3. Getting started

Things you should know

Your Travel Money Card can be accepted all over the world wherever Visa is accepted.

If the currency of your travel destination isn't listed, you can still load and use Australian Dollars when you're overseas (see 4.5).

If you have more than one currency on your Travel Money Card, a Currency Order will apply (see 4.5.1).

2.2. What are the risks?

There are some risks you should consider:

- As the Travel Money Card is designed for your personal use, if you give one or more of your Cards to another person to use (including family or friends), this will constitute a breach of these terms and conditions and your Cards may be cancelled without prior notice (see 8.9).
- Unauthorised transactions may be performed on your account and in some cases you may be liable for losses (see section 8).
- You might not be able to use your Card when there are disruptions to computer and/or telecommunication systems. We recommend you take another form of payment as backup such as foreign cash or a debit/credit card.
- The credit balance of the Travel Money Card does not count as a deposit with us. There is no interest payable to you on the credit balance of your Travel Money Card. Your Travel Money Card isn't covered by the Financial Claims Scheme.

2.3. What does it mean for your tax?

As your Travel Money Card is for your personal use only, there should be no income tax implications.

- Merchants or other providers of facilities may impose additional limits. Most ATM operators have a limit on how much you can withdraw from an ATM per transaction and this may be less than our maximum.
- You can deposit cash onto your TMC over-the-counter in Commbank branches. Cash deposits will only be accepted from you and not a third party.
- You cannot make over-the-counter cash withdrawals from your Travel Money Card in Commbank branches.

4.4. Spending money with your Card

4.4.1 How to make withdrawals and purchases

You can use your Travel Money Card in stores, online, at ATMs, in bank branches, over the phone and by mail wherever Visa is accepted.

When you use your Card and are given the option, always **select Credit** and not the Cheque or Savings options. The amount will be taken out of your account immediately, along with any fees.

4.4.2 How pre-authorisations work

Sometimes businesses, like hotels and car rental agencies, ask you to give them card details as a form of guarantee, before they agree to give you goods or services. If you provide them with your Travel Money Card details they can check with us that your Card is valid and that there's money in your account to pay for what you're buying. If we confirm this (called a 'pre-authorisation'), the balance on your Card will be reduced by the pre-authorized amount. If the amount of your final bill is different to the amount that was pre-authorized, you may see two "pending transactions" on your Card. You can ask the business to cancel the preauthorisation however they are not obliged to immediately.

Tip: Don't give businesses your Travel Money Card if you want to avoid your balance being reduced in this way. Instead, provide another card such as a debit or credit card, as a guarantee.

4.5. Which currency is used when you make a purchase or withdrawal?

If you pay or withdraw in the local currency from your Travel Money Card, the transaction amount will be taken from that currency.

If you don't have enough or any of the local currency on your Card to complete a transaction, the transaction will be debited from whatever currency you have on your Card in an amount sufficient to cover the transaction. If you have more than one currency in a sufficient amount, the currency that is used will be the currency highest in your Currency Order (see 4.5.2).

The Travel Money Card does not combine currencies to complete transactions. To complete a transaction you must have enough funds in a single currency to cover the transaction amount, including any fees applicable (e.g. cash withdrawal fee).

If you don't have sufficient funds in any one currency, the transaction will be declined.

4.5.1. Currency Order – managing multiple currencies

The Currency Order that applies by default when you first load your Card is as follows:

- | | |
|---------|----------|
| (1) USD | (8) CAD |
| (2) EUR | (9) SGD |
| (3) GBP | (10) THB |
| (4) AUD | (11) VND |
| (5) JPY | (12) CNY |
| (6) NZD | (13) AED |
| (7) HKD | |

Any new currency that is reloaded onto the Travel Money Card will be added to the bottom of the Currency Order. You can change your Currency Order at any time in the CommBank app and NetBank.

4.5.2 How the Currency Order works

We demonstrate how the Currency Order works in the following scenarios: In all the scenarios below, the Currency Order is (1) USD, (2) EUR.

Scenario 1: Pay EUR 15 for a meal in France

Card balance: USD 65 | EUR 135

What if I ...

make a purchase and have enough of the local currency on my Card?

What happens

EUR is used to pay for the meal because you have enough EUR loaded on the Card to complete the transaction.

Scenario 2: Pay USD 70 for a meal in United States

Card balance: USD 65 | EUR 135

What if I ...

don't have enough money in the local currency to complete the transaction?

What happens

You don't have enough USD but have enough EUR loaded on the card to pay for the meal. The equivalent of USD 70 will be converted using EUR to complete the transaction.

Note: Currencies are not combined to complete transactions.

