person entitled to receive payments in respect of Covered Bonds represented by such Bearer Global Covered Bond and the Issuer or, as the case may be, the Covered Bond Guarantor will be discharged by payment to, or to the order of, the holder of such Bearer Global Covered Bond (or the Bond Trustee as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Covered Bonds must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Covered Bond Guarantor to, or to the order of, the holder of the relevant Bearer Global Covered Bond (or as provided in the Bond Trust Deed, the Bond Trustee). No person other than the holder of a Bearer Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) will have any claim against the Issuer or, as the case may be, the Covered Bond Guarantor in respect of any payments due on that Bearer Global Covered Bond.

6.4 Payments of interest in U.S. dollars in respect of Bearer Covered Bonds

Notwithstanding the foregoing, payments of interest in U.S. dollars in respect of Bearer Covered Bonds will only be made at the specified office of any Paying Agent in the United States (which expression, as used in these Conditions, means the United States (including the States and District of Columbia and its possessions)) (a) if: (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount of interest on the Bearer Covered Bonds in the manner provided above when due, (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) such payment is then permitted under United States law and (b) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

6.5 Payments subject to applicable laws

Payments in respect of the Covered Bonds will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any IGA entered into in connection with the implementation of such Sections of the Code, and no additional amounts will be required to be paid on account of any

such deduction or withholding. Any such amounts withheld or deducted will be treated as paid for all purposes under the Covered Bonds and no additional amounts will be paid on the Covered Bonds with respect to any such withholding or deduction.

6.6 Unmatured Coupons and Talons

- (a) Fixed Rate Covered Bonds which are Bearer Definitive Covered Bonds (other than Long Maturity Covered Bonds (as defined in subparagraph (b))) should be presented for redemption together with all unmaturing Coupons (which expression will include Coupons falling to be issued on exchange of Talons which will have matured on or before the relevant redemption date) appertaining thereto, failing which, the amounts of any missing unmaturing Coupons (or, in the case of payment of principal not being made in full, that proportion of the aggregate amount of such missing unmaturing Coupons that the sum of principal so paid bears to the total principal amount due) will be deducted from the sum due for payment. Any amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupons at any time in the period expiring 10 years after the Relevant Date (as defined in Condition 7) for the payment of such principal, whether or not such Coupon would otherwise have become void pursuant to Condition 8 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Covered Bond which is a Bearer Definitive Covered Bond becoming due and repayable prior to its Final Maturity Date, all unmaturing Talons (if any) appertaining thereto will become void and no further Coupons in respect of any such Talons will be made or issued, as the case may be.
- (b) Upon the due date for redemption of any Floating Rate Covered Bond or Long Maturity Covered Bond which is a Bearer Definitive Covered Bond, any unmaturing Coupons or Talons relating to such Covered Bond (whether or not attached) will become void and no payment or exchange, as the case may be, will be made in respect of them. Where any such Covered Bond is presented for redemption without all unmaturing Coupons or Talons relating to it, redemption will be made only against the provision of such indemnity as the Issuer may require. A **Long Maturity Covered Bond** is a Fixed Rate Covered Bond (other than a Fixed Rate Covered Bond which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Covered Bond will cease to be a Long Maturity Covered Bond on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Covered Bond.

6.7 Payments due on non-business days

If any date for payment of principal in respect of any Registered Covered Bond or any amount in respect of any Bearer Covered Bond or Coupon is not a business day, then the holder thereof will not be entitled to payment at the place of presentation of the amount due until the next following business day (unless otherwise specified in the applicable Final Terms) and will not be entitled to any interest or other sum in respect of any such postponed payment. In addition if any date for the payment of interest by transfer to an account specified by the holder in respect of any Registered Covered Bond is not a business day, then the holder will not be entitled to payment to such account until the next following business day and will not be entitled to any interest or other sum in respect of any such postponed payment. In this Condition 6.7 **business day** means, subject as provided in the applicable Final Terms:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits):
- (i) in the relevant place of presentation;
 - (ii) in the case of Registered Covered Bonds, Sydney and London; and
 - (iii) any Additional Financial Centre specified in the applicable Final Terms; and

- (b) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the places specified in paragraph (a)) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

6.8 Payment of accrued interest

If the due date for redemption of any interest bearing Covered Bond which is a Bearer Definitive Covered Bond is not a due date for the payment of interest relating thereto, interest accrued in respect of such Covered Bond from, and including, the last preceding due date for the payment of interest (or, if none, from the Interest Commencement Date) will be paid only against surrender (or, in the case of part payment, presentation and endorsement) of such Covered Bond.

6.9 Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Paying Agent in Luxembourg (or any other Paying Agent notified by the Issuer to the Covered Bondholders in accordance with Condition 12 for the purposes of this Condition) in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Covered Bond which is a Bearer Definitive Covered Bond to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon will, for the purposes of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the Coupon sheet in which that Talon was included on issue matures.

6.10 Interpretation of principal and interest

Any reference in these Conditions to principal in respect of the Covered Bonds will be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7 or under any undertakings or covenants given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed;
- (b) the Final Redemption Amount of the Covered Bonds;
- (c) the Early Redemption Amount of the Covered Bonds;
- (d) the Optional Redemption Amount(s) (if any) of the Covered Bonds;
- (e) any premium and any other amounts (other than interest) which may be payable under or in respect of the Covered Bonds; and
- (f) any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds.

Any reference in these Conditions to interest in respect of the Covered Bonds will be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or under any undertakings given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed.

7. TAXATION

All payments of, or in respect of, principal and interest on the Covered Bonds and/or Coupons of this Series by or on behalf of the Issuer and all payments of Guaranteed Amounts by or on behalf of the Covered Bond Guarantor, as the case may be, will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever

nature imposed or levied by or on behalf of the Commonwealth of Australia or any political subdivision thereof or any authority thereof or therein having power to tax unless such taxes, duties, assessments or governmental charges are required by Australian law to be withheld or deducted. In that event, in respect of a payment made by it, the Issuer will pay such additional amounts of, or in respect of, principal and/or interest as will result (after deduction of the taxes, duties, assessments or governmental charges) in payment to the holders of the Covered Bonds of this Series and/or the Coupons relating thereto of the amounts which would otherwise have been payable in respect of the Covered Bonds of this Series or, as the case may be the Coupons relating thereto, except that no such additional amounts will be payable with respect to any Covered Bond of this Series or Coupon relating thereto presented for payment:

- (a) by or on behalf of a holder who is subject to such taxes, duties, assessments or governmental charges in respect of such Covered Bond or Coupon by reason of his being connected with the Commonwealth of Australia other than by reason only of the holding of the Covered Bond or Coupon or the receipt of payment thereon;
- (b) by or on behalf of a holder who is an associate (as that term is defined in section 128F of the Income Tax Assessment Act 1936 (the **Australian Tax Act**)) of the Issuer and the payment being sought is not, or will not be, exempt from interest withholding tax because of section 128F(6) of the Australian Tax Act;
- (c) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on the last day of such period of 30 days; or
- (d) by or on behalf of a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying with any statutory requirements in force at the present time or in the future or by making a declaration of non-residence or other claim or filing for exemption.

In addition, any amounts to be paid on the Covered Bonds will be paid net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any IGA entered into in connection with the implementation of such Sections of the Code, and no additional amounts will be required to be paid on account of any such deduction or withholding.

The **Relevant Date** in relation to any Covered Bond or Coupon of this Series means whichever is the later of:

- (i) the date on which payment in respect of such Covered Bond or Coupon first becomes due and payable; or
- (ii) if the full amount of the moneys payable in respect of such Covered Bond or Coupon has not been duly received by the Principal Paying Agent on or prior to such date, the date on which notice is duly given to the Covered Bondholders of this Series in accordance with Condition 12 that such moneys have been so received.

References in these Conditions to principal and interest will be deemed also to refer (as appropriate) (i) to any additional amounts which may be payable under this Condition 7 and (ii) to any premium which may be payable in respect of the Covered Bonds.

If any withholding or deduction is required by the Covered Bond Guarantor in respect of a payment of a Guaranteed Amount to be made by it, the Covered Bond Guarantor must pay the Guaranteed Amounts net of such withholding or deduction and must account to the appropriate Tax Authority for the amount required to be withheld or deducted. The Covered Bond Guarantor will not be obliged to pay any additional amount to the Bond Trustee or any holder of Covered Bonds and/or Coupons in respect of the amount of such withholding or deduction.

8. PRESCRIPTION

Claims for payment of principal under the Covered Bonds (whether in bearer or registered form) will be prescribed upon the expiry of 10 years, and claims for payment of interest (if any) in respect of the Covered Bonds (whether in bearer or registered form) will be prescribed upon the expiry of five years, in each case from the Relevant Date (as defined in Condition 7) therefor subject to the provisions of Condition 6. There may not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 6 or any Talon which would be void pursuant to Condition 6.

9. EVENTS OF DEFAULT AND ENFORCEMENT

9.1 Issuer Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9.1 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding, as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of the Covered Bondholders, must (but in the case of the happening of any of the events mentioned in subparagraphs (b) and (c) below, only if the Bond Trustee has certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series) (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (an **Issuer Acceleration Notice**) in writing to the Issuer that as against the Issuer (but not, for the avoidance of doubt, as against the Covered Bond Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond will, unless such event has been cured by the Issuer prior to the Issuer's receipt of the notice in writing from the Bond Trustee, thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Bond Trust Deed if any of the following events (each an **Issuer Event of Default**) occurs and is continuing:

- (a) default is made by the Issuer in the payment of any principal or interest when due, in respect of any Covered Bonds and such default continues for a period of 14 days; or
- (b) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Covered Bonds which default is incapable of remedy or which, if capable of remedy, is not remedied within 30 days after notice of such default has been given to the Issuer by the Bond Trustee; or
- (c) the Issuer becomes insolvent or it is unable to pay its debts as they mature or the Issuer applies for or consents to or suffers the appointment of a liquidator or receiver of the Issuer or the whole or substantially the whole of the undertaking, property, assets or revenues of the Issuer or takes any proceeding under any law for a readjustment or deferment of its obligations or any part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors; or
- (d) any law is passed the effect of which is to dissolve the Issuer or the Issuer ceases to carry on a general banking business in the Commonwealth of Australia or the Issuer ceases to be authorised to carry on a general banking business within the Commonwealth of Australia; or
- (e) if an Asset Coverage Test Breach Notice is served and not deemed to be revoked in accordance with the terms of the Establishment Deed on or before the next Determination Date to occur following the service of such Asset Coverage Test Breach Notice; or
- (f) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached during the Pre-Maturity Test Period and the amount standing to the credit of the Pre-Maturity Ledger of the GIC

Account is less than the aggregate Australian Dollar Equivalent of the Required Redemption Amount for each Series of Hard Bullet Covered Bonds in respect of which the Pre-Maturity Test has been breached, on the earlier to occur of:

- (A) the later of:
 - I. the date that is 10 Local Business Days from the date that the Seller is notified of that breach; and
 - II. the date that is six months prior to the Final Maturity Date of the relevant Series of Hard Bullet Covered Bonds; and
- (B) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.

Notwithstanding any other provision of this Condition 9.1, no Issuer Event of Default in respect of the Covered Bonds shall occur solely on account of any failure by the Issuer to perform or observe any of its obligations in relation to, or the taking of any proceeding or the making or entering into of any assignment, arrangement or composition in respect of, any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (each as defined by APRA from time to time).

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9.1, the Bond Trustee must immediately serve a notice to pay (the **Notice to Pay**) on the Covered Bond Guarantor pursuant to the Covered Bond Guarantee and the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts when the same become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or must take such proceedings or other action or step against the Issuer in accordance with Condition 9.3.

The Bond Trust Deed provides that all monies received by or on behalf of the Bond Trustee following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and a Notice to Pay, from the Issuer or any receiver, liquidator, administrator, receiver and manager, statutory manager or other similar official appointed in relation to the Issuer (the **Excess Proceeds**), must be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor for its own account, as soon as practicable, and must be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds will thereafter form part of the Security and must be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Security Deed and the Establishment Deed. Any Excess Proceeds received by the Bond Trustee will discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds and Coupons (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds are required to be repaid by the Covered Bond Guarantor) (but will be deemed not to have done so for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by the Bond Trust Deed). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and a Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds and payment to the Covered Bond Guarantor of such Excess Proceeds will not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

9.2 Covered Bond Guarantor Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose

and the purpose of any Extraordinary Resolution referred to in this Condition 9.2 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of all the Covered Bondholders, must (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), but in the case of the happening of any of the events described in paragraph (b) or (c), only if the Bond Trustee has certified in writing to the Issuer and the Covered Bond Guarantor that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the **Covered Bond Guarantee Acceleration Notice**) in writing to the Issuer and to the Covered Bond Guarantor, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series will as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Covered Bond Guarantor under the Covered Bond Guarantee will thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Bond Trust Deed and thereafter the Security will become enforceable if any of the following events (each a **Covered Bond Guarantor Event of Default**) has occurred and is continuing:

- (a) default is made by the Covered Bond Guarantor for a period of 14 days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment on the Extended Due for Payment Date under Condition 5.1 where the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts which relate to the Final Redemption Amount and which are Due for Payment on the Extended Due for Payment Date; or
- (b) if default is made by the Covered Bond Guarantor in the performance or observance of any other obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Bond Trust Deed, the Security Deed or any other Programme Document to which the Covered Bond Guarantor is a party (other than the Programme Agreement, the U.S Distribution Agreement or any Subscription Agreement) and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Covered Bond Guarantor requiring the same to be remedied; or
- (c) the Covered Bond Guarantor retires or is removed, or is required to retire or be removed as trustee of the Trust in accordance with the Establishment Deed and another trustee is not appointed as trustee of the Trust in accordance with the Establishment Deed within 60 days of the occurrence of that event; or
- (d) a failure to satisfy the Amortisation Test (as set out in the Establishment Deed) on any Determination Date following service of a Notice to Pay on the Covered Bond Guarantor; or
- (e) the Covered Bond Guarantee is not, or is claimed by the Covered Bond Guarantor not to be, in full force and effect.

Following the occurrence of a Covered Bond Guarantor Event of Default and service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer, each of the Bond Trustee and the Security Trustee may or must take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9.3 and the Bond Trustee will have a claim against the Covered Bond Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7 as provided in the Bond Trust Deed in respect of each Covered Bond).

9.3 Enforcement

The Bond Trustee may at any time, at its discretion and without further notice, following service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following service of a Covered Bond Guarantee Acceleration Notice (in the case of the Covered Bond Guarantor) take such proceedings or other action or step as it may think fit against or in relation to the Issuer and/or the Covered Bond Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed, the Covered Bonds and the Coupons or any other Programme Document, but it will not be bound to take any such enforcement proceedings or other action or step in relation to the Bond Trust Deed, the Covered Bonds or the Coupons or any other Programme Document unless (i) it has been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) and (ii) it has been indemnified and/or secured and/or prefunded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

The Bond Trustee may at any time, following service of a Covered Bond Guarantee Acceleration Notice at its discretion and without further notice, direct the Security Trustee to take such actions, steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Deed or any other Programme Document and may, at any time after the Security has become enforceable, direct the Security Trustee to take such steps as it may think fit to enforce the Security, but it will not be bound to give any such direction and the Security Trustee or the Bond Trustee will not be bound to take any such proceedings, steps or actions unless: (i) the Bond Trustee has been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid); and (ii) the Bond Trustee has been indemnified and/or secured and/or prefunded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph each of the Bond Trustee and the Security Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

No Covered Bondholder or Couponholder will be entitled to institute proceedings directly against the Issuer or the Covered Bond Guarantor or to take any step or action with respect to the Bond Trust Deed, the Covered Bonds, the Coupons, or the Security unless the Bond Trustee or the Security Trustee, as applicable, having become bound so to proceed, fails so to do within a reasonable time and such failure is continuing in which event any Covered Bondholder or Couponholder may itself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds and Coupons and/or the Bond Trust Deed).

9.4 Directions of Security Trustee by Bond Trustee

The Security Trustee will not be obliged to take any steps under any of the Programme Documents or exercise any of its powers, rights, trusts, authorities, duties, functions or discretions under any of the Programme Documents to which the Security Trustee is a party without first taking instructions from

the Bond Trustee (provided that the Security Trustee will never be entitled to seek or receive instructions from the Bond Trustee in relation to clause 21 of the Security Deed or in relation to investing in Authorised Investments) and having been indemnified and/or secured to its satisfaction as aforesaid and provided always that the Security Trustee will not be bound to take any enforcement proceedings which may, in the opinion of the Security Trustee in its absolute discretion, result in the Security Trustee failing to receive any payment to which it is or would be entitled. The Security Trustee may exercise a right, power or discretion without receiving any instructions from the Bond Trustee if the Covered Bondholders or, if there are none, the Security Trustee reasonably believes that it is in the best interests of the Secured Creditors that it does so.

In the event that the Bond Trustee is (i) requested by the Security Trustee, or (ii) required by the holders of the Covered Bonds, to provide the Security Trustee with instructions, the Bond Trustee must do so (save where expressly provided otherwise), in relation to (i) only, in its absolute discretion subject to and in accordance with these presents or, in relation to both (i) and (ii) if so requested in writing by the holders of not less than 25 per cent. in aggregate of the Principal Amount Outstanding of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) or directed by an Extraordinary Resolution of the holders of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) subject in each case to the Bond Trustee being indemnified and/or secured and/or prefunded to its satisfaction prior to it giving any instructions to the Security Trustee. The Bond Trustee will be entitled to request the Covered Bondholders (voting as aforesaid) to direct it in relation to any matter in relation to which the Security Trustee has requested instructions, the Bond Trustee will have no obligation to monitor the performance of the Security Trustee and will have no liability to any person for the performance or non-performance of the Security Trustee. In no circumstances will the Bond Trustee be required to indemnify, secure or prefund the Security Trustee.

An Extraordinary Resolution passed at a meeting of Covered Bondholders duly convened and held in accordance with the Bond Trust Deed is binding upon the Security Trustee and all the Secured Creditors whether present or not present at such meeting and each of such Secured Creditors and, subject to the provisions of the Security Deed, the Security Trustee is bound to give effect to the Extraordinary Resolution. The Security Trustee is not required to do or omit to do any act if, in the opinion of the Security Trustee, this might cause it to breach a law, a Programme Document, a fiduciary duty or an obligation owed to another person.

10. MEETINGS OF COVERED BONDHOLDERS, MODIFICATION, WAIVER, SUBSTITUTION AND RATINGS AGENCIES

Covered Bondholders Couponholders and other Secured Creditors should note that the Issuer, the Covered Bond Guarantor and the Principal Paying Agent may without their consent or the consent of the Bond Trustee or the Security Trustee agree to modify any provision of any Final Terms or any Pricing Supplement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with any mandatory provisions of law.

10.1 Meetings

The quorum at any such meeting in respect of the Covered Bonds of any Series for passing an Extraordinary Resolution (other than in respect of a Series Reserved Matter) is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing the Covered Bondholders of such Series whatever the Principal Amount Outstanding of the Covered Bonds of such Series so held or represented, except

The expression Extraordinary Resolution when used in these Conditions means: (i) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Bond Trust Deed by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; or (ii) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than three-fourths in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders; or (iii) a resolution passed by way of electronic consents given by holders through the relevant clearing system(s) (in a form satisfactory to the Bond Trustee) by or on behalf of the Covered Bondholders of not less than three-fourths in Principal Amount Outstanding for the time being outstanding of the Covered Bonds (of the relevant Series or all Series, as applicable). An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series will, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting, and on all Couponholders in respect of such Series of Covered Bonds. Pursuant to the Bond Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the respective interests of such Covered Bondholders, in which event the provisions of this paragraph will apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9.1 or to give a Covered Bond Guarantee Acceleration Notice pursuant to Condition 9.2 or to direct the Bond Trustee or the Security Trustee or to direct the Bond Trustee to direct the Security Trustee to take any enforcement action or to direct the Bond Trustee to determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed (each a **Programme Resolution**) and will only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Covered Bond Guarantor or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the Principal Amount Outstanding of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series will be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting, and on all related Couponholders.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Australian Dollars, the Principal Amount Outstanding of the Covered Bonds of any Series not denominated in Australian Dollars must be converted into Australian Dollars at the relevant Swap Rate.