Scenario 3: Pay GBP 15 for a meal in United Kingdom

Card balance: USD 65 | EUR 135

What if I ...

don't have the local currency loaded on my Card?

What happens

You have enough USD to pay for the meal. The equivalent of GBP 15 will be converted using USD to complete the transaction.

Note: Currency conversion is applied in this scenario. See 7.1.

Scenario 4: Pay EUR 160 for a hotel in France

Card balance: USD 65 | EUR 135

What if I ...

don't have enough of any currency to complete the transaction?

What happens

You don't have enough USD or EUR to pay for the hotel. The transaction will decline due to insufficient funds in any single currency.

Note: Currencies are not combined to complete transactions.

Scenario 5: AUD 200 is reloaded via BPAY onto your Travel Money Card

Card balance: USD 65 | EUR 135

What if I ...

reload my Travel Money Card via BPAY?

What happens

USD is set as the first currency in your currency order, so the reload amount is automatically converted and loaded into USD.

Things you should know

Note: Currency conversion may apply in the above mentioned scenarios. See 7.1.

4.5.3 Checking your balance at an ATM or cash dispensing merchant overseas

If you check your balance at an ATM or cash dispensing merchant overseas and have the local currency loaded on your Travel Money Card, the ATM or cash dispensing merchant will display the balance only for that currency, in either the local currency or in AUD (converted at a rate determined by the ATM or cash dispensing merchant).

If you don't have the local currency on your Travel Money Card, the ATM or cash dispensing merchant will display only the currency with the largest balance on your Card. This amount will be displayed in the local currency or AUD (converted at a rate determined by the ATM or cash dispensing merchant).

Some ATM providers or cash dispensing merchants use different conversion rates to us. This may cause discrepancies between your balance at an ATM or cash dispensing merchant and your balance in the CommBank app or NetBank. For an accurate balance of your account, check the CommBank app, NetBank, visit a branch or call the Travel Money Service Centre.

5. Keeping track of your spending

5.1. Statement of account

You can check your transaction history at any time by logging onto the CommBank app or NetBank or by calling us. You can query any listed transactions, for current or expired Travel Money Cards, by contacting us.

We'll send you an email every six months to remind you that a list of your transactions can be viewed in the CommBank app and on NetBank provided:

- Your email address is still valid
- You have transactions, or a balance greater than zero, during the six month period
- Your Card is not expired or closed

You should ensure that we always have your most up-to-date contact details, especially your email address. You can update your contact details by contacting us (see back page for contact details).

We will not give you a paper copy of your transactions; however you can print them off in NetBank whilst your Card is not expired or closed.

5.2. Setting up SMS alerts

If you give us your mobile phone number, we can help you keep track of your spending with SMS alerts. You'll get a text when your Card has been loaded, plus notifications of your daily, weekly, monthly or low balance – depending on which option you choose.

You can set up SMS balance alerts by logging on to NetBank.

6. What happens when you close your account or your card expires?

6.1. When you ask us to close your Travel Money Card account

Subject to 8.9, you can close your Travel Money Card account at any time by visiting a CommBank branch.

If you ask us to close your Travel Money Card account before it expires, or within three months after the expiry date, you'll need to give us details of an Australian bank account so we can transfer the money left on your account. We'll calculate the amount in Australian Dollars (AUD) using the CommBank Retail Foreign Exchange Rate at the time of the conversion.

We'll usually process the request to close your account within three Business Days – but it might take longer if there are any pending transactions, refunds or fees that need processing. After we've closed your account, you'll need to destroy both Cards.

If you're expecting any refunds, you should wait until you've received them before closing your account.

If a refund is processed on the account after it has been closed, we'll convert the remaining credit balances to AUD using the CommBank Retail Foreign Exchange Rate at the time of the conversion.

If you haven't collected your balance within seven years of closing your account, we'll transfer any money from the Bank's Unclaimed Money Fund to the Commonwealth Government's unclaimed monies fund. You can apply to have this money returned to you at any time by visiting a CommBank branch.

6.2. When your Cards expire

You can use your Cards until the expiry date shown on the front. We'll notify you in writing one month before your Cards' expiry date to remind you that they're about to expire.

You can transfer money from your Travel Money Card to your eligible CommBank account through the CommBank app or NetBank at any time up to three months after the expiry date.

If there is any money remaining in your Travel Money Card account three months after your Cards expire, we'll close your account and convert your balance to AUD using the CommBank Wholesale Foreign Exchange Rate at the time of the conversion. You can claim this money by filling out a claim form at any CommBank branch.

7. Fees and charges

CommBank may attempt to transfer any remaining balance on your Card to an eligible CommBank account that is solely in your name after your balance has been converted using the AUD CommBank Wholesale Foreign Exchange Rate at the time of the conversion. We will write to you and tell you if we have been able to match your Travel Money Card account to an eligible CommBank account prior to transferring any remaining balance.

If you haven't claimed this money within six years after your account closes, we'll transfer your balance to the Commonwealth Government's unclaimed monies fund. You can apply to have this money returned to you at anytime by visiting a CommBank branch.

6.3. How to renew your Cards before or after they expire

In the six months prior to your Cards' expiry date or within three months after the expiry date, you can request new Cards by:

- Logging on to the CommBank app or NetBank;
- Visiting a branch; or
- Calling the Travel Money Customer Service Centre.

You need to tell us (see back page for contact details) as soon as:

- You think someone else has used your Travel Money Card;
- You think someone else may know your PIN or password;
- You notice a mistake or a transaction you didn't make or authorise; or
- You make a mistake when making a payment.

8. What happens if there's a problem?

You may be responsible for any financial losses if you don't tell us straight away. Liability for losses resulting from unauthorised transactions will be determined in accordance with the ePayments Code.

8.1. Does a transaction look wrong?

In general, you're responsible for any losses that occur on your Travel Money Card – including all transactions made by you or anyone else who you authorise to use your Card (in breach of 3.2). However, you may not be responsible for transactions that happen without your knowledge or consent. We follow the ePayments Code to work out if you're liable for the loss (see 8.2).

You should check all of your receipts from purchases and withdrawals against your transaction history on the CommBank app or NetBank. Here's what you should do if you see a problem:

If you're not sure about a transaction on your account

- Get in touch with the merchant that charged you and try to resolve it with them.
- If that doesn't work, call the Travel Money Customer Service Centre within 30 Days of the transaction date. We might ask you to send us written information as well.
- Lodge a transaction dispute within 30 Days from the transaction date (see 8.4).

If you didn't authorise a transaction on your account

1. Block the Card that was used to make the unauthorised transaction through the CommBank app, on NetBank or by calling us (see back page for contact details).
2. Call the Travel Money Customer Service Centre as soon as you notice the transaction (see back page for contact details). We might ask you to send us written information as well.
3. Lodge a transaction dispute (see 8.4).

Note: Merchants are given time to respond to a disputed transaction. Allow up to 45 Days from acknowledgment of the dispute for an outcome.

8.2. When you may or may not get a refund as a result of an unauthorised transaction

When you'll get a refund

- It's clear you didn't contribute to the loss.
- The cause of the loss is one of the following:
 - fraud or negligence by a bank employee or anyone else involved in processing your transaction;
 - faulty equipment, a forged or faulty Card or device or an expired or cancelled Card, PIN or password;
 - your Card, PIN or a password being used before you received it from us; or
 - the same transaction was debited to your account more than once.

When you'll get a refund

Even if you're responsible for the loss, you'll still get a refund for any amount withdrawn that is:

- Above the Card transaction limit;
- Outside any applicable periodic transaction limit;
- More than the available balance; or
- Recovered under the Card scheme's rules.

If your situation doesn't fall within either column 1 or column 3 of this table, the maximum amount you will be liable for is \$150 (where the ePayments Code permits). We'll refund any remaining amount. We, or an external dispute resolution body may also decide to reduce your liability for the loss.

When you won't get a refund

- The security of the PIN, password or other code used to access the account or perform the transaction has been breached, but only if such breach was the dominant cause of the loss.
- If you contributed to the loss through fraud, kept an undisguised record of your PIN or password, created a PIN or password that was easy to guess (like your name or date of birth) or otherwise didn't comply with your password security obligations under the ePayments Code.

- You didn't tell us straight away that your Card was lost or stolen or that someone else may know your PIN or password (you'll be responsible for transactions after you should have told us).
- You left your Card at an ATM (where the ATM incorporated reasonable safety standards that mitigate against the risk that this will occur).
- The ePayments Code otherwise does not entitle you to a refund. If any of these happen, we may hold you responsible for the transaction unless we can get you a refund under the Card scheme rules or the ePayments Code entitles you to a refund (for example, because the loss exceeded your available limit).

8.3. When we can make a chargeback

As a Visa member, we can request a refund ('chargeback') of a purchase transaction using your Travel Money Card in certain situations – for example if the goods weren't delivered.

We may also accept the merchant's refusal to make that chargeback if the refusal is made in a way allowed under the relevant Card's scheme rules.

To take advantage of this chargeback process, contact us within 30 Days of the transaction date. Otherwise we may not be able to claim a chargeback for you.