10.2 Modification and waiver

The Bond Trustee may, without the consent or sanction of any of the Covered Bondholders of any Series, the related Couponholders and without the consent or sanction of the other Secured Creditors (other than any Secured Creditor who is party to the relevant document), at any time and from time to time, concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust

Manager) or any other party and/or direct the Security Trustee to concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust Manager) or any other party in making:

- (i) any modification (other than in relation to a Series Reserved Matter) to the Covered Bonds of one or more Series, the related Coupons or any Programme Document which in the opinion of the Bond Trustee is not materially prejudicial to the interests of the Covered Bondholders of any Series;
- (ii) any modification to the Covered Bonds of one or more Series, the related Coupons or any Programme Document which is in the opinion of the Bond Trustee is (A) of a formal, minor or technical nature, (B) made to correct a manifest error or (C) made to comply with mandatory provisions of law (and for the purpose of this item (C), the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter).

In forming its opinion as to whether the Covered Bonds or any one or more Series, the related Coupons or any Programme Document is subject to a manifest error, the Bond Trustee may have regard to any evidence which it considers reasonably to rely on (including a certificate from the Issuer as to certain matters and a Rating Affirmation Notice issued by the Issuer).

Notwithstanding the above the Bond Trustee will not be obliged to agree to any amendment, which, in the sole opinion of the Bond Trustee, would have the effect of: (x) exposing the Bond Trustee, to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (y) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee, in the Programme Documents and/or the Conditions.

The Bond Trustee may without the consent or sanction of any of the Covered Bondholders of any Series, the related Couponholders and without the consent of any other Secured Creditor and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time but only if in so far as in its opinion the interests of the Covered Bondholders of any Series will not be materially prejudiced thereby, waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed, PROVIDED ALWAYS THAT the Bond Trustee must not exercise any powers conferred on it in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9.1 or 9.2 but so that no such direction or request will affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, will be binding on the Covered Bondholders, the related Couponholders and, if, but only if, the Bond Trustee requires, must be notified by the Issuer or the Trust Manager (on behalf of the Covered Bond Guarantor) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Subject to as provided below, the Bond Trustee will be bound to waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed if it is: (i) in the case of such waiver or authorisation, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of

the Covered Bonds of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (ii), in the case of any such determination, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars as aforesaid), and at all times then only if it is indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

The Security Trustee may, without the consent of the Covered Bondholders and/or Couponholders of any Series and without the consent of the other Secured Creditors and without prejudice to their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time, but only if (for so long as any Covered Bonds are outstanding) it is instructed by the Bond Trustee in accordance with the Bond Trust Deed or (if no Covered Bonds are outstanding) it is instructed by the Majority Secured Creditors, authorise or waive any breach or proposed breach of any of the covenants or provisions contained in the Covered Bonds of any Series or any Programme Document or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Security Deed. Any such authorisation, waiver or determination will be binding on the Covered Bondholders and/or Couponholders and the other Secured Creditors and, unless the Bond Trustee otherwise agrees, must be notified by the Issuer or the Covered Bond Guarantor (acting on the directions of the Trust Manager) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Any such modification, waiver, authorisation or determination will be binding on all the Covered Bondholders of all Series of Covered Bonds for the time being outstanding, the related Couponholders and the other Secured Creditors, and unless the Bond Trustee otherwise agrees, any such modification must be notified by the Issuer, to the Covered Bondholders of all Series of Covered Bonds in accordance with Condition 12 and to the Rating Agencies as soon as practicable thereafter.

Where in connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee are required to have regard to the general interests of the Covered Bondholders of each Series as a class (but must not have regard to any interests arising from circumstances particular to individual Covered Bondholders or Couponholders whatever their number) and, in particular but without limitation, must not have regard to the consequences of any such exercise for individual Covered Bondholders, the related Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee will not be entitled to require, nor will any Covered Bondholder or Couponholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders and/or Couponholders, except to the extent already provided for in Condition 7 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 7 pursuant to the Bond Trust Deed.

The Bond Trustee and Security Trustee must concur in and effect any modifications to the Programme Documents that are requested by the Issuer, the Covered Bond Guarantor or the Trust Manager to (a) accommodate the accession of a new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme provided that (i) each of the Swap Providers provide written confirmation to the Security Trustee and the Bond Trustee consenting to

such modification of those documents to which they are a party (such consent not to be unreasonably withheld); (ii) the Trust Manager has certified to the Security Trustee and the Bond Trustee in writing that such modifications are required in order to accommodate the addition of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme; (iii) the Trust Manager has certified to the Security Trustee and the Bond Trustee that all other conditions precedent to the accession of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme set out in the Programme Documents have been satisfied at the time of the accession; (b) take into account any changes in the covered bonds ratings criteria of the Rating Agencies where, absent such modifications, the Issuer is reasonably satisfied following discussions with the relevant Rating Agency (and has provided a certificate in writing to the Bond Trustee and the Security Trustee to that effect) that the rating assigned by the relevant Rating Agency to one or more Series of Covered Bonds may be subject to a downgrade, qualification or withdrawal and even if such changes are, or may be, prejudicial or materially prejudicial to the interests of the Covered Bondholders of any Series; (c) allow a Swap Provider to transfer securities as Swap Collateral under a relevant Swap Agreement Credit Support Annex, including to appoint a custodian to hold such securities in a custody account pursuant to a custody agreement; (d) ensure compliance of the Programme or the Issuer, as applicable, with, or ensure that the Issuer may benefit from, any existing, new or amended legislation, regulation, directive, prudential standard or prudential guidance note of any regulatory body (including APRA) in relation to covered bonds provided that the Trust Manager has certified to the Bond Trustee and the Security Trustee in writing that such modifications are required in order to comply with or benefit from such legislation, regulation, directive, prudential standard or prudential guidance note, as the case may be; (e) effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.7(c) without the consent of the Covered Bondholders or the Couponholders; or (f) take into account any new covered bonds ratings criteria of the Rating Agencies, or any changes or updates to, or any replacement of, the covered bonds ratings criteria of the Rating Agencies (including, without limitation, any manner in which a Rating Agency applies or construes any then existing covered bonds ratings criteria), subject to receipt by the Bond Trustee and the Security Trustee of a Rating Affirmation Notice from the Issuer and receipt by the Bond Trustee and the Security Trustee of a certificate signed by two Authorised Signatories of the Issuer or the Trust Manager each certifying to the Bond Trustee and the Security Trustee that such modifications are required in order to take into account, apply or construe any such new covered bonds ratings criteria of the Rating Agencies, or any such changes or updates to, any replacement of, or any application or construction of the covered bonds ratings criteria of the Rating Agencies.

10.3 Substitution

The Bond Trust Deed provides that in connection with any scheme of amalgamation or reconstruction of the Issuer not involving the bankruptcy or insolvency of the Issuer and (A) where the Issuer does not survive the amalgamation or reconstruction or (B) where all or substantially all of the assets and business of the Issuer will be disposed of to, or succeeded to, by another entity (whether by operation of law or otherwise), the Bond Trustee will, if requested by the Issuer, be obliged, without the consent or sanction of the Covered Bondholders or Couponholders, at any time to agree to the substitution in the place of the Issuer (or of the previous substitute) as principal debtor under the Bond Trust Deed (the **Substituted Debtor**) being the entity with and into which the Issuer amalgamates or the entity to which all or substantially all of the business and assets of the Issuer is transferred, or succeeded to, pursuant to such scheme of amalgamation or reconstruction (whether by operation of law or otherwise), subject to:

- (i) the Substituted Debtor entering into a supplemental trust deed or some other form of undertaking in form and manner satisfactory to the Bond Trustee agreeing to be bound by the Bond Trust Deed with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the Substituted Debtor had been named in the Bond Trust Deed as principal debtor in place of the Issuer;

- (ii) the Substituted Debtor acquiring or succeeding to pursuant to such scheme of amalgamation or reconstruction all or substantially all of the assets and business of the Issuer;

- (iv) the supplemental trust deed containing a warranty and representation by the Substituted Debtor that (A) the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Debtor of liability as principal debtor in respect of, and of its obligations under, the supplemental trust deed and the Covered Bonds; (B) such approvals and consents are at the time of substitution in full force and effect; and (C) the obligations assumed by the Substituted Debtor under the supplemental trust deed are legal, valid and binding in accordance with their respective terms;
- (v) confirmations being received by the Bond Trustee from each Rating Agency that the substitution will not adversely affect the then current rating of the Covered Bonds;
- (vi) where the Substituted Debtor is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of a territory other than or in addition to Australia, undertakings or covenants in form and manner satisfactory to the Bond Trustee being given by the Substituted Debtor in terms corresponding to the provisions of Condition 7 with the substitution for (or, as the case may be, the addition to) the references to Australia of references to that other or additional territory in which the Substituted Debtor is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and (where applicable) Condition 5.2 being modified accordingly;

- (viii) if two directors of the Substituted Debtor (or other officer acceptable to the Bond Trustee) certifying that the Substituted Debtor is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Bond Trustee may rely on absolutely without liability to any person) and the Bond Trustee must not have regard to the financial condition, profits or prospects of the Substituted Debtor or compare the same with those of the Issuer;
- (ix) the Issuer and the Trust Manager, delivering to the Bond Trustee legal opinions obtained from lawyers of international repute in (a) England and Wales and (b) the jurisdiction of incorporation of the Substituted Debtor in form and substance satisfactory to the Bond Trustee; and

In addition, subject as further provided in the Bond Trust Deed, the Bond Trustee may without the consent or sanction of the Covered Bondholders or Couponholders at any time agree to the substitution in place of the Issuer (or any previous substitute under this Condition 10.3) as the principal debtor under the Covered Bonds, Coupons and the Bond Trust Deed or any other corporation subject to certain other conditions set out in the Bond Trust Deed being complied with.

Any substitution pursuant to this Condition 10.3 will be binding on the Covered Bondholders and must be notified in a form previously approved by the Bond Trustee by the new Issuer to the Covered Bondholders not later than 14 days after any such substitution in accordance with Condition 12.

10.4 Rating Agencies

If:

- (i) a confirmation or affirmation of rating or other response by a Rating Agency is a condition to any action or step under any Programme Document; and
- (ii) the Issuer has delivered to the Covered Bond Guarantor (copied to the Seller and each Rating Agency) written confirmation that it has notified the Rating Agencies of the action or step and that the Trust Manager is satisfied, following discussions with the Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Rating Agencies and the Rating Agency does not consider such confirmation necessary,

the parties will be entitled to assume that the then current rating of the Covered Bonds from that Rating Agency will not be downgraded, qualified or withdrawn by such Rating Agency as a result of such action or step.

The Bond Trustee will be entitled to treat as conclusive a certificate signed by an Authorised Officer of the Issuer or the Covered Bond Guarantor as to any matter referred to in (ii) above and the Bond Trustee will not be responsible for any Liability that may be caused as a result.

For the purposes of this Condition 10:

Series Reserved Matter in relation to Covered Bonds of a Series means any proposal:

- (i) to amend the dates of maturity or redemption of the Covered Bonds, or any date for payment of interest or Interest Amounts on the Covered Bonds or the obligation of the Issuer to pay additional amounts pursuant to Condition 7, (ii) to reduce or cancel the Principal Amount Outstanding of, or any premium payable on redemption of, the Covered Bonds, (iii) to reduce the rate or rates of interest in respect of the Covered Bonds or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Covered Bonds (other than any variation arising from the occurrence of a Benchmark Event or otherwise by the discontinuation of any interest rate benchmark used to determine the amount of any payment in respect of the Covered Bonds (including any Benchmark Amendment)), (iv) if a Minimum and/or a Maximum Rate of Interest, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is set out in the applicable Final Terms, to reduce any such amount, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or Specified Denomination of the Covered Bonds, (vii) to take any steps that as specified in the applicable Final Terms may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, (viii) to modify the provisions concerning the quorum required at any meeting of Covered Bondholders or the majority required to pass the Extraordinary Resolution, (ix) to amend the Covered Bond Guarantee or the Security Deed (other than

11. REPLACEMENT OF COVERED BONDS, COUPONS AND TALONS AND EXCHANGE OF TALONS

Should any Covered Bond, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced subject to applicable laws, regulations and listing authority, stock exchange and/or quotation system regulations at the specified office of the Principal Paying Agent in London (in the case of Bearer Covered Bonds, Coupons or Talons) or the specified office of the Registrar (in the case of Registered Covered Bonds), or any other place approved by the Bond Trustee of which notice has been published in accordance with Condition 12 upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Covered Bond, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there will be paid to the Issuer on demand the amount payable by the Issuer in respect of such Covered Bonds, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Covered Bonds, Coupons or Talons must be surrendered before replacements will be issued.

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Bearer Covered Bond to which it appertains) a further Talon, subject to the provisions of Condition 8.

12. NOTICES

All notices regarding the Bearer Covered Bonds will be valid if published in a leading English language daily newspaper of general circulation in London. It is expected that any such newspaper publication will be made in the *Financial Times* in London. The Issuer must also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Bearer Covered Bonds are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers or where published in such newspapers. If publication as provided above is not practicable, a notice will be given in such other manner, and will be deemed to have been given on such date, as the Bond Trustee may approve.

All notices regarding the Registered Covered Bonds will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Covered Bonds are admitted to trading on a stock exchange and the rules of that stock exchange (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any Definitive Covered Bonds are issued, there may, so long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) or such mailing the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the Covered Bondholders and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to trading by any other relevant authority and the rules of that stock exchange, or as the case may be, other relevant authority so require, such notice or notices will be

published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice will be deemed to have been given to the Covered Bondholders on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Covered Bondholder must be in writing and given by lodging the same, together (in the case of any Covered Bond in Definitive form) with the relative Covered Bond or Covered Bonds, with the Agent (in the case of the Bearer Covered Bonds) or the Registrar (in the case of Registered Covered Bonds). Whilst any of the Covered Bonds are represented by a Global Covered Bond, such notice may be given by any holder of a Covered Bond to the Principal Paying Agent or the Registrar through Euroclear, Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent, the Registrar, Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

13. FURTHER ISSUES

The Issuer will be at liberty from time to time without the consent of the Covered Bondholders or the Couponholders to create and issue further bonds having terms and conditions the same as the Covered Bonds of any Series or the same in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same can be consolidated and form a single Series with, and will be fungible for United States federal tax purposes with, the outstanding Covered Bonds of such Series.

14. INDEMNIFICATION OF THE BOND TRUSTEE AND THE SECURITY TRUSTEE AND THE BOND TRUSTEE AND SECURITY TRUSTEE CONTRACTING WITH THE ISSUER AND/OR THE COVERED BOND GUARANTOR

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the Covered Bondholders of any one or more Series would be materially prejudiced thereby, the Bond Trustee must not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders of the relevant Series by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding or as otherwise required under the Programme Documents.

The Bond Trust Deed and the Security Deed contain provisions for the indemnification of the Bond Trustee and the Security Trustee and for their relief from responsibility, including provisions relieving them from taking any action unless indemnified and/or secured and/or prefunded to their satisfaction.

The Bond Trust Deed and the Security Deed also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, inter alia: (i) to enter into business transactions with the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders or Couponholders or the other Secured Creditors and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

Neither the Bond Trustee nor the Security Trustee will be responsible for any loss, expense or liability which may be suffered as a result of any Mortgage Loan Rights or any Charged Property, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons whether or not on behalf of the Bond Trustee and/or the Security Trustee. Neither the Bond Trustee nor the Security Trustee will be responsible for inter alia: (i) supervising the performance by the Issuer or any other party to the Programme Documents or, in relation to Condition 4.7, any Independent Adviser, of their respective obligations under the Programme Documents and the Bond Trustee and

the Security Trustee will be entitled to assume, until they each have written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Programme Documents under the Programme Documents; (iii) monitoring the Mortgage Loan Rights forming part of the Assets of the Trust, including whether the Asset Coverage Test is satisfied or otherwise or the Amortisation Test is satisfied or otherwise; (iv) monitoring whether Mortgage Loans are Eligible Mortgage Loans or (v) monitoring whether the Issuer is in breach of the Pre-Maturity Test. Neither the Bond Trustee nor the Security Trustee will be liable to any Covered Bondholder or other Secured Creditor for (a) any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent secured creditor in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Programme Documents, or (b) in relation to Condition 4.7, the acts or omissions of any Independent Adviser.

The Bond Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Programme Documents until it has been indemnified and/or secured and/or prefunded to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and proceedings which might be sustained by it as a result and will not be required to do anything which may cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authorities or discretions if it has reasonable grounds for believing that repayment of such funds or adequate indemnity, security or prefunding against such liability is not assured to it.

15. LIMITED RECOURSE AND NON-PETITION

15.1 Only the Security Trustee may pursue the remedies available under the general law or under the Security Deed to enforce the Security and no Transaction Party will be entitled to proceed directly against the Covered Bond Guarantor to enforce the Security. In particular, each Transaction Party (other than the Covered Bond Guarantor and the Security Trustee) has agreed with and acknowledges to each of the Covered Bond Guarantor and the Security Trustee, and the Security Trustee agreed with and acknowledged to the Covered Bond Guarantor, that:

- (a) none of the Transaction Parties (nor any person on their behalf, other than the Security Trustee where appropriate) is entitled, otherwise than as permitted by the Programme Documents, to direct the Security Trustee to enforce the Security or take any proceedings against the Covered Bond Guarantor to enforce the Security;
- (b) none of the Transaction Parties (other than the Security Trustee) will have the right to take or join any person in taking any steps against the Covered Bond Guarantor for the purpose of obtaining payment of any amount due from the Covered Bond Guarantor to any of such Transaction Parties;
- (c) until the date falling two years after the Vesting Date none of the Transaction Parties nor any person on their behalf may initiate or join any person in initiating an Insolvency Event in relation to the Trust other than a Receiver appointed under clause 15 of the Security Deed; and

Any payment made by the Covered Bond Guarantor under the Covered Bond Guarantee will (unless such obligation has been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to Condition 9) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds except where such payment has been declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the Covered Bondholders.

4. INTEREST

The applicable Final Terms will indicate whether the Covered Bonds are Fixed Rate Covered Bonds or Floating Rate Covered Bonds.

4.1 Interest on Fixed Rate Covered Bonds

This Condition 4.1 applies to Fixed Rate Covered Bonds only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4.1 for full information on the manner in which interest is calculated on Fixed Rate Covered Bonds. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

- (a) Each Fixed Rate Covered Bond bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Final Terms. Interest in respect of Fixed Rate Covered Bonds will accrue in respect of each Fixed Interest Period (which expression will in these Conditions mean the period from (and including) an Interest Payment Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

If the Covered Bonds are Definitive Covered Bonds and if a Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable on each Interest

Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount or the Broken Amount (if any) so specified.

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Fixed Rate Covered Bond (or, in the case of the redemption of part only of a Fixed Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event, interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Fixed Rate Covered Bond up to that day are received by or on behalf of the holder of such Fixed Rate Covered Bond and (ii) the day which is seven days after the date on which the U.S. Paying Agent has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date.

- (b) Except in the case of Covered Bonds which are Definitive Covered Bonds where a Fixed Coupon Amount or Broken Amount, is specified in the applicable Final Terms, the U.S. Paying Agent will calculate the amount of interest (the Interest Amount) payable in respect of any period by applying the Rate of Interest to:
- (i) in the case of Fixed Rate Covered Bonds which are Registered Global Covered Bonds, the aggregate Calculation Amount of the Fixed Rate Covered Bonds represented by such Registered Global Covered Bonds; or
 - (ii) in the case of Fixed Rate Covered Bonds which are Definitive Covered Bonds, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond which is a Definitive Covered Bond is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond will be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

The calculation of each Interest Amount by the U.S. Paying Agent shall (in the absence of manifest error) be final and binding upon all parties.

In this Condition 4.1, **Day Count Fraction** has the meaning given to it in Condition 4.3.