Chargeback rights don't apply to BPAY payments – but if you notify us of a mistake, we'll do our best to recover the payment.

8.4. How to lodge a transaction dispute

To lodge a transaction, ATM, or over-the-counter cash withdrawal dispute, download a Dispute Form from commbank.com.au/support/disputing-a-transaction and:

Fax it to: +61 2 8737 3623

or mail it to:

**2067 Operations Processing Centre
Reconciliations and Disputes
PO Box 492, Lidcombe NSW 1825**

We will acknowledge that we have received your dispute within 10 Business Days by sending you a letter to your address and we'll start investigating the transaction for you. Allow up to 21 Days for an outcome or an update if we need

more time. If we can't resolve it within 45 days, we'll let you know why.

A disputed transaction amount is usually refunded to your account at around the time the dispute is successfully resolved in your favour. However, fees and/or interest charged in connection with the disputed transaction may take additional time to calculate and therefore be refunded some time later.

If we find that we or one of our service providers made the mistake, we'll correct it. But if we find that the mistake is not our fault, we'll let you know in writing.

8.5. If your Card is lost or stolen

You are responsible for the safety and security of your Travel Money Card. If your Card is lost or stolen, you can use your Backup Card. You still need to report the Card as lost or stolen to us straight away, so nobody else can use it. If you lose your Travel Money Card whilst overseas, we may be able to replace and send it to your overseas address. You may also be eligible for an emergency cash advance to help you while we organise a replacement.

To report a Card as lost or stolen, and to see if you are eligible for an emergency Card replacement or cash advance, contact us (see back page for contact details).

You can also request a replacement Card at any branch or by calling the Travel Money Customer Service Centre.

8.6. When your Card is overdrawn

If you use more money than the total amount available on your Card, you'll need to pay the overdrawn balance back to us within 30 Days or when your account is closed (see section 6).

8.7. When you can't use your Travel Money Card

You can't use your Travel Money Card to:

- Buy something where the transaction is processed manually using an imprinter;
- Make scheduled or repeating direct debit payments;
- Receive direct credit payments (other than refunds from a prior purchase);
- Make a purchase or withdrawal from a business or ATM that doesn't accept Visa; or

- Make any transaction in a country prohibited by government sanctions.

8.8. Making a complaint

- We try to get things right the first time – but if we don't, we'll do what we can to fix it. You can fix most problems simply by talking to us, so if you need to make a complaint, please call us on **1800 805 605**.

We will:

- Keep a record of your complaint
- Give you a name, reference number and contact details for you to follow up if you want
- Give our final response within 30 days.

If we can't complete our investigation within 30 days, we'll let you know why and give you the details of the Australian Financial Complaints Authority – a free, independent dispute resolution service that you can contact if you're not happy with how we handled your complaint (see contact details on back page).

8.9. When we may end your agreement, close your account or refuse to process a transaction

Your cards are our property and you need to return them to us if requested. We will close your Travel Money Card three months after your Cards expire, however it is your responsibility to destroy them once they expire.

We can cancel or suspend your Cards or refuse to process a transaction without telling you. When we do this, we will act fairly and reasonably towards you. We may do this in the following circumstances:

- You don't follow the terms and conditions contained in this Product Disclosure Statement and Conditions of Use in a way that materially increases our risks in relation to your Travel Money Card;
- You give your Cards/PIN to another person to use (e.g. family, friends, employees);
- We believe, on reasonable grounds, that the Card has been used other than for its intended purpose (for example, for hedging, as a salary credit account) or any other non personal use;
- We believe, on reasonable grounds, that the Cards have been used illegally or in a way that may cause losses to you or us;

- We reasonably believe you gave us false or inaccurate information when you applied for the Cards;
- We have reasonable grounds to believe you are a Proscribed Person;
- If you load or reload more than AUD 100,000 or foreign currency equivalent in a 12 month period; or
- You don't provide us with a valid email address for the life of your Cards.

We may also end this agreement, cancel or suspend your Cards or refuse to process a transaction for any other reason by giving you at least 30 days' notice. If you have any money left on your Travel Money Card after we have closed it, you can get your balance paid to you by visiting any CommBank branch or you can transfer it to your eligible CommBank account through the CommBank app or NetBank. See 4.2 for more information.

8.10. When we're not liable

We won't be liable for any losses that occur for any of these reasons:

- Any of your instructions aren't sufficiently clear;
- You don't give us correct information;
- Events happen that are outside of our reasonable control;
- There's a system failure (not caused by us) or an industrial dispute;
- Any ATM or merchant refuses or is unable to accept the Card;
- You infringe the currency laws in the country where you were using the Card;
- We take an action required by government, federal or state law, or court order; or
- Anything specifically excluded or limited elsewhere in these Conditions of Use.

9. What you can expect from us

9.1. Changes to your Product Disclosure Statement and Conditions of Use

We may change the information in this Product Disclosure Statement (PDS) and Conditions of Use from time to time. We'll only make changes where we consider that doing so is reasonably necessary to achieve a legitimate business purpose, including, for example:

- (a) when the cost of providing this product to you changes;
- (b) as necessary or desirable to comply with any legal or regulatory requirement;
- (c) to reflect changes in technology or our processes;
- (d) to include new product features or services or reflect our operational processes;
- (e) to discontinue or replace a product;
- (f) to consolidate or simplify our terms and conditions and contractual documents;
- (g) to add, change or remove any concessions or benefits;
- (h) to bring us into line with our competitors, industry, market practice or best practice;
- (i) to manage risks including credit risk, fraud, operational or regulatory risk; or
- (j) to correct errors, omissions, inconsistencies or ambiguities.

Each of the paragraphs (a) to (j) above, is a separate right for us to make changes. Without limiting our rights under these paragraphs, we may from time to time change any of the terms and conditions of your contract for other reasons (e.g. due to unforeseen events). If the changes are materially adverse, we'll give you a new or supplementary PDS and Conditions of Use setting out the changes. Otherwise, we won't issue a new PDS and Conditions of Use, but we will tell you about the changes.

How we tell you about changes

Change	Minimum notice period*	Notice method
Introduce a new fee or charge	30 Days	In writing
Increase an existing fee or charge	30 Days	In writing or by advertising in the national or local media
Changes to any other terms or conditions	No later than the Day of the change	In writing or by advertising in the national or local media
Imposing, removing or changing a daily or other periodic limit on transactions, facility, electronic equipment	30 Days	In writing

*If we believe a change is unfavourable to you, then we will give you prior notice of at least 30 Days. We may give you a shorter notice period, or no notice, of an unfavourable change if we believe doing so is necessary for us to avoid, or to reduce, a material increase in our credit risk or loss.

We will notify you in writing electronically, by sending you an email or SMS, advising that the information is available on NetBank. We will not give you a paper copy of any notice of the change. If you change your email address or mobile number, let us know straight away. (See back page for contact details).

Not happy with the change?

If we make a change that you're not happy with, you can visit any CommBank branch to close your Travel Money Card account (see section 6.1 for more information about closing your Card). You'll need to repay any overdrawn balance on your account before it's closed (see section 8.6).

9.2. Other rights and obligations we have

9.2.1. Our rights

- Transferring of rights. We may assign any of our rights and obligations under this PDS and Conditions of Use to any other person or business. We'll act reasonably when exercising this right and only do so for legitimate business purposes. If we do, we'll ensure that you can exercise the same rights with them as you can with us, under this PDS and Conditions of Use. Your rights under this PDS and Conditions of Use can't be transferred unless we give you permission to do so.
- Severance. If any part of this PDS and Conditions of Use is found to be void or can't be enforced (for example, if a court or tribunal declares it so), then the rest of this PDS and Conditions of Use still apply.

9.2.2. Our obligations

This PDS and Conditions of Use are governed by the laws of New South Wales. We may also be subject to laws and regulations in Australia or another country that affect your relationship with us (for example, tax laws).

To comply with our obligations, we may (acting reasonably to protect our legitimate interests):

- Ask for information about you or your Travel Money Card;
- Pass on your information when we're required to (including sending your information overseas);
- Take an amount out of a payment to you, if we are required to do so – and not reimburse you for this amount; or
- Take other actions as reasonably required, such as closing your account.

9.2.3. Making adjustments

We will use best endeavours to ensure that our systems and processes calculate and apply fees, interest, reductions, benefits or other amounts or features as described in these terms and conditions. However sometimes errors do occur, for example due to:

- (a) The limitations of our systems and processes
- (b) The operation of manual processes
- (c) Changes to our systems and processes
- (d) Things that are beyond our knowledge or reasonable control.

Where that happens, without limiting any rights you may have relating to the error, we may, as appropriate, at a later time but as soon as practicable after the error has been identified:

- (e) make adjustments to put you in the same position as if we had applied the correct amount or made the correct calculation initially;
- (f) provide that reduction, benefit or feature to you, and make adjustments to put you in the same position as if we had provided the reduction, benefit or feature as described;
- (g) take the action required, and make adjustments as necessary to put you in the same position as if we had taken the action as described.