In these Conditions, **sub-unit** means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

4.2 Interest on Floating Rate Covered Bonds

This Condition 4.2 applies to Floating Rate Covered Bonds only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4.2 for full information on the manner in which interest is calculated on Floating Rate Covered Bonds. In particular, the applicable Final Terms will specify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due (if it is not the U.S. Paying Agent), the Margin, any maximum or minimum interest rates and the

Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

(a) *Interest Payment Dates*

Each Floating Rate Covered Bond bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an Interest Payment Date) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each period from and including an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Covered Bonds become payable on a date other than an Interest Payment Date (each such period, a **Floating Interest Period** and, together with a Fixed Interest Period, each an **Interest Period**). If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

(b) *Interest Payments and Accrual*

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Floating Rate Covered Bond (or, in the case of the redemption of part only of a Floating Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Floating Rate Covered Bond up to that day are received by or on behalf of the holder of such Floating Rate Covered Bond and (ii) the day which is seven days after the date on which the U.S. Paying Agent has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date.

(c) *Rate of Interest*

The Rate of Interest payable from time to time in respect of each Floating Rate Covered Bond will be determined in the manner specified in the applicable Final Terms.

(d) *ISDA Determination for Floating Rate Covered Bonds*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Floating Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the

Margin (if any). For the purposes of this Condition 4.2(d), **ISDA Rate** for a Floating Interest Period means a rate equal to the Floating Rate that would be determined by the U.S. Paying Agent or any other person specified in the applicable Final Terms under an interest rate swap transaction if the U.S. Paying Agent or that other person were acting as calculation agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated (the **ISDA Definitions**) as at the Issue Date of the first Tranche of the Covered Bonds, and under which:

- (i) the Floating Rate Option is as specified in the applicable Final Terms;
- (ii) the Designated Maturity is a period specified in the applicable Final Terms;
- (iii) the relevant Reset Date is the day specified in the applicable Final Terms; and
- (iv) the definition of **Fallback Observation Day** in the ISDA Definitions shall be deemed deleted in its entirety and replaced with the following: *Fallback Observation Day means, in respect of a Reset Date and the Calculation Period (or any Compounding Period included in that Calculation Period) to which that Reset Date relates, unless otherwise agreed, the day that is five Business Days preceding the related Payment Date.*

For the purposes of this Condition 4.2(d), **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

When this Condition 4.2(d) applies, in respect of each relevant Floating Interest Period:

- (i) the Rate of Interest for such Floating Interest Period will be the rate of interest determined by the U.S. Paying Agent or other person specified in the applicable Final Terms in accordance with this Condition 4.2(d); and
 - (ii) the U.S. Paying Agent or other person specified in the applicable Final Terms will be deemed to have discharged its obligations under Condition 4.2(k) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Floating Interest Period in the manner provided in this Condition 4.2(d).
- (e) *Screen Rate Determination for Floating Rate Covered Bonds not referencing Compounded Daily SONIA or Compounded Daily SOFR*
- (i) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate is specified in the applicable Final Terms as being "EURIBOR", the Rate of Interest for a Floating Interest Period will, subject to Condition 4.7 and subject as provided below, be either:
 - (A) the offered quotation; or
 - (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being EURIBOR, specified in the applicable Final Terms) which appears on the Relevant Screen Page (or such replacement page on that service which displays the information) as at 11.00 a.m. (Brussels time, in case of EURIBOR) (the **Specified Time**) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final

Terms) the Margin (if any), all as determined by the U.S. Paying Agent or other person specified in the applicable Final Terms. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the U.S. Paying Agent or that other person for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (ii) In the event that the Relevant Screen Page is not available or if, in the case of Condition 4.2(e)(i)(A), no such offered quotation appears or, in the case of Condition 4.2(e)(i)(B), fewer than three of the offered quotations appear, in each case as at the Specified Time, the Issuer shall request each of the Reference Banks (as defined below) to provide the Principal Paying Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent with such offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent.
- (iii) If on any Interest Determination Date one only or none of the Reference Banks provides the Principal Paying Agent with such an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the Reserve Interest Rate. The **Reserve Interest Rate** shall be the rate per annum which the Principal Paying Agent determines to be either (i) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (at the request of the Issuer) the Principal Paying Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Principal Paying Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), or (ii) in the event that the U.S. Paying Agent can determine no such arithmetic mean, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In this Condition 4.2(e)(iii), the expression **Reference Banks** means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the

Euro-zone inter-bank market, in each case as selected by the U.S. Paying Agent, who may consult the Issuer.

Where the Specified Denomination of a Floating Rate Covered Bond which is a Definitive Covered Bond is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Covered Bond will be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Where Linear Interpolation is specified as applicable in respect of a Floating Interest Period in the applicable Final Terms, the Rate of Interest for such Floating Interest Period shall be calculated by the Principal Paying Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Floating Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant

Floating Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Principal Paying Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year;

or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then if the Business Day Convention specified is::

- (i) in the case where a Specified Period is specified in accordance with Condition 4.1(a), the Floating Rate Convention, such Interest Payment Date (A) in the case of (x) above, must be the last day that is a Business Day in the relevant month and the provisions of (b) below will apply *mutatis mutandis* or (B) in the case of (y) above, must be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date (or other date) must be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date will be the last Business Day of the last month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (ii) the Following Business Day Convention, such Interest Payment Date will be postponed to the next day which is a Business Day; or

4.4 [Reserved]

4.5 [Reserved]

4.6 [Reserved]

4.7 **Benchmark Discontinuation**

Notwithstanding the provisions in Condition 4.2, (in the case of Floating Rate Covered Bonds other than where the Reference Rate is specified in the applicable Final Terms as being Compounded Daily SOFR, in which case the provisions of this Condition 4.7 shall not apply) if the Issuer (acting in good faith and in a commercially reasonable manner) determines that a Benchmark Event has occurred in

relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to that Original Reference Rate, then the following provisions of this Condition 4.7 shall apply.

(a) *Successor Rate or Alternative Rate*

If there is a Successor Rate, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders of such Successor Rate and that Successor Rate shall (subject to adjustment as provided in Condition 4.7(b)) subsequently be used by the Principal Paying Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.7).

If there is no Successor Rate but the Issuer, acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser, determines that there is an Alternative Rate, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders of such Alternative Rate and that Alternative Rate shall (subject to adjustment as provided in Condition 4.7(b)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Covered Bonds (subject to the further operation of this Condition 4.7).

(b) *Adjustment Spread*

If, in the case of a Successor Rate, an Adjustment Spread is formally recommended, or provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body, then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent shall apply such Adjustment Spread to the Successor Rate for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate.

If, in the case of a Successor Rate where no such Adjustment Spread is formally recommended, or provided as an option by any Relevant Nominating Body, or in the case of an Alternative Rate, the Issuer, acting in good faith, in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser, determines that there is an Adjustment Spread in customary market usage in the international debt capital markets for transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be), then the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) shall, apply such Adjustment Spread to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

If no such recommendation or option has been made (or made available) by any Relevant Nominating Body, or the Issuer so determines that there is no such Adjustment Spread in customary market usage in the international debt capital markets and the Issuer further determines, acting in good faith and in a commercially reasonable manner and following consultation with an Independent Adviser, that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be), then the Adjustment Spread shall be:

- (i) the Adjustment Spread determined by the Issuer, acting in good faith, in a commercially reasonable manner and following consultation with an Independent Adviser, as being the Adjustment Spread recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (ii) if there is no such industry standard recognised or acknowledged, such Adjustment Spread as the Issuer, acting in good faith, in a commercially reasonable manner and following consultation with an Independent Adviser, determines to be appropriate having regard to the objective, so far as is reasonably practicable in the circumstances, of reducing or eliminating any economic prejudice or benefit (as the case may be) to Covered Bondholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be).

Following any such determination of the Adjustment Spread, the Issuer shall, prior to the date which is five Business Days prior to the relevant Interest Determination Date, notify the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders of such Adjustment Spread and the Principal Paying Agent shall apply such Adjustment Spread to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(c) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.7 and the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) determines in its discretion (A) that amendments to these Conditions and/or the Bond Trust Deed and/or the Principal Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the **Benchmark Amendments**) and (B) the terms of the Benchmark Amendments, then the Issuer, the Bond Trustee and the Agents shall, subject to the following paragraphs of this Condition 4.7(c) and subject to the Issuer having to give notice thereof to the Covered Bondholders in accordance with Condition 12 and to the Bond Trustee and the party responsible for determining the Rate of Interest (being the Principal Paying Agent) in accordance with this Condition 4.7(c), without any requirement for the consent or approval of Covered Bondholders, agree to the necessary modifications to these Conditions and/or Bond Trust Deed and/or the Principal Agency Agreement to give effect to such Benchmark Amendments at the request of the Issuer, but subject to receipt by the Bond Trustee and the Principal Paying Agent of the certificate referred to in the penultimate paragraph of this Condition 4.7(c), and subject as provided below, the Bond Trustee and the Agents (as applicable) shall (at the expense of the Issuer), without any requirement for the consent or approval of the Covered Bondholders and without liability to the Covered Bondholders or any other person, be obliged to concur with the Issuer in effecting any such

Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Bond Trust Deed) with effect from the date specified in such notice.

In connection with any such modifications in accordance with this Condition 4.7(c), if and for so long as the Covered Bonds are admitted to trading and listed on the official list of a stock exchange, the Issuer shall comply with the rules of that stock exchange.

Notwithstanding any other provision of this Condition 4.7(c), neither the Bond Trustee nor any Agent shall be obliged to concur with the Issuer and the Covered Bond Guarantor, and/or (in the case of the Bond Trustee) direct the Security Trustee to concur with the Issuer and the Covered Bond Guarantor in respect of any Benchmark Amendments which, in the sole opinion of the Bond Trustee or the relevant Agent (as applicable), would have the effect of (i) exposing the Bond Trustee or the relevant Agent (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protections, of the Bond Trustee or the relevant Agent (as applicable) in the Bond Trust Deed, the Principal Agency Agreement and/or these Conditions.

Any Benchmark Amendments determined under this Condition 4.7(c) shall be notified promptly (not less than five Business Days prior to the relevant Interest Determination Date) by the Issuer to the Covered Bond Guarantor, the Bond Trustee, the Principal Paying Agent and, in accordance with Condition 12, the Covered Bondholders. Such notice shall be irrevocable and shall specify the effective date of such Benchmark Amendments.

No later than notifying the Bond Trustee and the Principal Paying Agent of the same, the Issuer shall deliver to each of the Bond Trustee and the Principal Paying Agent a certificate (on which each of the Bond Trustee and the Principal Paying Agent shall be entitled to rely without further enquiry or liability) signed by an Authorised Officer of the Issuer:

- (i) confirming (A) that a Benchmark Event has occurred, (B) whether the Issuer has consulted with an Independent Adviser, (C) the Successor Rate or, as applicable, the Alternative Rate and, (D) where applicable, any Adjustment Spread and/or (E) the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4.7(c); and
- (ii) certifying that the Benchmark Amendments (A) are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread and (B) in each case, have been drafted solely to such effect.

The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Bond Trustee's and the Principal Paying Agent's, ability to rely on such certificate as aforesaid) be binding on the Issuer, the Bond Trustee or the Principal Paying Agent, and the Covered Bondholders.

An Independent Adviser appointed pursuant to this Condition 4.7(d) shall act in good faith and in a commercially reasonable manner and (in the absence of fraud or wilful default) shall have no liability whatsoever to the Issuer, the Bond Trustee or the Covered Bondholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4.7(d) or otherwise in connection with the Covered Bonds.

If the Issuer consults with an Independent Adviser as to whether there is an Alternative Rate and/or whether any Adjustment Spread is required to be applied and/or in relation to the quantum of, or any formula or methodology for determining such Adjustment Spread and/or whether any Benchmark Amendments are necessary and/or in relation to the terms of any such Benchmark Amendments, a written determination of an Independent Adviser in respect thereof shall be conclusive and binding on all parties, save in the case of manifest error, and (in the absence of default or bad faith) the Issuer shall have no liability whatsoever to the Covered Bondholders in respect of anything done, or omitted to be done, in relation to that matter in accordance with any such written determination.

No Independent Adviser appointed in connection with the Covered Bonds (acting in such capacity), shall have any relationship of agency or trust with the Covered Bondholders.

(e) *Survival of Original Reference Rate Provisions*

Without prejudice to the obligations of the Issuer under this Condition 4.7, the Original Reference Rate and the fallback provisions provided for in Condition 4.2(e), the applicable Final Terms, as the case may be, will continue to apply unless and until the Issuer has determined the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with the relevant provisions of this Condition 4.7.

(f) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.7 by the Issuer will (in the absence of default, bad faith or manifest error by it or any of its directors, officers, employees or agents) be binding on the Issuer, the Bond Trustee, the Covered Bond Guarantor, the Principal Paying Agent, the other Paying Agents and all the Covered Bondholders of the relevant Series and Coupons relating thereto and (in the absence of any default, bad faith or manifest error as referred to above) no liability to the Bond Trustee and the Principal Paying Agent or the Covered Bondholders of the relevant Series and Coupons relating thereto shall attach to the Issuer in connection with the exercise or non-exercise by it of its powers, duties and discretions under this Condition 4.7.

Without prejudice to Condition 9, if an Extended Due for Payment Date is specified as applicable in the applicable Final Terms for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the applicable Final Terms (or after expiry of the grace period set out in Condition 9.1(a) and, following the service of a Notice to Pay on the Covered Bond Guarantor by no later than the date falling one Business Day prior to the Extension Determination Date, the Covered Bond Guarantor has insufficient monies available under the Guarantee Priority of Payments to pay the Guaranteed Amounts corresponding to the Final Redemption Amount in full in respect of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Covered Bond Guarantor or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) under the terms of the Covered Bond Guarantee and (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Covered Bond Guarantor under the Covered Bond Guarantee will be deferred until the Extended Due for Payment Date, provided that the Covered Bond Guarantor may pay any amount representing the Final Redemption Amount on the relevant Final Maturity Date and any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above may also be paid by the Covered Bond Guarantor on any Interest Payment Date thereafter up to (and including) the Extended Due for Payment Date. The Issuer must confirm to the U.S. Paying Agent as soon as reasonably practicable and in any event at least four Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether (x) payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date or (y) payment will not be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date.

The Covered Bond Guarantor must notify the relevant Covered Bondholders (in accordance with Condition 12), the Rating Agencies, the Bond Trustee, the Security Trustee, the U.S. Paying Agent and the U.S. Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the preceding paragraph of any inability of the Covered Bond Guarantor to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Covered Bond Guarantor to notify such parties will not affect the validity or effectiveness of the extension nor give rise to any rights in any such party. In such circumstances, the Covered Bond Guarantor must on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Covered Bond Guarantor or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the monies (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) pro rata in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and must pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on

such date. The obligation of the Covered Bond Guarantor to pay any amounts in respect of the balance of the Final Redemption Amount not so paid will be deferred as described above. Such failure to pay by the Covered Bond Guarantor will not constitute a Covered Bond Guarantor Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee must be disregarded for the purposes of determining the amounts to be paid by the Covered Bond Guarantor under the Covered Bond Guarantee in connection with this Condition 5.1.

In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (the **Redeemed Covered Bonds**) will be selected:

5.5 Redemption due to Illegality

The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice as specified in the applicable Final Terms to the Bond Trustee, the U.S. Paying Agent, the U.S. Registrar and, in accordance with Condition 12, all the Covered Bondholders (which notice is irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Intercompany Loan Provider and/or Demand Loan Provider to make, fund or allow to remain outstanding any Term Advance or the Demand Loan (or, in either case, any part thereof) made by the Intercompany Loan Provider or the Demand Loan Provider, as the case may be, to the Covered Bond Guarantor pursuant to the Intercompany Loan Agreement or the Demand Loan Agreement, as the case may be, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

- (c) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on the last day of such period of 30 days; or
- (d) by or on behalf of a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying with any statutory requirements in force at the present time or in the future or by making a declaration of non-residence or other claim or filing for exemption.

In addition, any amounts to be paid on the Covered Bonds will be paid net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any IGA entered into in connection with the implementation of such Sections of the Code, and no additional amounts will be required to be paid on account of any such deduction or withholding.

The **Relevant Date** in relation to any Covered Bond of this Series means whichever is the later of:

- (i) the date on which payment in respect of such Covered Bond first becomes due and payable; or
- (ii) if the full amount of the moneys payable in respect of such Covered Bond has not been duly received by the U.S. Paying Agent on or prior to such date, the date on which notice is duly given to the Covered Bondholders of this Series in accordance with Condition 12 that such moneys have been so received.

References in these Conditions to principal and interest will be deemed also to refer (as appropriate) (i) to any additional amounts which may be payable under this Condition 7 and (ii) to any premium which may be payable in respect of the Covered Bonds.

If any withholding or deduction is required by the Covered Bond Guarantor in respect of a payment of a Guaranteed Amount to be made by it, the Covered Bond Guarantor must pay the Guaranteed Amounts net of such withholding or deduction and must account to the appropriate Tax Authority for the amount required to be withheld or deducted. The Covered Bond Guarantor will not be obliged to pay any additional amount to the Bond Trustee or any holder of Covered Bonds in respect of the amount of such withholding or deduction.

8. PRESCRIPTION

Claims for payment of principal under the Covered Bonds will be prescribed upon the expiry of 10 years, and claims for payment of interest (if any) in respect of the Covered Bonds will be prescribed upon the expiry of five years, in each case from the Relevant Date (as defined in Condition 7) therefor.

9. EVENTS OF DEFAULT AND ENFORCEMENT

9.1 Issuer Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9.1 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding, as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of the Covered Bondholders, must (but in the case of the happening of any of the events mentioned in subparagraphs (b) and (c) below, only if the Bond Trustee has certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series) (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (an **Issuer Acceleration Notice**) in writing to the Issuer that as against the Issuer (but not, for the avoidance of doubt, as against the Covered Bond Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond will, unless such event has been cured by the Issuer prior to the Issuer's receipt of the notice in writing from the Bond Trustee, thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Bond Trust Deed if any of the following events (each an **Issuer Event of Default**) occurs and is continuing:

- (a) default is made by the Issuer in the payment of any principal or interest when due, in respect of any Covered Bonds and such default continues for a period of 14 days; or
- (b) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Covered Bonds which default is incapable of remedy or which, if capable of remedy, is not remedied within 30 days after notice of such default has been given to the Issuer by the Bond Trustee; or
- (c) the Issuer becomes insolvent or it is unable to pay its debts as they mature or the Issuer applies for or consents to or suffers the appointment of a liquidator or receiver of the Issuer or the whole or substantially the whole of the undertaking, property, assets or revenues of the Issuer or takes any proceeding under any law for a readjustment or deferment of its obligations or any part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors; or
- (d) any law is passed the effect of which is to dissolve the Issuer or the Issuer ceases to carry on a general banking business in the Commonwealth of Australia or the Issuer ceases to be authorised to carry on a general banking business within the Commonwealth of Australia; or
- (e) if an Asset Coverage Test Breach Notice is served and not deemed to be revoked in accordance with the terms of the Establishment Deed on or before the next Determination Date to occur following the service of such Asset Coverage Test Breach Notice; or
- (f) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached during the Pre-Maturity Test Period and the amount standing to the credit of the Pre-Maturity Ledger of the GIC Account is less than the aggregate Australian Dollar Equivalent of the

Required Redemption Amount for each Series of Hard Bullet Covered Bonds in respect of which the Pre-Maturity Test has been breached, on the earlier to occur of:

- (A) the later of:
 - I. the date that is 10 Local Business Days from the date that the Seller is notified of that breach; and
 - II. the date that is six months prior to the Final Maturity Date of the relevant Series of Hard Bullet Covered Bonds; and
- (B) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.

Notwithstanding any other provision of this Condition 9.1, no Issuer Event of Default in respect of the Covered Bonds shall occur solely on account of any failure by the Issuer to perform or observe any of its obligations in relation to, or the taking of any proceeding or the making or entering into of any assignment, arrangement or composition in respect of, any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (each as defined by APRA from time to time).

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9.1, the Bond Trustee must immediately serve a notice to pay (the **Notice to Pay**) on the Covered Bond Guarantor pursuant to the Covered Bond Guarantee and the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts when the same become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or must take such proceedings or other action or step against the Issuer in accordance with Condition 9.3.

The Bond Trust Deed provides that all monies received by or on behalf of the Bond Trustee following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and a Notice to Pay, from the Issuer or any receiver, liquidator, administrator, receiver and manager, statutory manager or other similar official appointed in relation to the Issuer (the **Excess Proceeds**), must be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor for its own account, as soon as practicable, and must be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds will thereafter form part of the Security and must be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Security Deed and the Establishment Deed. Any Excess Proceeds received by the Bond Trustee will discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds are required to be repaid by the Covered Bond Guarantor) (but will be deemed not to have done so for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by the Bond Trust Deed). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and a Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds and payment to the Covered Bond Guarantor of such Excess Proceeds will not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

9.2 Covered Bond Guarantor Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9.2 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of all the Covered Bondholders, must (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), but in the case of the happening of any of the events described in paragraph (b) or (c), only if the Bond Trustee has certified in writing to the Issuer and the Covered Bond Guarantor that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the **Covered Bond Guarantee Acceleration Notice**) in writing to the Issuer and to the Covered Bond Guarantor, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series will as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Covered Bond Guarantor under the Covered Bond Guarantee will thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Bond Trust Deed and thereafter the Security will become enforceable if any of the following events (each a **Covered Bond Guarantor Event of Default**) has occurred and is continuing:

- (a) default is made by the Covered Bond Guarantor for a period of 14 days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment on the Extended Due for Payment Date under Condition 5.1 where the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts which relate to the Final Redemption Amount and which are Due for Payment on the Extended Due for Payment Date; or
- (b) if default is made by the Covered Bond Guarantor in the performance or observance of any other obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Bond Trust Deed, the Security Deed or any other Programme Document to which the Covered Bond Guarantor is a party (other than the Programme Agreements, any Subscription Agreement or any Terms Agreement) and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Covered Bond Guarantor requiring the same to be remedied; or
- (c) the Covered Bond Guarantor retires or is removed, or is required to retire or be removed as trustee of the Trust in accordance with the Establishment Deed and another trustee is not appointed as trustee of the Trust in accordance with the Establishment Deed within 60 days of the occurrence of that event; or
- (d) a failure to satisfy the Amortisation Test (as set out in the Establishment Deed) on any Determination Date following service of a Notice to Pay on the Covered Bond Guarantor; or
- (e) the Covered Bond Guarantee is not, or is claimed by the Covered Bond Guarantor not to be, in full force and effect.

Following the occurrence of a Covered Bond Guarantor Event of Default and service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer, each of the Bond Trustee and the Security Trustee may or must take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9.3 and the Bond Trustee will have a claim against the Covered Bond Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7) as provided in the Bond Trust Deed in respect of each Covered Bond.

9.3 Enforcement

The Bond Trustee may at any time, at its discretion and without further notice, following service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following service of a Covered Bond Guarantee Acceleration Notice (in the case of the Covered Bond Guarantor) take such proceedings or other action or step as it may think fit against or in relation to the Issuer and/or the Covered Bond Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed, the Covered Bonds or any other Programme Document, but it will not be bound to take any such enforcement proceedings or other action or step in relation to the Bond Trust Deed, the Covered Bonds or any other Programme Document unless (i) it has been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) and (ii) it has been indemnified and/or secured and/or prefunded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

The Bond Trustee may at any time, following service of a Covered Bond Guarantee Acceleration Notice at its discretion and without further notice, direct the Security Trustee to take such actions, steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Deed or any other Programme Document and may, at any time after the Security has become enforceable, direct the Security Trustee to take such steps as it may think fit to enforce the Security, but it will not be bound to give any such direction and the Security Trustee or the Bond Trustee will not be bound to take any such proceedings, steps or actions unless: (i) the Bond Trustee has been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid); and (ii) the Bond Trustee has been indemnified and/or secured and/or prefunded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph each of the Bond Trustee and the Security Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

No Covered Bondholder will be entitled to institute proceedings directly against the Issuer or the Covered Bond Guarantor or to take any step or action with respect to the Bond Trust Deed, the Covered Bonds, or the Security unless the Bond Trustee or the Security Trustee, as applicable, having become

bound so to proceed, fails so to do within a reasonable time and such failure is continuing in which event any Covered Bondholder may itself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds and/or the Bond Trust Deed).

9.4 Directions of Security Trustee by Bond Trustee

The Security Trustee will not be obliged to take any steps under any of the Programme Documents or exercise any of its powers, rights, trusts, authorities, duties, functions or discretions under any of the Programme Documents to which the Security Trustee is a party without first taking instructions from the Bond Trustee (provided that the Security Trustee will never be entitled to seek or receive instructions from the Bond Trustee in relation to clause 21 of the Security Deed or in relation to investing in Authorised Investments) and having been indemnified and/or secured to its satisfaction as aforesaid and provided always that the Security Trustee will not be bound to take any enforcement proceedings which may, in the opinion of the Security Trustee in its absolute discretion, result in the Security Trustee failing to receive any payment to which it is or would be entitled. The Security Trustee may exercise a right, power or discretion without receiving any instructions from the Bond Trustee if the Covered Bondholders or, if there are none, the Security Trustee reasonably believes that it is in the best interests of the Secured Creditors that it does so.

In the event that the Bond Trustee is (i) requested by the Security Trustee, or (ii) required by the holders of the Covered Bonds, to provide the Security Trustee with instructions, the Bond Trustee must do so (save where expressly provided otherwise), in relation to (i) only, in its absolute discretion subject to and in accordance with these presents or, in relation to both (i) and (ii) if so requested in writing by the holders of not less than 25 per cent. in aggregate of the Principal Amount Outstanding of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) or directed by an Extraordinary Resolution of the holders of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) subject in each case to the Bond Trustee being indemnified and/or secured and/or prefunded to its satisfaction prior to it giving any instructions to the Security Trustee. The Bond Trustee will be entitled to request the Covered Bondholders (voting as aforesaid) to direct it in relation to any matter in relation to which the Security Trustee has requested instructions, the Bond Trustee will have no obligation to monitor the performance of the Security Trustee and will have no liability to any person for the performance or non-performance of the Security Trustee. In no circumstances will the Bond Trustee be required to indemnify, secure or prefund the Security Trustee.

An Extraordinary Resolution passed at a meeting of Covered Bondholders duly convened and held in accordance with the Bond Trust Deed is binding upon the Security Trustee and all the Secured Creditors whether present or not present at such meeting and each of such Secured Creditors and, subject to the provisions of the Security Deed, the Security Trustee is bound to give effect to the Extraordinary Resolution. The Security Trustee is not required to do or omit to do any act if, in the opinion of the Security Trustee, this might cause it to breach a law, a Programme Document, a fiduciary duty or an obligation owed to another person.

10. MEETINGS OF COVERED BONDHOLDERS, MODIFICATION, WAIVER, SUBSTITUTION AND RATINGS AGENCIES

Covered Bondholders and other Secured Creditors should note that the Issuer, the Covered Bond Guarantor and the U.S. Paying Agent may without their consent or the consent of the Bond Trustee or the Security Trustee agree to modify any provision of any Final Terms or any Pricing Supplement

which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with any mandatory provisions of law.

10.1 Meetings

The Bond Trust Deed contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of the Covered Bondholders of any Series to consider any matter affecting their interests, including the modification of these Conditions or the provisions of the Bond Trust Deed. The quorum at any such meeting in respect of the Covered Bonds of any Series for passing an Extraordinary Resolution (other than in respect of a Series Reserved Matter) is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing the Covered Bondholders of such Series whatever the Principal Amount Outstanding of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes any Series Reserved Matter, the quorum for any such meeting will be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding or at any adjourned meeting, the business of which includes any Series Reserved Matter, the quorum will be one or more persons holding or representing not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. The expression Extraordinary Resolution when used in these Conditions means: (i) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Bond Trust Deed by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; or (ii) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than three-fourths in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders; or (iii) a resolution passed by way of electronic consents given by holders through the relevant clearing system(s) (in a form satisfactory to the Bond Trustee) by or on behalf of the Covered Bondholders of not less than three-fourths in Principal Amount Outstanding for the time being outstanding of the Covered Bonds (of the relevant Series or all Series, as applicable). An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series will, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting. Pursuant to the Bond Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the respective interests of such Covered Bondholders, in which event the provisions of this paragraph will apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9.1 or to give a Covered Bond Guarantee Acceleration Notice pursuant to Condition 9.2 or to direct the Bond Trustee or the Security Trustee or to direct the Bond Trustee to direct the Security Trustee to take any enforcement action or to direct the Bond Trustee to determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed (each a **Programme Resolution**) and will only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Covered Bond Guarantor or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the Principal Amount Outstanding of the Covered Bonds of any Series so held or represented. A

Programme Resolution passed at any meeting of the Covered Bondholders of all Series will be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Australian Dollars, the Principal Amount Outstanding of the Covered Bonds of any Series not denominated in Australian Dollars must be converted into Australian Dollars at the relevant Swap Rate.

10.2 Modification and waiver

The Bond Trustee may, without the consent or sanction of any of the Covered Bondholders of any Series and without the consent or sanction of the other Secured Creditors (other than any Secured Creditor who is party to the relevant document), at any time and from time to time, concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust Manager) or any other party and/or direct the Security Trustee to concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust Manager) or any other party in making:

- (a) any modification (other than in relation to a Series Reserved Matter) to the Covered Bonds of one or more Series or any Programme Document which in the opinion of the Bond Trustee is not materially prejudicial to the interests of the Covered Bondholders of any Series;
- (b) any modification to the Covered Bonds of one or more Series or any Programme Document which is in the opinion of the Bond Trustee is (A) of a formal, minor or technical nature, (B) made to correct a manifest error or (C) made to comply with mandatory provisions of law (and for the purpose of this item (C), the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter).

In forming its opinion as to whether the Covered Bonds or any one or more Series or any Programme Document is subject to a manifest error, the Bond Trustee may have regard to any evidence which it considers reasonably to rely on (including a certificate from the Issuer as to certain matters and a Rating Affirmation Notice issued by the Issuer).

Notwithstanding the above the Bond Trustee will not be obliged to agree to any amendment, which, in the sole opinion of the Bond Trustee, would have the effect of: (x) exposing the Bond Trustee, to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (y) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee, in the Programme Documents and/or the Conditions.

The Bond Trustee may without the consent or sanction of any of the Covered Bondholders of any Series and without the consent of any other Secured Creditor and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time but only in so far as in its opinion the interests of the Covered Bondholders of any Series will not be materially prejudiced thereby, waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed, PROVIDED ALWAYS THAT the Bond Trustee must not exercise any powers conferred on it in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9.1 or 9.2 but so that no such direction or request will affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may

determine, will be binding on the Covered Bondholders and, if, but only if, the Bond Trustee requires, must be notified by the Issuer or the Trust Manager (on behalf of the Covered Bond Guarantor) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Subject to as provided below, the Bond Trustee will be bound to waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed if it is: (i) in the case of such waiver or authorisation, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (ii), in the case of any such determination, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars as aforesaid), and at all times then only if it is indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

The Security Trustee may, without the consent of the Covered Bondholders of any Series and without the consent of the other Secured Creditors and without prejudice to their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time, but only if (for so long as any Covered Bonds are outstanding) it is instructed by the Bond Trustee in accordance with the Bond Trust Deed or (if no Covered Bonds are outstanding) it is instructed by the Majority Secured Creditors, authorise or waive any breach or proposed breach of any of the covenants or provisions contained in the Covered Bonds of any Series or any Programme Document or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Security Deed. Any such authorisation, waiver or determination will be binding on the Covered Bondholders and the other Secured Creditors and, unless the Bond Trustee otherwise agrees, must be notified by the Issuer or the Covered Bond Guarantor (acting on the directions of the Trust Manager) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Any such modification, waiver, authorisation or determination will be binding on all the Covered Bondholders of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors, and unless the Bond Trustee otherwise agrees, any such modification must be notified by the Issuer, to the Covered Bondholders of all Series of Covered Bonds in accordance with Condition 12 and to the Rating Agencies as soon as practicable thereafter.

Where in connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee are required to have regard to the general interests of the Covered Bondholders of each Series as a class (but must not have regard to any interests arising from

circumstances particular to individual Covered Bondholders whatever their number) and, in particular but without limitation, must not have regard to the consequences of any such exercise for individual Covered Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee will not be entitled to require, nor will any Covered Bondholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, except to the extent already provided for in Condition 7 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 7 pursuant to the Bond Trust Deed.

The Bond Trustee and Security Trustee must concur in and effect any modifications to the Programme Documents that are requested by the Issuer, the Covered Bond Guarantor or the Trust Manager to (a) accommodate the accession of a new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme provided that (i) each of the Swap Providers provide written confirmation to the Security Trustee and the Bond Trustee consenting to such modification of those documents to which they are a party (such consent not to be unreasonably withheld); (ii) the Trust Manager has certified to the Security Trustee and the Bond Trustee in writing that such modifications are required in order to accommodate the addition of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme; (iii) the Trust Manager has certified to the Security Trustee and the Bond Trustee that all other conditions precedent to the accession of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme set out in the Programme Documents have been satisfied at the time of the accession; (b) take into account any changes in the covered bonds ratings criteria of the Rating Agencies where, absent such modifications, the Issuer is reasonably satisfied following discussions with the relevant Rating Agency (and has provided a certificate in writing to the Bond Trustee and the Security Trustee to that effect) that the rating assigned by the relevant Rating Agency to one or more Series of Covered Bonds may be subject to a downgrade, qualification or withdrawal and even if such changes are, or may be, prejudicial or materially prejudicial to the interests of the Covered Bondholders of any Series; (c) allow a Swap Provider to transfer securities as Swap Collateral under a relevant Swap Agreement Credit Support Annex, including to appoint a custodian to hold such securities in a custody account pursuant to a custody agreement; (d) ensure compliance of the Programme or the Issuer, as applicable, with, or ensure that the Issuer may benefit from, any existing, new or amended legislation, regulation, directive, prudential standard or prudential guidance note of any regulatory body (including APRA) in relation to covered bonds provided that the Trust Manager has certified to the Bond Trustee and the Security Trustee in writing that such modifications are required in order to comply with or benefit from such legislation, regulation, directive, prudential standard or prudential guidance note, as the case may be; (e) effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.7(c) without the consent of the Covered Bondholders or the Couponholders; or (f) take into account any new covered bonds ratings criteria of the Rating Agencies, or any changes or updates to, or any replacement of, the covered bonds ratings criteria of the Rating Agencies (including, without limitation, any manner in which a Rating Agency applies or construes any then existing covered bonds ratings criteria), subject to receipt by the Bond Trustee and the Security Trustee of a Rating Affirmation Notice from the Issuer and receipt by the Bond Trustee and the Security Trustee of a certificate signed by two Authorised Signatories of the Trust Manager each certifying to the Bond Trustee and the Security Trustee that such modifications are required in order to take into account, apply or construe any such new covered bonds ratings criteria of the Rating Agencies, or any such changes or updates to, any replacement of, or any application or construction of the covered bonds ratings criteria of the Rating Agencies.

10.3 Substitution

The Bond Trust Deed provides that in connection with any scheme of amalgamation or reconstruction of the Issuer not involving the bankruptcy or insolvency of the Issuer and (A) where the Issuer does not survive the amalgamation or reconstruction or (B) where all or substantially all of the assets and business of the Issuer will be disposed of to, or succeeded to, by another entity (whether by operation of law or otherwise), the Bond Trustee will, if requested by the Issuer, be obliged, without the consent or sanction of the Covered Bondholders, at any time to agree to the substitution in the place of the Issuer (or of the previous substitute) as principal debtor under the Bond Trust Deed (the **Substituted Debtor**) being the entity with and into which the Issuer amalgamates or the entity to which all or substantially all of the business and assets of the Issuer is transferred, or succeeded to, pursuant to such scheme of amalgamation or reconstruction (whether by operation of law or otherwise), subject to:

- (a) the Substituted Debtor entering into a supplemental trust deed or some other form of undertaking in form and manner satisfactory to the Bond Trustee agreeing to be bound by the Bond Trust Deed with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the Substituted Debtor had been named in the Bond Trust Deed as principal debtor in place of the Issuer;
- (b) the Substituted Debtor acquiring or succeeding to pursuant to such scheme of amalgamation or reconstruction all or substantially all of the assets and business of the Issuer;
- (c) each stock exchange or market on which the Covered Bonds are listed confirming in writing that following the proposed substitution of the Substituted Debtor the Covered Bonds will continue to be listed on such stock exchange or market;
- (d) the supplemental trust deed containing a warranty and representation by the Substituted Debtor that (A) the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Debtor of liability as principal debtor in respect of, and of its obligations under, the supplemental trust deed and the Covered Bonds; (B) such approvals and consents are at the time of substitution in full force and effect; and (C) the obligations assumed by the Substituted Debtor under the supplemental trust deed are legal, valid and binding in accordance with their respective terms;
- (e) confirmations being received by the Bond Trustee from each Rating Agency that the substitution will not adversely affect the then current rating of the Covered Bonds;
- (f) where the Substituted Debtor is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of a territory other than or in addition to Australia, undertakings or covenants in form and manner satisfactory to the Bond Trustee being given by the Substituted Debtor in terms corresponding to the provisions of Condition 7 with the substitution for (or, as the case may be, the addition to) the references to Australia of references to that other or additional territory in which the Substituted Debtor is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and (where applicable) Condition 5.2 being modified accordingly;
- (g) without prejudice to the rights of reliance of the Bond Trustee under the immediately following paragraph, the Bond Trustee being satisfied that the relevant transaction is not materially prejudicial to the interests of the Covered Bondholders;
- (h) if two directors of the Substituted Debtor (or other officer acceptable to the Bond Trustee) certifying that the Substituted Debtor is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Bond Trustee may rely on absolutely without liability to any person) and the Bond Trustee must not

have regard to the financial condition, profits or prospects of the Substituted Debtor or compare the same with those of the Issuer;

- (i) the Issuer and the Trust Manager, delivering to the Bond Trustee legal opinions obtained from lawyers of international repute in (a) England and Wales and (b) the jurisdiction of incorporation of the Substituted Debtor in form and substance satisfactory to the Bond Trustee; and
- (j) the Covered Bond Guarantee remaining in place or being modified to apply *mutatis mutandis* and continuing in full force and effect in relation to any Substituted Debtor.

Any such supplemental trust deed or undertaking will, if so expressed, operate to release the Issuer or in either case the previous substitute as aforesaid from all of its obligations as principal debtor under the Bond Trust Deed.

In addition, subject as further provided in the Bond Trust Deed, the Bond Trustee may without the consent or sanction of the Covered Bondholders, at any time agree to the substitution in place of the Issuer (or any previous substitute under this Condition) as the principal debtor under the Covered Bonds, and the Bond Trust Deed or any other corporation subject to certain other conditions set out in the Bond Trust Deed being complied with.

Any substitution pursuant to this Condition 10.3 will be binding on the Covered Bondholders and must be notified in a form previously approved by the Bond Trustee by the new Issuer to the Covered Bondholders not later than 14 days after any such substitution in accordance with Condition 12.

10.4 Rating Agencies

If:

- (a) a confirmation or affirmation of rating or other response by a Rating Agency is a condition to any action or step under any Programme Document; and
- (b) the Issuer has delivered to the Covered Bond Guarantor (copied to the Seller and each Rating Agency) written confirmation that it has notified the Rating Agencies of the action or step and that the Trust Manager is satisfied, following discussions with the Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Rating Agencies and the Rating Agency does not consider such confirmation necessary,

the parties will be entitled to assume that the then current rating of the Covered Bonds from that Rating Agency will not be downgraded, qualified or withdrawn by such Rating Agency as a result of such action or step.

The Bond Trustee will be entitled to treat as conclusive a certificate signed by an Authorised Officer of the Issuer or the Covered Bond Guarantor as to any matter referred to in (b) above and the Bond Trustee will not be responsible for any Liability that may be caused as a result.

For the purposes of this Condition 10:

11. REPLACEMENT OF COVERED BONDS

Should any Covered Bond be lost, stolen, mutilated, defaced or destroyed, it may be replaced subject to applicable laws, regulations and, if applicable, listing authority, stock exchange and/or quotation system regulations at the specified office of the specified office of the U.S. Registrar (in the case of Registered Covered Bonds), or any other place approved by the Bond Trustee of which notice has been published in accordance with Condition 12 upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Covered Bond is subsequently presented for payment there will be paid to the Issuer on demand the amount payable by the Issuer in respect of such Covered Bonds) and otherwise as the Issuer may require. Mutilated or defaced Covered Bonds must be surrendered before replacements will be issued.

12. NOTICES

All notices regarding the Registered Covered Bonds will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Covered Bonds are admitted to trading on a stock exchange and the rules of that stock exchange (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any Definitive Covered Bonds are issued, there may, so long as the Covered Bonds are represented in their entirety by any Registered Global Covered Bonds held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, be substituted for such publication in such newspaper(s) or such mailing the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC for communication by them to the Covered Bondholders and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to trading by any other relevant authority and the rules of that stock exchange, or as the case may be, other relevant authority so require, such notice or notices will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice will be deemed to have been given to the Covered Bondholders on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or DTC.

Notices to be given by any Covered Bondholder must be in writing and given by lodging the same, together (in the case of any Covered Bond in Definitive form) with the relative Covered Bond or Covered Bonds, the U.S. Registrar (in the case of Registered Covered Bonds). Whilst any of the Covered Bonds are represented by a Registered Global Covered Bond, such notice may be given by any holder of a Covered Bond to the U.S. Paying Agent or the U.S. Registrar through Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, in such manner as the U.S. Paying Agent, the U.S. Registrar and DTC and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

13. FURTHER ISSUES

The Issuer will be at liberty from time to time without the consent of the Covered Bondholders to create and issue further bonds having terms and conditions the same as the Covered Bonds of any Series or the same in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same can be consolidated and form a single Series with, and will be fungible for United States federal tax purposes with, the outstanding Covered Bonds of such Series.

14. INDEMNIFICATION OF THE BOND TRUSTEE AND THE SECURITY TRUSTEE AND THE BOND TRUSTEE AND SECURITY TRUSTEE CONTRACTING WITH THE ISSUER AND/OR THE COVERED BOND GUARANTOR

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the Covered Bondholders of any one or more Series would be materially prejudiced thereby, the Bond Trustee must not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders of the relevant Series by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding or as otherwise required under the Programme Documents.

The Bond Trust Deed and the Security Deed contain provisions for the indemnification of the Bond Trustee and the Security Trustee and for their relief from responsibility, including provisions relieving them from taking any action unless indemnified and/or secured and/or prefunded to their satisfaction.

The Bond Trust Deed and the Security Deed also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, inter alia: (i) to enter into business transactions with the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders or the other Secured Creditors and (iii)

to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

Neither the Bond Trustee nor the Security Trustee will be responsible for any loss, expense or liability which may be suffered as a result of any Mortgage Loan Rights or any Charged Property, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons whether or not on behalf of the Bond Trustee and/or the Security Trustee. Neither the Bond Trustee nor the Security Trustee will be responsible for inter alia: (i) supervising the performance by the Issuer or any other party to the Programme Documents or, in relation to Condition 4.7, any Independent Adviser, of their respective obligations under the Programme Documents and the Bond Trustee and the Security Trustee will be entitled to assume, until they each have written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Programme Documents under the Programme Documents; (iii) monitoring the Mortgage Loan Rights forming part of the Assets of the Trust, including whether the Asset Coverage Test is satisfied or otherwise or the Amortisation Test is satisfied or otherwise; (iv) monitoring whether Mortgage Loans are Eligible Mortgage Loans or (v) monitoring whether the Issuer is in breach of the Pre-Maturity Test. Neither the Bond Trustee nor the Security Trustee will be liable to any Covered Bondholder or other Secured Creditor for (a) any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent secured creditor in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Programme Documents, or (b) in relation to Condition 4.7, the acts or omissions of any Independent Adviser.

The Bond Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Programme Documents until it has been indemnified and/or secured and/or prefunded to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and proceedings which might be sustained by it as a result and will not be required to do anything which may cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authorities or discretions if it has reasonable grounds for believing that repayment of such funds or adequate indemnity, security or prefunding against such liability is not assured to it.

15. LIMITED RECOURSE AND NON-PETITION

15.1 Only the Security Trustee may pursue the remedies available under the general law or under the Security Deed to enforce the Security and no Transaction Party will be entitled to proceed directly against the Covered Bond Guarantor to enforce the Security. In particular, each Transaction Party (other than the Covered Bond Guarantor and the Security Trustee) has agreed with and acknowledges to each of the Covered Bond Guarantor and the Security Trustee, and the Security Trustee agreed with and acknowledged to the Covered Bond Guarantor, that:

- (a) none of the Transaction Parties (nor any person on their behalf, other than the Security Trustee where appropriate) is entitled, otherwise than as permitted by the Programme Documents, to direct the Security Trustee to enforce the Security or take any proceedings against the Covered Bond Guarantor to enforce the Security;
- (b) none of the Transaction Parties (other than the Security Trustee) will have the right to take or join any person in taking any steps against the Covered Bond Guarantor for the purpose of obtaining payment of any amount due from the Covered Bond Guarantor to any of such Transaction Parties;

- (c) until the date falling two years after the Vesting Date none of the Transaction Parties nor any person on their behalf may initiate or join any person in initiating an Insolvency Event in relation to the Trust other than a Receiver appointed under clause 15 of the Security Deed; and
- (d) none of the Transaction Parties is entitled to take or join in the taking of any corporate action, legal proceedings or other procedure or step which would result in the Priorities of Payments not being complied with.

15.2 The Covered Bondholders agree with and acknowledge to each of the Covered Bond Guarantor and the Security Trustee, and the Security Trustee has agreed with and acknowledged to the Covered Bond Guarantor, that notwithstanding any other provision of any Programme Document, all obligations of the Covered Bond Guarantor to such party including, without limitation, the Secured Obligations, are limited in recourse to the Covered Bond Guarantor as set out below:

- (a) it will have a claim only in respect of the Charged Property and will not have any claim, by operation of law or otherwise, against, or recourse to, any of the Covered Bond Guarantor's other assets;
- (b) sums payable to each party in terms of the Covered Bond Guarantor's obligations to such party will be limited to the lesser of (a) the aggregate amount of all sums due and payable to such party and (b) the aggregate amounts received, realised or otherwise recovered and immediately available for payment by or for the account of the Covered Bond Guarantor in respect of the Charged Property whether pursuant to enforcement of the Security or otherwise, net of any sums which are payable by the Covered Bond Guarantor in accordance with the Priorities of Payments in priority to or *pari passu* with sums payable to such party; and
- (c) upon the Security Trustee giving written notice to the relevant party that it has determined in its opinion, and the Servicer having certified to the Security Trustee, that there is no reasonable likelihood of there being any further realisations in respect of the Charged Property (whether arising from an enforcement of the Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant Programme Document, the relevant party will have no further claim against the Covered Bond Guarantor in respect of any such unpaid amounts and the obligations to pay such unpaid amounts will be discharged in full,

save that this limitation will not apply to a liability of the Covered Bond Guarantor to the extent it results from the Covered Bond Guarantor's fraud, negligence or wilful default.

15.3 The Covered Bondholders agree with and acknowledge to the Security Trustee that the Security Trustee enters into each Programme Document to which it is a party only in its capacity as trustee of the Security Trust and in no other capacity and that the Security Trustee will have no liability under or in connection with this deed or any other Programme Document (whether to the Secured Creditors, the Covered Bond Guarantor or any other person) other than to the extent to which the liability is able to be satisfied out of the property of the Security Trust from which the Security Trustee is actually indemnified for the liability. This limitation will not apply to a liability of the Security Trustee to the extent it results from the Security Trustee's fraud, negligence or wilful default.

15.4 To the extent permitted by law, no recourse under any obligation, covenant, or agreement of any person contained in the Programme Documents may be had against any shareholder, officer, agent or director of such person as such, by the enforcement of any assessment or by any legal proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that the Programme Documents are corporate obligations of each person expressed to be a party thereto and no personal liability will attach to or be incurred by the shareholders, officers, agents or directors of such person as such, or any of them, under or by reason of any of the obligations, covenants or agreements of such person contained

in the Programme Documents, or implied therefrom, and that any and all personal liability for breaches by such person of any of such obligations, covenants or agreements, either under any applicable law or by statute or constitution, of every such shareholder, officer, agent or director is expressly waived by each person expressed to be a party thereto as a condition of and consideration for execution of the Programme Documents.

16. DISAPPLICATION OF CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of any Covered Bond but this does not affect any right or remedy of any person which exists or is available apart from that Act.

17. GOVERNING LAW

The Bond Trust Deed (including the Covered Bond Guarantee), the Principal Agency Agreement, the Covered Bonds, and any non contractual obligations arising out of or in connection with them are governed by, and will be construed in accordance with, English law unless specifically stated to the contrary (in this regard, the covenant to pay made by the Issuer to the Bond Trustee in respect of the Covered Bonds, (but only, in respect of such provisions, to the extent that they relate to any A\$ Registered Covered Bonds) in the Bond Trust Deed, the provisions relating to the issuance of A\$ Registered Covered Bonds and the maintenance of the A\$ Register in respect of the A\$ Registered Covered Bonds in the Bond Trust Deed and the provisions relating to limiting recourse to the Covered Bond Guarantor and the Security Trustee in the Bond Trust Deed, the Principal Agency Agreement and the A\$ Registered Covered Bonds are governed by, and will be construed in accordance with, the laws applying in the State of New South Wales, Australia).

18. JURISDICTION

18.1 Each of the Issuer and the Covered Bond Guarantor hereby irrevocably submits to the jurisdiction of the English courts in any action or proceeding arising out of or related to the Covered Bonds. The courts of England and (in the case of any action involving the Issuer or the Covered Bond Guarantor) the Commonwealth of Australia are to have jurisdiction to settle any dispute (including a dispute relating to any non-contractual obligations arising out of or in connection with the Covered Bonds), and each party hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts. Each party hereby irrevocably waives, to the fullest extent it may possibly do so, any defence or claim that the English or the Commonwealth of Australia courts (as applicable) are an inconvenient forum for the maintenance or hearing of such action or proceeding. Each party may take any suit, action or proceeding arising out of or in connection with the Covered Bonds (including any proceedings relating to any non-contractual obligations arising out of or in connection with the Covered Bonds) against any of the Issuer and the Covered Bond Guarantor in any other court of competent jurisdiction and concurrent proceedings in any number of jurisdictions.

18.2 Each of the Issuer and the Covered Bond Guarantor:

- (a) agrees that the process by which any proceedings in England are begun may be served on it by delivery to the Chief Executive Officer, United Kingdom being at the date hereof at 60 Ludgate Hill, London EC4M 7AW;
- (b) agrees to procure that, so long as any of the Covered Bonds issued or guaranteed by it (as the case may be) remains liable to prescription, there will be in force an appointment of such a person approved by the Bond Trustee with an office in London with authority to accept service as aforesaid;

- (c) agrees that a failure by any such person to give notice of such service or process to the Issuer or the Covered Bond Guarantor will not impair the validity of such service or of any judgment based thereon; and
- (d) agrees that nothing in these Conditions will affect the right to serve process in any other manner permitted by law.

TERMS AND CONDITIONS OF THE A\$ REGISTERED COVERED BONDS

The following are the terms and conditions (the **Conditions**) of the Covered Bonds which will be incorporated by reference into and (as completed by the applicable Final Terms in relation to a Tranche of Covered Bonds) apply to each A\$ Registered Covered Bond. The applicable Pricing Supplement in relation to any Series or Tranche of A\$ Registered Covered Bonds may specify other terms and conditions which will, to the extent so specified or to the extent inconsistent with the following Conditions, replace or modify the following Conditions for the purpose of such A\$ Registered Covered Bonds. The applicable Pricing Supplement (or the relevant provisions thereof) will be entered in the A\$ Register in respect of each Series or Tranche of A\$ Registered Covered Bonds. If a calculation agent is required for the purpose of calculating any amount or making any determination under any A\$ Registered Covered Bonds, such appointment will be notified in the applicable Pricing Supplement (the person so specified, the **Calculation Agent**). The Issuer or, following the occurrence of an Issuer Event of Default and the service of an Issuer Acceleration Notice and a Notice to Pay, the Covered Bond Guarantor (acting at the direction of the Trust Manager) may terminate the appointment of the Calculation Agent, appoint additional or other Calculation Agents or elect to have no Calculation Agent. Where no Calculation Agent is appointed the calculation of interest, principal and other payments in respect of A\$ Registered Covered Bonds will be made by the Issuer or, following the occurrence of an Issuer Event of Default and the service of an Issuer Acceleration Notice and a Notice to Pay, the Trust Manager (references herein to the Calculation Agent will include the Issuer or the Trust Manager, when acting as Calculation Agent in accordance with the foregoing).

The applicable Pricing Supplement may specify any other agency agreement that applies to Covered Bonds issued by the Issuer.

As used herein, **A\$ Registrar** will mean, in relation to a Tranche or Series of A\$ Registered Covered Bonds, the A\$ Registrar or such other registrar as the Pricing Supplement for that Tranche or Series may specify and **Calculation Agent** will mean in relation to a Series of A\$ Registered Bonds, the Calculation Agent as the Pricing Supplement for that Tranche or Series may specify.

The Covered Bond Guarantor has, in the Bond Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of Guaranteed Amounts in respect of the Covered Bonds as and when the same become due for payment on certain dates in accordance with the Bond Trust Deed (**Due for Payment**), but only after service of a Notice to Pay on the Covered Bond Guarantor following an Issuer Event of Default and service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer or the occurrence of Covered Bond Guarantor Event of Default and service by the Bond Trustee of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer.

Limited ABN 67 004 454 666 (the **Security Trustee**) and certain other Secured Creditors.

4. INTEREST

4.1 Interest on Fixed Rate Covered Bonds

Each Fixed Rate Covered Bond bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Pricing Supplement. Interest will accrue in respect of each **Interest Period** (which expression will in these Conditions mean the period from (and including) an Interest Payment Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

If a Fixed Coupon Amount is specified in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount or the Broken Amount (if any) so specified.

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Pricing Supplement). Interest will cease to accrue on each Fixed Rate Covered Bond (or, in the case of the redemption of part only of a Fixed Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless payment of principal is improperly withheld or refused, in which event, interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Fixed Rate Covered Bond up to that day are received by or on behalf of the holder of such Fixed Rate Covered Bond and (ii) the day which is seven days after the date on which the A\$ Registrar has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date. Where a Fixed Coupon Amount or Broken Amount, is specified in the applicable Pricing Supplement interest must be calculated in respect of any period by applying the Rate of Interest to the Calculation Amount and, multiplying such amount by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond will be the product of the amount (determined in the manner provided above) for the Calculation Amount

and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In this Condition 4.1, **Day Count Fraction** has the meaning given to it in Condition 4.3.

In these Conditions, **sub-unit** means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

4.2 Interest on Floating Rate Covered Bonds

(a) Interest Payment Dates

Each Floating Rate Covered Bond bears interest in respect of each Interest Period (which expression will in these Conditions mean the period from (and including) a Specified Interest Payment Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Specified Interest Payment Date). For the purposes of this Condition 4.2, **Interest Payment Date** means either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Pricing Supplement; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each such date, together with each Specified Interest Payment Date, an Interest Payment Date) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Final Maturity Date. If a Notice to Pay is served on the Covered Bond Guarantor, the Covered Bond Guarantor will pay Guaranteed Amounts in equivalent amounts to those described above under the Covered Bond Guarantee in respect of the Covered Bonds on the applicable Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

(b) Interest Payments and Accrual

Interest will be paid subject to and in accordance with the provisions of Condition 6 (unless otherwise specified in the applicable Pricing Supplement). Interest will cease to accrue on each Floating Rate Covered Bond (or, in the case of the redemption of part only of a Floating Rate Covered Bond, that part only of such Covered Bond) on the due date for redemption thereof unless payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (i) the day on which all sums due in respect of such Floating Rate Covered Bond up to that day are received by or on behalf of the holder of such Floating Rate Covered Bond and (ii) the day which is seven days after the date on which the A\$ Registrar has notified the holder in accordance with Condition 12 that it has received all sums due in respect thereof up to that date.

(c) Rate of Interest

The Rate of Interest payable from time to time in respect of each Floating Rate Covered Bond will be determined in the manner specified in the applicable Pricing Supplement.

(d) ISDA Determination for Floating Rate Covered Bonds

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant

ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this Condition 4.2(d), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent or any other person specified in the applicable Pricing Supplement under an interest rate swap transaction if the Calculation Agent or that other person were acting as calculation agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated (the **ISDA Definitions**) as at the Issue Date of the first Tranche of the Covered Bonds, and under which:

- (i) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (ii) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (iii) the relevant Reset Date is either (A) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency or on the Euro-zone inter-bank offered rate (EURIBOR) for calculations of payments in euro, the first day of that Interest Period or (B) in any other case, as the day specified in the applicable Pricing Supplement.

For the purposes of this Condition 4.2(d), **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

When this Condition 4.2(d) applies, in respect of each relevant Interest Period:

- (i) the Rate of Interest for such Interest Period will be the rate of interest determined by the Calculation Agent or other person specified in the applicable Pricing Supplement in accordance with this Condition 4.2(d); and
- (ii) the Calculation Agent or other person specified in the applicable Pricing Supplement will be deemed to have discharged its obligations under Condition 4.2(h) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this Condition 4.2(d).

(e) *Bank Bill Rate Determination for Floating Rate Covered Bonds*

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (specified in the applicable Pricing Supplement) which appears on the Relevant Screen Page (or such replacement page on that service which displays information) as at 10.00 a.m. (Sydney time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent or other person specified in the applicable Pricing Supplement. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) must be disregarded by the Calculation Agent or that other person for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In the case of A\$ Registered Covered Bonds, in the event that the Relevant Screen Page is not available or if, in the case of (i), no such offered quotation appears or, in the case of (ii), fewer than three such offered quotations appear, in each case as at the time specified in the relevant paragraph above, the rate calculated by the Calculation Agent as the average of the Reference Rates quoted by four leading banks in Sydney to leading banks in Sydney at or about 10.30 a.m. (Sydney time) on the Interest Determination Date for a period equivalent to the Interest Period or, if the Calculation Agent is unable to obtain at least two quotes in accordance with the foregoing, the rate the Calculation Agent calculates as the average of the rates per annum (being the nearest equivalent to the Reference Rate) quoted by two or more leading banks in Sydney selected by the Calculation Agent to leading banks in the Sydney at or about 10.30 a.m. (Sydney time) on the Interest Determination Date for a period equivalent to the Interest Period.

If the Reference Rate from time to time in respect of Floating Rate Covered Bonds is specified in the applicable Pricing Supplement as being other than AUD-BBR-BBSW, the Rate of Interest in respect of such Covered Bonds will be determined as provided in the applicable Pricing Supplement.

Where Bank Bill Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined for A\$ Registered Covered Bonds, the Rate of Interest for each Interest Period will be the relevant Bank Bill Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this Condition 4(e) **Bank Bill Rate** means the rate (expressed as a percentage per annum) which is the rate for prime bank eligible securities having a tenor closest to the Interest Period for those A\$ Registered Covered Bonds which is designated as “AVG MID” on the Bloomberg or Reuters Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at or about 10.30am (Sydney time) (or such other time at which such rate customarily appears on that page (the **Publication Time**)) on the first Business Day of that Interest Period rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards), (or if there is a manifest error in the calculation of that rate or that rate is not displayed at 10.45 a.m. (Sydney time) on that date (or such other time that is 15 minutes after the then prevailing Publication Time), **Bank Bill Rate** means such other substitute or successor base rate that one or more reputable Australian financial institutions appointed by the Calculation Agent determines, in its sole discretion, is most comparable to the Bank Bill Rate and is consistent with industry accepted practices, which rate is notified in writing to the Calculation Agent by such alternate financial institution(s).

The rate delivered by such alternate financial institution(s) and notified in writing to the Calculation Agent will be expressed as a percentage rate per annum and will be rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards.

(g) *Business Day, Interest Determination Date and Relevant Screen Page*

(i) In this Condition, Business Day has the meaning given to it in Condition 4.3.

(ii) In this Condition, Interest Determination Date has the meaning set out in the applicable Pricing Supplement.

(h) *Determination of Rate of Interest and Calculation of Interest Amount*

The Calculation Agent or such other person specified in the applicable Pricing Supplement will, as soon as practicable after each time at which the Rate of Interest is set to be determined, determine the Rate of Interest and calculate the amount of interest payable in respect of each Calculation Amount

(each, an **Interest Amount**) for the relevant Interest Period as soon as practicable after calculating the same.

The Interest Amount payable on the Floating Rate Covered Bonds for the relevant Interest Period will be calculated by applying the Rate of Interest to the Calculation Amount of the Covered Bonds and multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Covered Bond is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Covered Bond will be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

The determination of the Rate of Interest and calculation of each Interest Amount by the Calculation Agent or other person specified in the applicable Pricing Supplement will (in the absence of manifest error) be final and binding upon all parties.

(i) *Notification of Rate of Interest and Interest Amount*

The Calculation Agent, will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and, in the case of Floating Rate Covered Bonds which are listed on a stock exchange, that stock exchange as soon as possible but in any event not later than the second Business Day after their determination and will cause notice of such information to be given to the holders of the Covered Bonds of this Series in accordance with Condition 12 not later than the fourth Business Day after their determination. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notification as aforesaid in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to any stock exchange on which the Covered Bonds affected thereby are for the time being listed.

(j) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition by the Calculation Agent (if any) will (in the absence of default, bad faith or manifest error by them or any of their directors, officers, employees or agents) be binding on the Issuer, the Covered Bond Guarantor, the Calculation Agent and all holders of the Covered Bonds of this Series and (in the absence of any default, bad faith or manifest error as referred to above) no liability to the Issuer or the holders of the Covered Bonds of this Series will attach to the Calculation Agent in connection with the exercise or non-exercise by them of their powers, duties and discretions under this Condition.

(k) *Linear Interpolation*

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Pricing Supplement, the Rate of Interest for such Interest Period shall be calculated by the Principal Paying Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Pricing Supplement) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Pricing Supplement), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the

case may be, next longer, then the Principal Paying Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

In these Conditions:

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate; and

Reference Rate means the relevant Bank Bill Rate specified in the applicable Pricing Supplement.

Without prejudice to Condition 9, if an Extended Due for Payment Date is specified as applicable in the applicable Pricing Supplement for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the applicable Pricing Supplement (or after expiry of the grace period set out in Condition 9.1(a) and, following the service of a Notice to Pay on the Covered Bond Guarantor by no later than the date falling one Business Day prior to the Extension Determination Date, the Covered Bond Guarantor has insufficient monies available under the Guarantee Priority of Payments to pay the Guaranteed Amounts corresponding to the Final Redemption Amount in full in respect of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Covered Bond Guarantor or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) under the terms of the Covered Bond Guarantee and (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Covered Bond Guarantor under the Covered Bond Guarantee will be deferred until the Extended Due for Payment Date, provided that the Covered Bond Guarantor may pay any amount representing the Final Redemption Amount on the relevant Final Maturity Date and any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above may also be paid by the Covered Bond Guarantor on any Interest Payment Date thereafter up to (and including) the Extended Due for Payment Date. The Issuer must confirm to the A\$ Registrar as soon as reasonably practicable and in any event at least four Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether (x) payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date or (y) payment will not be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date.

Any failure by the Issuer to notify the A\$ Registrar will not affect the validity or effectiveness of the extension.

The Covered Bond Guarantor must notify the relevant Covered Bondholders (in accordance with Condition 12), the Rating Agencies, the Bond Trustee, the Security Trustee, the Calculation Agent and the A\$ Registrar as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the preceding paragraph of any inability of the Covered Bond Guarantor to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Covered Bond Guarantor to notify such parties will not affect the validity or effectiveness of the extension nor give rise to any rights in any such party. In such circumstances, the Covered Bond Guarantor must on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Covered Bond Guarantor or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 9.2(a)) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the monies (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) pro rata in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and must pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Covered Bond Guarantor to pay any amounts in respect of the balance of the Final Redemption Amount not so paid will be deferred as described above. Such failure to pay by the Covered Bond Guarantor will not constitute a Covered Bond Guarantor Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee must be disregarded for the purposes of determining the amounts to be paid by the Covered Bond Guarantor under the Covered Bond Guarantee in connection with this Condition 5.1.

For the purposes of these Conditions:

In the event of a redemption of some only of such Covered Bonds, such redemption must be for an amount being equal to the Minimum Redemption Amount or a Higher Redemption Amount (if any) specified in the applicable Pricing Supplement. In the case of a partial redemption of Covered Bonds, the Covered Bonds to be redeemed (the **Redeemed Covered Bonds**) will be selected individually by lot, not less than 40 days prior to the date fixed for redemption. Each notice of redemption will specify the date fixed for redemption and, in the case of a partial redemption, the aggregate nominal amount of the Covered Bonds of this Series which will be outstanding after the partial redemption. Covered Bonds redeemed pursuant to this Condition 5.5 will be redeemed at their Early Redemption Amount referred to in Condition 5.8 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to Condition 5.2 and Condition 5.5, the Issuer must deliver to the Bond Trustee a certificate signed by either a Director, authorised representative, attorney or authorised signatory stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred and the Bond Trustee will be entitled to accept the certificate as sufficient evidence of the satisfaction of such conditions precedent, in which event it will be conclusive and binding on all holders of the Covered Bonds.

9. EVENTS OF DEFAULT AND ENFORCEMENT

9.1 Issuer Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9.1 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding, as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of the Covered Bondholders, must (but in the case of the happening of any of the events mentioned in subparagraphs (b) and (c) below, only if the

Bond Trustee has certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series) (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (an **Issuer Acceleration Notice**) in writing to the Issuer that as against the Issuer (but not, for the avoidance of doubt, as against the Covered Bond Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond will, unless such event has been cured by the Issuer prior to the Issuer's receipt of the notice in writing from the Bond Trustee, thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Bond Trust Deed if any of the following events (each an **Issuer Event of Default**) occurs and is continuing:

- (a) default is made by the Issuer in the payment of any principal or interest when due, in respect of any Covered Bonds and such default continues for a period of 14 days; or
- (b) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Covered Bonds which default is incapable of remedy or which, if capable of remedy, is not remedied within 30 days after notice of such default has been given to the Issuer by the Bond Trustee; or
- (c) the Issuer becomes insolvent or it is unable to pay its debts as they mature or the Issuer applies for or consents to or suffers the appointment of a liquidator or receiver of the Issuer or the whole or substantially the whole of the undertaking, property, assets or revenues of the Issuer or takes any proceeding under any law for a readjustment or deferment of its obligations or any part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors; or
- (d) any law is passed the effect of which is to dissolve the Issuer or the Issuer ceases to carry on a general banking business in the Commonwealth of Australia or the Issuer ceases to be authorised to carry on a general banking business within the Commonwealth of Australia; or
- (e) if an Asset Coverage Test Breach Notice is served and not deemed to be revoked in accordance with the terms of the Establishment Deed on or before the next Determination Date to occur following the service of such Asset Coverage Test Breach Notice; or
- (f) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached during the Pre-Maturity Test Period and the amount standing to the credit of the Pre-Maturity Ledger of the GIC Account is less than the aggregate Australian Dollar Equivalent of the Required Redemption Amount for each Series of Hard Bullet Covered Bonds in respect of which the Pre-Maturity Test has been breached, on the earlier to occur of:
 - (A) the later of:
 - I. the date that is 10 Local Business Days from the date that the Seller is notified of that breach; and
 - II. the date that is six months prior to the Final Maturity Date of the relevant Series of Hard Bullet Covered Bonds; and
 - (B) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.

Notwithstanding any other provision of this Condition 9.1, no Issuer Event of Default in respect of the Covered Bonds shall occur solely on account of any failure by the Issuer to perform or observe any of its obligations in relation to, or the taking of any proceeding or the making or entering into of any assignment, arrangement or composition in respect of, any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (each as defined by APRA from time to time).

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 9.1, the Bond Trustee must immediately serve a notice to pay (the **Notice to Pay**) on the Covered Bond Guarantor pursuant to the Covered Bond Guarantee and the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts when the same become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or must take such proceedings or other action or step against the Issuer in accordance with Condition 9.3.

The Bond Trust Deed provides that all monies received by or on behalf of the Bond Trustee following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and a Notice to Pay, from the Issuer or any receiver, liquidator, administrator, receiver and manager, statutory manager or other similar official appointed in relation to the Issuer (the **Excess Proceeds**), must be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor for its own account, as soon as practicable, and must be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds will thereafter form part of the Security and must be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Security Deed and the Establishment Deed. Any Excess Proceeds received by the Bond Trustee will discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds are required to be repaid by the Covered Bond Guarantor) (but will be deemed not to have done so for the purposes of subrogation rights of the Covered Bond Guarantor contemplated by the Bond Trust Deed). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and a Notice to Pay or if earlier, service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds and payment to the Covered Bond Guarantor of such Excess Proceeds will not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder will be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

9.2 Covered Bond Guarantor Events of Default

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9.2 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Bond Trust Deed) then outstanding as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or, if so directed by an Extraordinary Resolution of all the Covered Bondholders, must (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), but in the case of the happening of any of the events described in paragraph (b) or (c), only if the Bond Trustee has certified in writing to the Issuer and the Covered Bond Guarantor that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the **Covered Bond Guarantee Acceleration Notice**) in writing to the Issuer and to the Covered Bond Guarantor, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series will as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Covered Bond Guarantor under the Covered Bond Guarantee will thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with

accrued interest, in each case as provided in the Bond Trust Deed and thereafter the Security will become enforceable if any of the following events (each a **Covered Bond Guarantor Event of Default**) has occurred and is continuing:

- (a) default is made by the Covered Bond Guarantor for a period of 14 days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment on the Extended Due for Payment Date under Condition 5.1 where the Covered Bond Guarantor will be required to make payments of Guaranteed Amounts which relate to the Final Redemption Amount and which are Due for Payment on the Extended Due for Payment Date; or
- (b) if default is made by the Covered Bond Guarantor in the performance or observance of any other obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Bond Trust Deed, the Security Deed or any other Programme Document to which the Covered Bond Guarantor is a party (other than the Programme Agreements, any Subscription Agreement or any Terms Agreement) and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Covered Bond Guarantor requiring the same to be remedied; or
- (c) the Covered Bond Guarantor retires or is removed, or is required to retire or be removed as trustee of the Trust in accordance with the Establishment Deed and another trustee is not appointed as trustee of the Trust in accordance with the Establishment Deed within 60 days of the occurrence of that event; or
- (d) a failure to satisfy the Amortisation Test (as set out in the Establishment Deed) on any Determination Date following service of a Notice to Pay on the Covered Bond Guarantor; or
- (e) the Covered Bond Guarantee is not, or is claimed by the Covered Bond Guarantor not to be, in full force and effect.

Following the occurrence of a Covered Bond Guarantor Event of Default and service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer, each of the Bond Trustee and the Security Trustee may or must take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9.3 and the Bond Trustee will have a claim against the Covered Bond Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7) as provided in the Bond Trust Deed in respect of each Covered Bond.

9.3 Enforcement

The Bond Trustee may at any time, at its discretion and without further notice, following service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following service of a Covered Bond Guarantee Acceleration Notice (in the case of the Covered Bond Guarantor) take such proceedings or other action or step as it may think fit against or in relation to the Issuer and/or the Covered Bond Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed, the Covered Bonds or any other Programme Document, but it will not be bound to take any such enforcement proceedings or other action or step in relation to the Bond Trust Deed, the Covered Bonds or any other Programme Document unless (i) it has been so directed by an

Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) and (ii) it has been indemnified and/or secured and/or prefunded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

The Bond Trustee may at any time, following service of a Covered Bond Guarantee Acceleration Notice at its discretion and without further notice, direct the Security Trustee to take such actions, steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Deed or any other Programme Document and may, at any time after the Security has become enforceable, direct the Security Trustee to take such steps as it may think fit to enforce the Security, but it will not be bound to give any such direction and the Security Trustee or the Bond Trustee will not be bound to take any such proceedings, steps or actions unless: (i) the Bond Trustee has been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid); and (ii) the Bond Trustee has been indemnified and/or secured and/or prefunded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph each of the Bond Trustee and the Security Trustee must only have regard to the interests of the Covered Bondholders of all Series equally or, if only applicable to one Series, the Covered Bondholders of the relevant Series, and must not have regard to the interests of any other Secured Creditors.

No Covered Bondholder will be entitled to institute proceedings directly against the Issuer or the Covered Bond Guarantor or to take any step or action with respect to the Bond Trust Deed, the Covered Bonds, or the Security unless the Bond Trustee or the Security Trustee, as applicable, having become bound so to proceed, fails so to do within a reasonable time and such failure is continuing in which event any Covered Bondholder may itself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds and/or the Bond Trust Deed).

9.4 Directions of Security Trustee by Bond Trustee

The Security Trustee will not be obliged to take any steps under any of the Programme Documents or exercise any of its powers, rights, trusts, authorities, duties, functions or discretions under any of the Programme Documents to which the Security Trustee is a party without first taking instructions from the Bond Trustee (provided that the Security Trustee will never be entitled to seek or receive instructions from the Bond Trustee in relation to clause 21 of the Security Deed or in relation to investing in Authorised Investments) and having been indemnified and/or secured to its satisfaction as aforesaid and provided always that the Security Trustee will not be bound to take any enforcement proceedings which may, in the opinion of the Security Trustee in its absolute discretion, result in the Security Trustee failing to receive any payment to which it is or would be entitled. The Security Trustee may exercise a right, power or discretion without receiving any instructions from the Bond

Trustee if the Covered Bondholders or, if there are none, the Security Trustee reasonably believes that it is in the best interests of the Secured Creditors that it does so.

In the event that the Bond Trustee is (i) requested by the Security Trustee, or (ii) required by the holders of the Covered Bonds, to provide the Security Trustee with instructions, the Bond Trustee must do so (save where expressly provided otherwise), in relation to (i) only, in its absolute discretion subject to and in accordance with these presents or, in relation to both (i) and (ii) if so requested in writing by the holders of not less than 25 per cent. in aggregate of the Principal Amount Outstanding of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) or directed by an Extraordinary Resolution of the holders of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series and, if the nominal amount of the Covered Bonds is not denominated in Australian Dollars, converted into Australian Dollars at the relevant Swap Rate) subject in each case to the Bond Trustee being indemnified and/or secured and/or prefunded to its satisfaction prior to it giving any instructions to the Security Trustee. The Bond Trustee will be entitled to request the Covered Bondholders (voting as aforesaid) to direct it in relation to any matter in relation to which the Security Trustee has requested instructions, the Bond Trustee will have no obligation to monitor the performance of the Security Trustee and will have no liability to any person for the performance or non-performance of the Security Trustee. In no circumstances will the Bond Trustee be required to indemnify, secure or prefund the Security Trustee.

An Extraordinary Resolution passed at a meeting of Covered Bondholders duly convened and held in accordance with the Bond Trust Deed is binding upon the Security Trustee and all the Secured Creditors whether present or not present at such meeting and each of such Secured Creditors and, subject to the provisions of the Security Deed, the Security Trustee is bound to give effect to the Extraordinary Resolution. The Security Trustee is not required to do or omit to do any act if, in the opinion of the Security Trustee, this might cause it to breach a law, a Programme Document, a fiduciary duty or an obligation owed to another person.

10. MEETINGS OF COVERED BONDHOLDERS, MODIFICATION, WAIVER, SUBSTITUTION AND RATINGS AGENCIES

Covered Bondholders and other Secured Creditors should note that the Issuer and the Covered Bond Guarantor may without their consent or the consent of the Bond Trustee or the Security Trustee agree to modify any provision of any Pricing Supplement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with any mandatory provisions of law.

10.1 Meetings

The Bond Trust Deed contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of the Covered Bondholders of any Series to consider any matter affecting their interests, including the modification of these Conditions or the provisions of the Bond Trust Deed. The quorum at any such meeting in respect of the Covered Bonds of any Series for passing an Extraordinary Resolution (other than in respect of a Series Reserved Matter) is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing the Covered Bondholders of such Series whatever the Principal Amount Outstanding of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes any Series Reserved Matter, the quorum for any such meeting will be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding or at any adjourned meeting, the business of which includes any Series Reserved Matter, the quorum will be one or more persons holding or representing not less than one-third of the aggregate

Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. The expression Extraordinary Resolution when used in these Conditions means: (i) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Bond Trust Deed by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; or (ii) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than three-fourths in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders; or (iii) a resolution passed by way of electronic consents given by holders through the relevant clearing system(s) (in a form satisfactory to the Bond Trustee) by or on behalf of the Covered Bondholders of not less than three-fourths in Principal Amount Outstanding for the time being outstanding of the Covered Bonds (of the relevant Series or all Series, as applicable). An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series will, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting. Pursuant to the Bond Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the respective interests of such Covered Bondholders, in which event the provisions of this paragraph will apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9.1 or to give a Covered Bond Guarantee Acceleration Notice pursuant to Condition 9.2 or to direct the Bond Trustee or the Security Trustee or to direct the Bond Trustee to direct the Security Trustee to take any enforcement action or to direct the Bond Trustee to determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed (each a **Programme Resolution**) and will only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Covered Bond Guarantor or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the Principal Amount Outstanding of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series will be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Australian Dollars, the Principal Amount Outstanding of the Covered Bonds of any Series not denominated in Australian Dollars must be converted into Australian Dollars at the relevant Swap Rate.

10.2 Modification and waiver

The Bond Trustee may, without the consent or sanction of any of the Covered Bondholders of any Series and without the consent or sanction of the other Secured Creditors (other than any Secured Creditor who is party to the relevant document), at any time and from time to time, concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust Manager) or any other party and/or direct the Security Trustee to concur with the Issuer, the Covered Bond Guarantor (acting on the directions of the Trust Manager) or any other party in making:

- (a) any modification (other than in relation to a Series Reserved Matter) to the Covered Bonds of one or more Series or any Programme Document which in the opinion of the Bond Trustee is not materially prejudicial to the interests of the Covered Bondholders of any Series; or
- (b) any modification to the Covered Bonds of one or more Series or any Programme Document which is in the opinion of the Bond Trustee is (A) of a formal, minor or technical nature, (B) made to correct a manifest error or (C) made to comply with mandatory provisions of law (and for the purpose of this item (C), the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter).

In forming its opinion as to whether the Covered Bonds or any one or more Series or any Programme Document is subject to a manifest error, the Bond Trustee may have regard to any evidence which it considers reasonably to rely on (including a certificate from the Issuer as to certain matters and a Rating Affirmation Notice issued by the Issuer).

Notwithstanding the above the Bond Trustee will not be obliged to agree to any amendment, which, in the sole opinion of the Bond Trustee, would have the effect of: (x) exposing the Bond Trustee, to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (y) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee, in the Programme Documents and/or the Conditions.

The Bond Trustee may and without the consent or sanction of any of the Covered Bondholders of any Series and without the consent of any other Secured Creditor and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time but only if in so far as in its opinion the interests of the Covered Bondholders of any Series will not be materially prejudiced thereby, waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed, PROVIDED ALWAYS THAT the Bond Trustee must not exercise any powers conferred on it in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9.1 or 9.2 but so that no such direction or request will affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, will be binding on the Covered Bondholders and, if, but only if, the Bond Trustee requires, must be notified by the Issuer or the Trust Manager (on behalf of the Covered Bond Guarantor) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Subject to as provided below, the Bond Trustee will be bound to waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Bond Trust Deed, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Bond Trust Deed if it is: (i) in the case of such waiver or authorisation, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of the relevant one or more Series (with the Covered Bonds of all such Series taken

together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (ii), in the case of any such determination, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars at the relevant Swap Rate); or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars as aforesaid), and at all times then only if it is indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

The Security Trustee may, without the consent of the Covered Bondholders of any Series and without the consent of the other Secured Creditors and without prejudice to their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time, but only if (for so long as any Covered Bonds are outstanding) it is instructed by the Bond Trustee in accordance with the Bond Trust Deed or (if no Covered Bonds are outstanding) it is instructed by the Majority Secured Creditors, authorise or waive any breach or proposed breach of any of the covenants or provisions contained in the Covered Bonds of any Series or any Programme Document or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default will not be treated as such for the purposes of the Security Deed. Any such authorisation, waiver or determination will be binding on the Covered Bondholders and the other Secured Creditors and, unless the Bond Trustee otherwise agrees, must be notified by the Issuer or the Covered Bond Guarantor (acting on the directions of the Trust Manager) (as the case may be) to the Covered Bondholders in accordance with Condition 12 and each Rating Agency as soon as practicable thereafter.

Any such modification, waiver, authorisation or determination will be binding on all the Covered Bondholders of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors, and unless the Bond Trustee otherwise agrees, any such modification must be notified by the Issuer, to the Covered Bondholders of all Series of Covered Bonds in accordance with Condition 12 and to the Rating Agencies as soon as practicable thereafter.

Where in connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee are required to have regard to the general interests of the Covered Bondholders of each Series as a class (but must not have regard to any interests arising from circumstances particular to individual Covered Bondholders whatever their number) and, in particular but without limitation, must not have regard to the consequences of any such exercise for individual Covered Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee and the Security Trustee will not be entitled to require, nor will any Covered Bondholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, except to the extent already provided for in Condition 7 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 7 pursuant to the Bond Trust Deed.

The Bond Trustee and Security Trustee must concur in and effect any modifications to the Programme Documents that are requested by the Issuer, Covered Bond Guarantor or the Trust Manager to (a) accommodate the accession of a new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme provided that (i) each of the Swap Providers provide written confirmation to the Security Trustee and the Bond Trustee consenting to such modification of those documents to which they are a party (such consent not to be unreasonably

withheld); (ii) the Trust Manager has certified to the Security Trustee and the Bond Trustee in writing that such modifications are required in order to accommodate the addition of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme; (iii) the Trust Manager has certified to the Security Trustee and the Bond Trustee that all other conditions precedent to the accession of the new Servicer, new Swap Provider, new Trust Manager, new Account Bank, new Agent or new Cover Pool Monitor to the Programme set out in the Programme Documents have been satisfied at the time of the accession; (b) take into account any changes in the covered bonds ratings criteria of the Rating Agencies where, absent such modifications, the Issuer is reasonably satisfied following discussions with the relevant Rating Agency (and has provided a certificate in writing to the Bond Trustee and the Security Trustee to that effect) that the rating assigned by the relevant Rating Agency to one or more Series of Covered Bonds may be subject to a downgrade, qualification or withdrawal and even if such changes are, or may be, prejudicial or materially prejudicial to the interests of the Covered Bondholders of any Series; (c) allow a Swap Provider to transfer securities as Swap Collateral under a relevant Swap Agreement Credit Support Annex, including to appoint a custodian to hold such securities in a custody account pursuant to a custody agreement; (d) ensure compliance of the Programme or the Issuer, as applicable, with, or ensure that the Issuer may benefit from, any existing, new or amended legislation, regulation, directive, prudential standard or prudential guidance note of any regulatory body (including APRA) in relation to covered bonds provided that the Trust Manager has certified to the Bond Trustee and the Security Trustee in writing that such modifications are required in order to comply with or benefit from such legislation, regulation, directive, prudential standard or prudential guidance note, as the case may be; (e) effect any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.7(c) without the consent of the Covered Bondholders or the Couponholders; or (f) take into account any new covered bonds ratings criteria of the Rating Agencies, or any changes or updates to, or any replacement of, the covered bonds ratings criteria of the Rating Agencies (including, without limitation, any manner in which a Rating Agency applies or construes any then existing covered bonds ratings criteria), subject to receipt by the Bond Trustee and the Security Trustee of a Rating Affirmation Notice from the Issuer and receipt by the Bond Trustee and the Security Trustee of a certificate signed by two Authorised Signatories of the Trust Manager each certifying to the Bond Trustee and the Security Trustee that such modifications are required in order to take into account, apply or construe any such new covered bonds ratings criteria of the Rating Agencies, or any such changes or updates to, any replacement of, or any application or construction of the covered bonds ratings criteria of the Rating Agencies.

10.3 Substitution

The Bond Trust Deed provides that in connection with any scheme of amalgamation or reconstruction of the Issuer not involving the bankruptcy or insolvency of the Issuer and (A) where the Issuer does not survive the amalgamation or reconstruction or (B) where all or substantially all of the assets and business of the Issuer will be disposed of to, or succeeded to, by another entity (whether by operation of law or otherwise), the Bond Trustee will, if requested by the Issuer, be obliged, without the consent or sanction of the Covered Bondholders, at any time to agree to the substitution in the place of the Issuer (or of the previous substitute) as principal debtor under the Bond Trust Deed (the **Substituted Debtor**) being the entity with and into which the Issuer amalgamates or the entity to which all or substantially all of the business and assets of the Issuer is transferred, or succeeded to, pursuant to such scheme of amalgamation or reconstruction (whether by operation of law or otherwise), subject to:

- (a) the Substituted Debtor entering into a supplemental trust deed or some other form of undertaking in form and manner satisfactory to the Bond Trustee agreeing to be bound by the Bond Trust Deed with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the Substituted Debtor had been named in the Bond Trust Deed as principal debtor in place of the Issuer;

- (b) the Substituted Debtor acquiring or succeeding to pursuant to such scheme of amalgamation or reconstruction all or substantially all of the assets and business of the Issuer;
- (c) each stock exchange or market on which the Covered Bonds are listed confirming in writing that following the proposed substitution of the Substituted Debtor the Covered Bonds will continue to be listed on such stock exchange or market;
- (d) the supplemental trust deed containing a warranty and representation by the Substituted Debtor that (A) the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Debtor of liability as principal debtor in respect of, and of its obligations under, the supplemental trust deed and the Covered Bonds; (B) such approvals and consents are at the time of substitution in full force and effect; and (C) the obligations assumed by the Substituted Debtor under the supplemental trust deed are legal, valid and binding in accordance with their respective terms;
- (e) confirmations being received by the Bond Trustee from each Rating Agency that the substitution will not adversely affect the then current rating of the Covered Bonds;
- (f) where the Substituted Debtor is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of a territory other than or in addition to Australia, undertakings or covenants in form and manner satisfactory to the Bond Trustee being given by the Substituted Debtor in terms corresponding to the provisions of Condition 7 with the substitution for (or, as the case may be, the addition to) the references to Australia of references to that other or additional territory in which the Substituted Debtor is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and (where applicable) Condition 5.2 being modified accordingly;
- (g) without prejudice to the rights of reliance of the Bond Trustee under the immediately following paragraph, the Bond Trustee being satisfied that the relevant transaction is not materially prejudicial to the interests of the Covered Bondholders;
- (h) if two directors of the Substituted Debtor (or other officer acceptable to the Bond Trustee) certifying that the Substituted Debtor is solvent both at the time at which the relevant transaction is proposed to be effected and immediately thereafter (which certificate the Bond Trustee may rely on absolutely without liability to any person) and the Bond Trustee must not have regard to the financial condition, profits or prospects of the Substituted Debtor or compare the same with those of the Issuer;
- (i) the Issuer and the Trust Manager, delivering to the Bond Trustee legal opinions obtained from lawyers of international repute in (a) England and Wales and (b) the jurisdiction of incorporation of the Substituted Debtor in form and substance satisfactory to the Bond Trustee; and
- (j) the Covered Bond Guarantee remaining in place or being modified to apply *mutatis mutandis* and continuing in full force and effect in relation to any Substituted Debtor.

Any such supplemental trust deed or undertaking will, if so expressed, operate to release the Issuer or in either case the previous substitute as aforesaid from all of its obligations as principal debtor under the Bond Trust Deed.

In addition, subject as further provided in the Bond Trust Deed, the Bond Trustee may without the consent or sanction of the Covered Bondholders, at any time agree to the substitution in place of the Issuer (or any previous substitute under this Condition) as the principal debtor under the Covered

Bonds, and the Bond Trust Deed or any other corporation subject to certain other conditions set out in the Bond Trust Deed being complied with.

Any substitution pursuant to this Condition 10.3 will be binding on the Covered Bondholders and must be notified in a form previously approved by the Bond Trustee by the new Issuer to the Covered Bondholders not later than 14 days after any such substitution in accordance with Condition 12.

10.4 Rating Agencies

If:

- (a) a confirmation or affirmation of rating or other response by a Rating Agency is a condition to any action or step under any Programme Document; and
- (b) the Issuer has delivered to the Covered Bond Guarantor (copied to the Seller and each Rating Agency) written confirmation that it has notified the Rating Agencies of the action or step and that the Trust Manager is satisfied, following discussions with the Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Rating Agencies and the Rating Agency does not consider such confirmation necessary,

the parties will be entitled to assume that the then current rating of the Covered Bonds from that Rating Agency will not be downgraded, qualified or withdrawn by such Rating Agency as a result of such action or step.

The Bond Trustee will be entitled to treat as conclusive a certificate signed by an Authorised Officer of the Issuer or the Covered Bond Guarantor as to any matter referred to in (b) above and the Bond Trustee will not be responsible for any Liability that may be caused as a result.

For the purposes of this Condition 10:

Potential Issuer Event of Default means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an Issuer Event of Default;

Potential Covered Bond Guarantor Event of Default means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute a Covered Bond Guarantor Event of Default; and

Series Reserved Matter in relation to Covered Bonds of a Series means any proposal:

- (i) to amend the dates of maturity or redemption of the Covered Bonds, or any date for payment of interest or Interest Amounts on the Covered Bonds or the obligation of the Issuer to pay additional amounts pursuant to Condition 7, (ii) to reduce or cancel the Principal Amount Outstanding of, or any premium payable on redemption of, the Covered Bonds, (iii) to reduce the rate or rates of interest in respect of the Covered Bonds or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Covered Bonds (other than any variation arising from the occurrence of a Benchmark Event or otherwise by the discontinuation of any interest rate benchmark used to determine the amount of any payment in respect of the Covered Bonds (including any Benchmark Amendment)), (iv) if a Minimum and/or a Maximum Rate of Interest, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is set out in the applicable Pricing Supplement, to reduce any such amount, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional

12. NOTICES

Unless otherwise specified, all notices and other communications to the Covered Bondholders must be in writing and either (i) sent by prepaid post (airmail if appropriate) to or left at the address of the A\$ Registered Covered Bondholders (as shown in the A\$ Register at the close of business on the day which is three Business Days before the date of the notice or communication) or (ii) (if available) issued to A\$ Registered Covered Bondholders through Austraclear in accordance with the Austraclear Regulations.

13. FURTHER ISSUES

The Issuer will be at liberty from time to time without the consent of the Covered Bondholders to create and issue further bonds having terms and conditions the same as the Covered Bonds of any Series or the same in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same can be consolidated and form a single Series with, and will be fungible for United States federal tax purposes with, the outstanding Covered Bonds of such Series.

14. INDEMNIFICATION OF THE BOND TRUSTEE AND THE SECURITY TRUSTEE AND THE BOND TRUSTEE AND SECURITY TRUSTEE CONTRACTING WITH THE ISSUER AND/OR THE COVERED BOND GUARANTOR

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the Covered Bondholders of any one or more Series would be materially prejudiced thereby, the Bond Trustee must not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders of the relevant Series by Extraordinary Resolution or by a direction in writing of such Covered Bondholders of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding or as otherwise required under the Programme Documents.

The Bond Trust Deed and the Security Deed contain provisions for the indemnification of the Bond Trustee and the Security Trustee and for their relief from responsibility, including provisions relieving them from taking any action unless indemnified and/or secured and/or prefunded to their satisfaction.

The Bond Trust Deed and the Security Deed also contain provisions pursuant to which each of the Bond Trustee and Security Trustee, respectively, is entitled, inter alia: (i) to enter into business transactions with the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Covered Bond Guarantor and/or any of their respective Subsidiaries and

affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Covered Bondholders or the other Secured Creditors and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

Neither the Bond Trustee nor the Security Trustee will be responsible for any loss, expense or liability which may be suffered as a result of any Mortgage Loan Rights or any Charged Property, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons whether or not on behalf of the Bond Trustee and/or the Security Trustee. Neither the Bond Trustee nor the Security Trustee will be responsible for inter alia: (i) supervising the performance by the Issuer or any other party to the Programme Documents of their respective obligations under the Programme Documents and the Bond Trustee and the Security Trustee will be entitled to assume, until they each have written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Programme Documents under the Programme Documents; (iii) monitoring the Mortgage Loan Rights forming part of the Assets of the Trust, including whether the Asset Coverage Test is satisfied or otherwise or the Amortisation Test is satisfied or otherwise; (iv) monitoring whether Mortgage Loans are Eligible Mortgage Loans or (v) monitoring whether the Issuer is in breach of the Pre-Maturity Test. Neither the Bond Trustee nor the Security Trustee will be liable to any Covered Bondholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent secured creditor in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Programme Documents.

The Bond Trustee may refrain from taking any action or exercising any right, power, authority or discretion vested in it relating to the transactions contemplated in the Programme Documents until it has been indemnified and/or secured and/or prefunded to its satisfaction against any and all actions, charges, claims, costs, damages, demands, expenses, liabilities, losses and proceedings which might be sustained by it as a result and will not be required to do anything which may cause it to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights, powers, authorities or discretions if it has reasonable grounds for believing that repayment of such funds or adequate indemnity, security or prefunding against such liability is not assured to it.

15. LIMITED RECOURSE AND NON-PETITION

15.1 Only the Security Trustee may pursue the remedies available under the general law or under the Security Deed to enforce the Security and no Transaction Party will be entitled to proceed directly against the Covered Bond Guarantor to enforce the Security. In particular, each Transaction Party (other than the Covered Bond Guarantor and the Security Trustee) has agreed with and acknowledges to each of the Covered Bond Guarantor and the Security Trustee, and the Security Trustee agreed with and acknowledged to the Covered Bond Guarantor, that:

- (a) none of the Transaction Parties (nor any person on their behalf, other than the Security Trustee where appropriate) is entitled, otherwise than as permitted by the Programme Documents, to direct the Security Trustee to enforce the Security or take any proceedings against the Covered Bond Guarantor to enforce the Security;
- (b) none of the Transaction Parties (other than the Security Trustee) will have the right to take or join any person in taking any steps against the Covered Bond Guarantor for the purpose of obtaining payment of any amount due from the Covered Bond Guarantor to any of such Transaction Parties;

- (c) until the date falling two years after the Vesting Date none of the Transaction Parties nor any person on their behalf may initiate or join any person in initiating an Insolvency Event in relation to the Trust other than a Receiver appointed under clause 15 of the Security Deed; and
- (d) none of the Transaction Parties is entitled to take or join in the taking of any corporate action, legal proceedings or other procedure or step which would result in the Priorities of Payments not being complied with.

15.2 The Covered Bondholders agree with and acknowledge to each of the Covered Bond Guarantor and the Security Trustee, and the Security Trustee has agreed with and acknowledged to the Covered Bond Guarantor, that notwithstanding any other provision of any Programme Document, all obligations of the Covered Bond Guarantor to such party including, without limitation, the Secured Obligations, are limited in recourse to the Covered Bond Guarantor as set out below:

- (a) it will have a claim only in respect of the Charged Property and will not have any claim, by operation of law or otherwise, against, or recourse to, any of the Covered Bond Guarantor's other assets;
- (b) sums payable to each party in terms of the Covered Bond Guarantor's obligations to such party will be limited to the lesser of (a) the aggregate amount of all sums due and payable to such party and (b) the aggregate amounts received, realised or otherwise recovered and immediately available for payment by or for the account of the Covered Bond Guarantor in respect of the Charged Property whether pursuant to enforcement of the Security or otherwise, net of any sums which are payable by the Covered Bond Guarantor in accordance with the Priorities of Payments in priority to or *pari passu* with sums payable to such party; and
- (c) upon the Security Trustee giving written notice to the relevant party that it has determined in its opinion, and the Servicer having certified to the Security Trustee, that there is no reasonable likelihood of there being any further realisations in respect of the Charged Property (whether arising from an enforcement of the Security or otherwise) which would be available to pay unpaid amounts outstanding under the relevant Programme Document, the relevant party will have no further claim against the Covered Bond Guarantor in respect of any such unpaid amounts and the obligations to pay such unpaid amounts will be discharged in full,

save that this limitation will not apply to a liability of the Covered Bond Guarantor to the extent it results from the Covered Bond Guarantor's fraud, negligence or wilful default.

15.3 The Covered Bondholders agree with and acknowledge to the Security Trustee that the Security Trustee enters into each Programme Document to which it is a party only in its capacity as trustee of the Security Trust and in no other capacity and that the Security Trustee will have no liability under or in connection with this deed or any other Programme Document (whether to the Secured Creditors, the Covered Bond Guarantor or any other person) other than to the extent to which the liability is able to be satisfied out of the property of the Security Trust from which the Security Trustee is actually indemnified for the liability. This limitation will not apply to a liability of the Security Trustee to the extent it results from the Security Trustee's fraud, negligence or wilful default.

15.4 To the extent permitted by law, no recourse under any obligation, covenant, or agreement of any person contained in the Programme Documents may be had against any shareholder, officer, agent or director of such person as such, by the enforcement of any assessment or by any legal proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that the Programme Documents are corporate obligations of each person expressed to be a party thereto and no personal liability will attach to or be incurred by the shareholders, officers, agents or directors of such person as such, or any of them, under or by reason of any of the obligations, covenants or agreements of such person contained

in the Programme Documents, or implied therefrom, and that any and all personal liability for breaches by such person of any of such obligations, covenants or agreements, either under any applicable law or by statute or constitution, of every such shareholder, officer, agent or director is expressly waived by each person expressed to be a party thereto as a condition of and consideration for execution of the Programme Documents.

17. GOVERNING LAW

The A\$ Registry Agreement, the A\$ Registered Covered Bonds, and any non contractual obligations arising out of or in connection with them are governed by, and will be construed in accordance with the laws applying in the State of New South Wales, Australia. 18. JURISDICTION

- 18.1 Each of the Issuer and the Covered Bond Guarantor hereby irrevocably submits to the jurisdiction of the English courts in any action or proceeding arising out of or related to the Covered Bonds. The courts of England and (in the case of any action involving the Issuer or the Covered Bond Guarantor) the Commonwealth of Australia are to have jurisdiction to settle any dispute (including a dispute relating to any non-contractual obligations arising out of or in connection with the Covered Bonds), and each party hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts. Each party hereby irrevocably waives, to the fullest extent it may possibly do so, any defence or claim that the English or the Commonwealth of Australia courts (as applicable) are an inconvenient forum for the maintenance or hearing of such action or proceeding. Each party may take any suit, action or proceeding arising out of or in connection with the Covered Bonds (including any proceedings relating to any non-contractual obligations arising out of or in connection with the Covered Bonds) against any of the Issuer and the Covered Bond Guarantor in any other court of competent jurisdiction and concurrent proceedings in any number of jurisdictions.

(the Covered Bond Guarantor)

This Covered Bond is a **Temporary Bearer Global Covered Bond** in respect of a duly authorised issue of Covered Bonds of the Issuer (the **Covered Bonds**) of the Principal Amount Outstanding, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the **Final Terms**) (or, in the case of Exempt Covered Bonds, the Pricing Supplement applicable to the Exempt Covered Bonds (the **Pricing Supplement**)), a copy of which is annexed hereto. References herein to the Final Terms shall, in relation to an Exempt Covered Bond, be deemed to constitute a reference to the Pricing Supplement. References herein to the **Conditions** will be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 (Terms and Conditions of the Regulation S Covered Bonds sold under the Base Prospectus) to the Bond Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions bear the same meanings when used in this Temporary Bearer Global Covered Bond.

This Temporary Bearer Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a bond trust deed (such bond trust deed as modified and/or supplemented and/or restated from time to time, the **Bond Trust Deed**) dated [21 November 2017] and made between the Issuer, the Covered Bond Guarantor and Deutsche Trustee Company Limited (the **Bond Trustee**).

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Bond Trust Deed, promises to pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Temporary Bearer Global Covered Bond may become due and repayable in accordance with the Conditions and the Bond Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Temporary Bearer Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions and the Bond Trust Deed, upon presentation and, at maturity, surrender of this Temporary Bearer Global Covered Bond to or to the order of the Principal Paying Agent or any of the other Paying Agents located outside the United States and its possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

The nominal amount of the Covered Bonds represented by this Temporary Bearer Global Covered Bond will be the amount stated in the Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One or Schedule Two (Exchanges).

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Temporary Bearer Global Covered Bond, the Issuer must procure that: details of such redemption, payment, purchase and cancellation (as the case may be) will be entered by or on behalf of the Issuer in Schedule 1 hereto and the relevant space in Schedule 1 hereto

recording any such redemption, payment, purchase and cancellation (as the case may be) will be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the Principal Amount Outstanding of this Temporary Bearer Global Covered Bond and the Covered Bonds represented by this Temporary Bearer Global Covered Bond will be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment.

Payments due in respect of Covered Bonds for the time being represented by this Temporary Bearer Global Covered Bond must be made to the bearer of this Temporary Bearer Global Covered Bond and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above will not affect such discharge.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Principal Paying Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular principal amount of the Covered Bonds represented by this Temporary Bearer Global Covered Bond (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Temporary Bearer Global Covered Bond will not (unless upon due presentation of this Temporary Bearer Global Covered Bond for exchange, delivery of the appropriate number of Bearer Definitive Covered Bonds (together, if applicable, with the Coupons and Talons appertaining thereto in or substantially in the forms set out in Part 3, Part 4 and Part 5 of Schedule 4 (Forms of Global and Definitive Covered Bonds, Coupons and Talons) to the Bond Trust Deed) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Bearer Global Covered Bond is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date, this Temporary Bearer Global Covered Bond may be exchanged (free of charge) in whole or in part for, as specified in the Final Terms, either (a) security printed Bearer Definitive Covered Bonds and (if applicable) Coupons and/or Talons (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed or attached to such Bearer Definitive Covered Bonds) or (b) a Permanent Bearer Global Covered Bond which is in or substantially in the form set out in Part 2 of Schedule 4 (Form of Permanent Bearer Global Covered Bond) to the Bond Trust Deed (together with the Final Terms attached thereto), in each case upon notice being given by a relevant Clearing System acting on the instruction of any holder of an interest in this Temporary Bearer Global Covered Bond and subject, in the case of Bearer Definitive Covered Bonds, to such notice period as is specified in the Final Terms.

If Bearer Definitive Covered Bonds and (if applicable) Coupon and/or Talons have already been issued in exchange for all the Covered Bonds represented for the time being by the Permanent Bearer Global Covered Bond, then this Temporary Bearer Global Covered Bond may only thereafter be exchanged for Bearer Definitive Covered Bonds and (if applicable) Coupons and/or Talons pursuant to the terms hereof.

This Temporary Bearer Global Covered Bond may be exchanged by the bearer hereof on any Business Day in London. The Issuer must procure that Bearer Definitive Covered Bonds or (as the case may be) the interests in the Permanent Bearer Global Covered Bond will be (in the case of Bearer Definitive Covered Bonds) issued and delivered in exchange for only that portion of this Temporary Bearer Global Covered Bond in respect of which there has been presented to the Principal Paying Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in particular nominal amount of the Covered Bonds represented by this Temporary Bearer Global Covered Bond (as shown by its records) a certificate of non-US beneficial ownership in the form required by it.

On an exchange of the whole of this Temporary Bearer Global Covered Bond, this Temporary Bearer Global Covered Bond must be surrendered to or to the order of the Principal Paying Agent. On an exchange of part only of this Temporary Bearer Global Covered Bond, the Issuer must procure that details of such exchange

will be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange will be signed by or on behalf of the Issuer, whereupon the nominal amount of this Temporary Bearer Global Covered Bond and the Covered Bonds represented by this Temporary Bearer Global Covered Bond will be reduced by the Principal Amount Outstanding of this Temporary Bearer Global Covered Bond so exchanged. On any exchange of this Temporary Bearer Global Covered Bond for a Permanent Bearer Global Covered Bond, details of such exchange will be entered by or on behalf of the Issuer in Schedule 2 to the Permanent Bearer Global Covered Bond and the relevant space in Schedule 2 thereto recording such exchange will be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Temporary Bearer Global Covered Bond as aforesaid, the bearer hereof will (subject as provided in the next paragraph) in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Coupons and/or Talons (if any) in the form(s) set out in Part 3, 4 and 5 (as applicable) of Schedule 4 (Forms of Global and Definitive Covered Bonds, Coupons and Talons) to the Bond Trust Deed.

Each person (other than Euroclear Bank SA/NV (**Euroclear**) or Clearstream Banking S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**)) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Covered Bonds represented by this Temporary Bearer Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Covered Bonds standing to the account of any person will be conclusive and binding for all purposes save in the case of manifest error) will be treated by the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee, the Principal Paying Agent and any other Paying Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which will be vested, as against the Issuer, solely in the bearer of this Temporary Bearer Global Covered Bond in accordance with and subject to the terms of this Temporary Bearer Global Covered Bond and the Bond Trust Deed.

This Temporary Bearer Global Covered Bond and any non-contractual obligations arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

A person who is not a party to this Temporary Bearer Global Covered Bond has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Temporary Bearer Global Covered Bond, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

(AS TRUSTEE OF THE CBA COVERED BOND TRUST)
(the Covered Bond Guarantor)

This Covered Bond is a **Permanent Bearer Global Covered Bond** in respect of a duly authorised issue of Covered Bonds of the Issuer (the **Covered Bonds**) of the Principal Amount Outstanding, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the **Final Terms**) (or, in the case of Exempt Covered Bonds, the Pricing Supplement applicable to the Exempt Covered Bonds (the **Pricing Supplement**)), a copy of which is annexed hereto, and which are constituted by a Bond Trust Deed (as defined below). References herein to the Final Terms shall, in relation to an Exempt Covered Bond, be deemed to constitute a reference to the Pricing Supplement. References herein to the **Conditions** are to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 (Terms and Conditions of the Regulation S Covered Bonds sold under the Base Prospectus) to the Bond Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions bear the same meanings when used in this Permanent Bearer Global Covered Bond.

This Permanent Bearer Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a bond trust deed (such bond trust deed as modified and/or supplemented and/or restated from time to time, the **Bond Trust Deed**) dated [21 November 2017] and made between the Issuer, the Covered Bond Guarantor and Deutsche Trustee Company Limited (the **Bond Trustee**).

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Bond Trust Deed, promises to pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Permanent Bearer Global Covered Bond may become due and repayable in accordance with the Conditions and the Bond Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Permanent Bearer Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions and the Bond Trust Deed, upon presentation and, at maturity, surrender of this Permanent Bearer Global Covered Bond to or to the order of the Principal Paying Agent or any of the other Paying Agents located outside the United States and its possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

The Principal Amount Outstanding of the Covered Bonds represented by this Permanent Bearer Global Covered Bond will be the amount stated in the Final Terms or, if lower, the Principal Amount Outstanding most recently entered by or on behalf of the Issuer in the relevant column in Part II, III, or IV of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Permanent Bearer Global Covered Bond the Issuer must procure that details of such redemption, payment, or purchase and cancellation (as the case may be) will be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such redemption, payment, or purchase and cancellation (as the case may be) will be signed by or on behalf of the Issuer, whereupon the Principal Amount Outstanding of this Permanent Bearer Global Covered Bond and the Covered Bonds represented by this Permanent Bearer Global Covered Bond will be reduced by the nominal amount of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment so paid.

Payments due in respect of Covered Bonds for the time being represented by this Permanent Bearer Global Covered Bond must be made to the bearer of this Permanent Bearer Global Covered Bond and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above will not affect such discharge.

If the Covered Bonds represented by this Permanent Bearer Global Covered Bond were, on issue, represented by a Temporary Bearer Global Covered Bond then on any exchange of such Temporary Bearer Global Covered Bond for this Permanent Bearer Global Covered Bond or any part hereof, the Issuer must procure that details of such exchange will be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange will be signed by or on behalf of the Issuer, whereupon the Principal Amount Outstanding of this Permanent Bearer Global Covered Bond and the Covered Bonds represented by this Bearer Global Covered Bond will be increased by the nominal amount of the Temporary Bearer Global Covered Bond so exchanged.

This Permanent Bearer Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Bearer Definitive Covered Bonds and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Part 3 (Form of Bearer Definitive Covered Bond), Part 4 (Form of Coupon) and Part 5 (Form of Talon) of Schedule 4 (Forms of Global and Definitive Covered Bonds, Coupons and Talons) to the Bond Trust Deed (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Bearer Definitive Covered Bonds) either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Principal Paying Agent by Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**) (acting on the instructions of any holder of an interest in this Permanent Bearer Global Covered Bond); or
- (b) upon the occurrence of an Exchange Event.

An **Exchange Event** means the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, whether statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available.

If this Permanent Bearer Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- (a) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 12 (NOTICES) upon the occurrence of such Exchange Event; and
- (b) Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Permanent Bearer Global Covered Bond) or the Bond Trustee may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as

described in (b) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange.

Any such exchange must occur on a date specified in the notice not more than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The first notice requesting exchange in accordance with the above provisions will give rise to the issue of Bearer Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Permanent Bearer Global Covered Bond.

Any such exchange as aforesaid will be made upon presentation of this Permanent Bearer Global Covered Bond by the bearer hereof on any Business Day in London at the office of the Principal Paying Agent specified above.

The aggregate Principal Amount Outstanding of Bearer Definitive Covered Bonds issued upon an exchange of this Permanent Bearer Global Covered Bond will be equal to the aggregate Principal Amount Outstanding of this Permanent Bearer Global Covered Bond. Upon exchange of this Permanent Bearer Global Covered Bond for Bearer Definitive Covered Bonds, the Principal Paying Agent must cancel it or procure that it is cancelled.

Until the exchange of the whole of this Permanent Bearer Global Covered Bond as aforesaid, the bearer hereof will (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Coupons and/or Talons (if any) in the form(s) set out in Part 3 (Form of Bearer Definitive Covered Bond), Part 4 (Form of Coupon) and Part 5 (Form of Talon) (as applicable) of Schedule 4 (Forms of Global and Definitive Covered Bonds, Coupons and Talons) to the Bond Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Covered Bonds represented by this Permanent Bearer Global Covered Bond (each an **Accountholder**) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Covered Bonds standing to the account of any person will be conclusive and binding for all purposes save in the case of manifest error) will be treated by the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee, the Principal Paying Agent and any other Paying Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which will be vested, as against the Issuer and the Covered Bond Guarantor, solely in the bearer of this Permanent Bearer Global Covered Bond in accordance with and subject to the terms of this Permanent Bearer Global Covered Bond and the Bond Trust Deed. Each Accountholder must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for its share of each payment or delivery made to the bearer of this Permanent Bearer Global Covered Bond.

This Permanent Bearer Global Covered Bond and any non-contractual obligations arising out of or in connection with it will be governed by, and will be construed in accordance with, English law.

A person who is not a party to this Permanent Bearer Global Covered Bond has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Permanent Bearer Global Covered Bond, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

This Permanent Bearer Global Covered Bond will not be valid unless authenticated by Deutsche Bank AG, London Branch as Principal Paying Agent.

IN WITNESS whereof the Issuer has caused this Permanent Bearer Global Covered Bond to be signed manually or in facsimile by a person duly authorised on its behalf.

This Covered Bond is a **Registered Global Covered Bond** in respect of a duly authorised issue of Covered Bonds of the Issuer (the **Covered Bonds**) of the Principal Amount Outstanding, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the **Final Terms**) (or, in the case of Exempt Covered Bonds, the Pricing Supplement applicable to the Exempt Covered Bonds (the **Pricing Supplement**)), a copy of which is annexed hereto. References herein to the Final Terms shall, in relation to an Exempt Covered Bond, be deemed to constitute a reference to the Pricing Supplement. References herein to the Conditions are to the **Conditions** of the Covered Bonds as set out in [Schedule 1 (Terms and Conditions of the Regulation S Covered Bonds sold under the Base Prospectus)]/[Schedule 2 (Terms and Conditions of the Rule 144a and the Regulation S Covered Bonds sold under the U.S. Offering Circular)]/[Schedule 3 (Terms and Conditions of the A\$ Registered Covered Bonds)] to the Bond Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions bear the same meanings when used in this Registered Global Covered Bond.

This Registered Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a bond trust deed (as modified and/or supplemented and/or restated from time to time, the **Bond Trust Deed**) dated [21 November 2017] and made between the Issuer, the Covered Bond Guarantor and Deutsche Trustee Company Limited (the **Bond Trustee**).

The Issuer, subject to and in accordance with the Conditions and the Bond Trust Deed, agrees to pay to such registered holder on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Registered Global Covered Bond may become due and repayable in accordance with the Conditions and the Bond Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Registered Global Covered Bond calculated and payable as provided in the Conditions and the Bond Trust Deed together with any other sums payable under the Conditions and the Bond Trust Deed, upon presentation and, at maturity, surrender of this Registered Global Covered Bond at the specified office of the Registrar at [●] or such other specified office as may be specified in the Final Terms. Upon any such redemption or purchase and cancellation the Principal Amount Outstanding of this Registered Global Covered Bond and the Covered Bonds held by the registered holder hereof will be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled. The Principal Amount Outstanding of this Registered Global Covered Bond and of the Covered Bonds held by the registered holder hereof following any such redemption or purchase and cancellation as aforesaid or any

transfer or exchange as referred to below will be the Principal Amount Outstanding most recently entered in the relevant column in Part II or III of Schedule One hereto or in Schedule Two hereto.

This Registered Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Coupons or Talons attached only upon the occurrence of an Exchange Event.

(**Clearstream, Luxembourg**) or its nominee, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, whether statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available.

Upon the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition [12] (Notices) of the occurrence of such Exchange Event; and
- (ii) DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Registered Global Covered Bond) or the Bond Trustee may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (b) above the Issuer may also give notice to the Registrar requesting exchange. Any such exchange must occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Covered Bonds represented by this Registered Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof and of the applicable Principal Agency Agreement (as amended, supplemented, restated and/or novated from time to time) and the rules and operating procedures of Euroclear and/or Clearstream, Luxembourg and/or DTC.

Subject as provided in the following two paragraphs, until the exchange of the whole of this Registered Global Covered Bond as aforesaid, the registered holder hereof will in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form set out in Part 7 (Form of

Registered Definitive Covered Bond) of Schedule 4 (Forms of Global and Definitive Covered Bonds, Coupons and Talons) to the Bond Trust Deed.

Where this Registered Global Covered Bond is registered in the name of a common depositary for Euroclear and/or Clearstream, Luxembourg or its nominee, and subject as provided in the Bond Trust Deed, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as entitled to a particular Principal Amount Outstanding of the Covered Bonds represented by this Registered Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the Principal Amount Outstanding of such Covered Bonds standing to the account of any person will be conclusive and binding for all purposes save in the case of manifest error) will be deemed to be the holder of such Principal Amount Outstanding of the Covered Bonds for all purposes other than with respect to payments of principal and interest on such Principal Amount Outstanding of such Covered Bonds for which purpose the registered holder of this Registered Global Covered Bond will be deemed to be the holder of such Principal Amount Outstanding of the Covered Bonds in accordance with and subject to the terms of this Registered Global Covered Bond and the Bond Trust Deed.

Where this Registered Global Covered Bond is registered in the name of DTC or its nominee, and subject as provided in the Bond Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular Principal Amount Outstanding of the Covered Bonds represented by this Registered Global Covered Bond (in which regard any certificate or other document issued by DTC as to the Principal Amount Outstanding of such Covered Bonds standing to the account of any person will be conclusive and binding for all purposes save in the case of manifest error) will be deemed to be the holder of such Principal Amount Outstanding of the Covered Bonds for all purposes other than with respect to payments of principal and interest on and voting, giving consents and making requests in respect of, such Principal Amount Outstanding of such Covered Bonds for which purpose the registered holder of this Registered Global Covered Bond will be deemed to be the holder of such Principal Amount Outstanding of the Covered Bonds in accordance with and subject to the terms of this Registered Global Covered Bond and the Bond Trust Deed.

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Registered Global Covered Bond, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Registered Global Covered Bond and any non-contractual obligations arising out of or in connection with it will be governed by, and will be construed in accordance with, English law.

8. AMENDMENTS

Any amendments to these Confirmation Terms or any N Covered Bond Condition will be made only with the written consent of each party to these Confirmation Terms (including any N Covered Bondholder that has confirmed the applicability of these Confirmation Terms to the N Covered Bond held by it). No waiver of these Confirmation Terms will be effective unless it is in writing and signed by (or by some person duly authorised by) each of the parties (including any N Covered Bondholder that has confirmed the applicability of these Confirmation Terms to the N Covered Bond held by it). No single or partial exercise of, or failure or delay in exercising, any right under these Confirmation Terms shall constitute a waiver or preclude any other or further exercise of that or any other right.

9. ASSIGNMENT

Neither these Confirmation Terms nor any of the rights or obligations under these Confirmation Terms will be assignable or transferable by any party except (i) by an N Covered Bondholder together with the transfer of the N Covered Bond as further described in the relevant N Covered Bond Conditions (in which case, upon due registration of the assignment, the assignor will be released from these Confirmation Terms with respect to the N Covered Bond or the part of the N Covered Bond so assigned); (ii) by the Issuer in accordance with Condition 10.3 of the Programme Conditions and Clause 22 of the Bond Trust Deed; and (iii) in the case of the Bond Trustee, any successor or new Bond Trustee appointed pursuant to the terms of the Bond Trust Deed.

10. NO ENFORCEMENT BY N COVERED BONDHOLDER

Subject to and in accordance with the Bond Trust Deed, each N Covered Bondholder agrees with the Covered Bond Guarantor, the Issuer and the Bond Trustee that only the Bond Trustee may take action to enforce the terms of the N Covered Bond and the Bond Trust Deed and it shall not take any steps or institute proceedings unless the Bond Trustee or the Security Trustee having become bound to do so fails to do so within a reasonable time and such failure is continuing (in which case the relevant N Covered Bondholder shall be entitled to take such steps in accordance with Condition 9 of the Programme Conditions).

11. OTHER TERMS

Notwithstanding any other provision in Condition 9.1 (*Events of Default and Enforcement – Issuer Events of Default*) of the Programme Conditions, no Issuer Event of Default in respect of the N Covered Bond shall occur solely on account of any failure by the Issuer to perform or observe any of its obligations in relation to, or the taking of any proceeding or the making or entering into of any assignment, arrangement or composition in respect of, any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (each as defined by APRA from time to time).

12. GOVERNING LAW

These Confirmation Terms and all non contractual or other obligations arising out of or in connection with them are governed by English law other than the provisions relating to the limited recourse of the Covered Bond Guarantor and the Security Trustee in the Bond Trust Deed and the Programme Conditions that are incorporated herein, which provisions are governed by the laws applying the State of New South Wales, Australia.

13. PLACE OF JURISDICTION

The courts of England shall have the exclusive jurisdiction for any actions or other legal proceedings arising out of or in connection with these Confirmation Terms and the parties hereto agree to waive any right to invoke, and agree not to invoke, any claim of *forum non conveniens* and each party hereto irrevocably submits to the jurisdiction of the courts of England in respect of any action or proceeding relating in any way to these Confirmation Terms. Any documents relating to such dispute may be served on the relevant N Covered Bondholder by being delivered to the address stated in the relevant N Covered Bond Confirmation.

14. PARTIAL INVALIDITY

If any provision of these Confirmation Terms is or becomes invalid in whole or in part, the remaining provisions shall remain unaffected thereby. Invalid provisions shall be replaced by such valid provisions which taking into consideration the purpose and intent of these Confirmation Terms have to the extent legally possible the same economic effect as the invalid provisions. This shall apply *mutatis mutandis* to any gap in these Confirmation Terms.

15. THIRD PARTY BENEFICIARIES

Subject to any provision(s) of these Confirmation Terms under which rights are granted to third parties by express reference to the Contracts (Rights of Third Parties) Act 1999, a person who is not a party to these Confirmation Terms has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Confirmation Terms but this does not affect any right or remedy of a third party which exists or is available apart from that Act.
