What these terms and conditions cover

A CommBank Awards credit card gives you automatic access to the CommBank Awards Program, through which you can earn and redeem Points for Awards. Participation in the Program is subject to these terms and conditions.

When you activate your Card, you agree to be bound by these terms and conditions as amended from time to time. If there's any changes to these terms and conditions, we'll let you know (see section 9 for more details). Otherwise, you can get a copy of the most up to date version of these terms and conditions anytime:

- Online at commbank.com.au/awardst&cs;
- Online at the Awards website (link accessible via your Card Account in NetBank & the CommBank app); and
- By contacting CommBank Awards (see How to contact CommBank Awards, on page 24).

Your participation in the Program is subject to compliance with these terms and conditions and any additional terms and conditions that we notify you about. Given that the terms and conditions we published about the Program may change from time to time, you should always check the Awards website or contact CommBank Awards, to ensure that the information you have is current.

We may also publish information about the Program in our communication with you including emails, notifications, brochures, catalogues and newsletters which we send or otherwise make available to you from time to time. If you have provided us with your address, email address or phone number as a way to contact you, we may use that contact method to provide you with this information.

Program details including what Awards are available for redemption from time to time, how many Awards Points you need for a particular Award and any special offers that are available (for example, how and when you can earn Bonus Points), and any particular terms and conditions in relation to Awards, are published on the Awards website. We may at any time change an Award, including removing or reducing the availability of an Award, and also change or cancel the ways you can accrue Awards Points. For the most up to date information, you should always check the Awards website or contact CommBank Awards, prior to redeeming any Points.

Other terms and conditions that apply

Participation in the Program is also subject to the CommBank Credit Card Conditions of Use and may be subject to additional and separate Partner Terms and Conditions (for example, when you elect to earn Points or redeem an Award through a Partner). You can get a copy of the CommBank Credit Card Conditions of Use online at commbank.com.au and applicable Partner Terms and Conditions by contacting that Partner.

Things you should know about earning Awards Points in the table at 1.2

- The number of Awards Points you can earn for an Eligible Purchase, depends on your Card type (see column A of the table at 1.2), and the number of dollars, equivalent to Australian dollars, you spend on each Eligible Purchase.
- The number of Awards Points you can earn may be limited by how much you spend in a Statement Period (see column B of the table at 1.2), by purchase type (see column C of the table at 1.2) and/or there may be a cap on the maximum number of Points you can earn (see columns F and G of the table at 1.2).
- To the extent permitted by law, and acting with a legitimate business purpose, we expressly reserve the right to change or cancel the ways you can accrue Awards Points (including how many Points you can earn), and to include or exclude specific types of transactions from the accrual of Awards Points. Any such change will only take effect prospectively. For material changes which are unfavourable to you, we will provide you with reasonable prior notice about these changes.
- If you opt your Card into Qantas Frequent Flyer Direct to earn Qantas Points, Points accrued as Awards Points in the Program will be automatically converted, at the end of each Statement Period, into Qantas Points which can be redeemed in the Qantas Frequent Flyer Program (see columns E and G of the table at 1.2) for the rate of conversion and periodical caps on the maximum number of Qantas Points you can earn. If you opt-out from Qantas Frequent Flyer Direct, any future Points earned will remain in the CommBank Awards Program and will cease to be converted to Qantas Points unless you close your Card and then clauses 2.2 will apply. If you choose to opt your Card into Qantas Frequent Flyer Direct again to earn Qantas Points at a later date, you will be required to pay the opt-in fee again. Additional terms and conditions apply, see section 4.1 below for more details about the Qantas Frequent Flyer Program.
- International purchase types for Ultimate Awards (see column C of the table at 1.2), include purchases made overseas or in Australia (for example online) where the merchant or entity processing the transaction is located outside of Australia. For international Cash Advances, the cash advance fee will apply (see the CommBank Credit Card Conditions of Use).
- For purchase types for Ultimate Awards and Smart Awards (see column C of the table at 1.2), we are reliant on information about the merchant's business categorisations provided to us by either the merchant or their financial institution. The merchant must be categorised and notified to us as a major "supermarket," "department store", "service (petrol) station", "dining" (cafes, restaurants & fast food) or "utilities" (electricity, gas & water), for the purposes of Mastercard transactions. Transactions at any of these purchase types using any intermediary platforms for example PayPal, are excluded.
- For purchase type after spending \$10,000 for Ultimate Awards, \$5,000 for Smart Awards and \$2,000 for Awards (see column C of the table at 1.2), if a refund takes your spend below these spend amounts, you will be eligible to start earning the highest Awards Points per \$1 again, from the date the Awards Points are deducted from your Awards account (not from the date you made the original transaction or the date of the refund). If we are unable to match the exact transaction being refunded, the number of Points you are eligible to earn within the Statement Period may not be adjusted.

- For Smart Awards Points Boost (see column H of the table at 1.2), the highest Eligible Purchase will be identified and boosted by us at the end of each Statement Period. In some instances, purchases at the end of the Statement Period may be allocated to the next Statement Period and may be identified as the highest Eligible Purchase for that Statement Period. These points are treated as Bonus Points and are earned on top of the Awards Points earned for the purchase type category up to 1,000 Bonus Points. We may adjust your Points retrospectively for any refunds and reimbursements to your Card Account by deducting the number of Points you previously earned for that transaction. If you migrate another Card to Smart Awards, the transactions made on the day you activate your Card may not be eligible for Points Boost and Bonus Points will apply from the following Statement Period.
- Points (including Bonus Points, see section 1.3) are calculated per transaction in whole numbers and where relevant are rounded up or down according to standard decimal rounding rules. For example, if you have accrued 5.1, 5.2, 5.3 or 5.4 points, your points will be rounded down to 5.0 and if you have accrued 5.5, 5.6, 5.7, 5.8 or 5.9, they will be rounded up to 6.0.
- The calculation of the maximum number of Awards Points that a Member may earn in accordance with this section is based on a calendar year. This is expressed as "Awards Points you can earn per year" and "Awards Points cap" in these terms and conditions. Awards Points (excluding Bonus Points) will cease to accrue when the relevant cap is reached.

1.3 How to earn Bonus Points

In addition to what is set out in the table at section 1.2, from time to time, we may, at our discretion, offer you additional ways to earn Bonus Points. Bonus Points are usually earned when you make an Eligible Purchase using your Card in connection with one of our Bonus Point promotions, when you make an Eligible Purchase from a Bonus Partner or through the Bonus Points eShop. Details regarding our Bonus Points offers including how many Bonus Points you can earn, will be notified to you and/or are available online at the Awards website or by contacting CommBank Awards.

Bonus Points don't count towards the Awards Points cap referred to in the table at 1.2. There is no limit on the number of Bonus Points you may earn.

1.4 When you won't earn Points

You won't earn Points if, at the time we allocate your Points to you:

- (a) the Card Account is closed, stopped or suspended;
- (b) the primary Card linked to the Card Account is not activated or has been cancelled; or
- (c) payments due on the Card Account are overdue by more than 30 days.

We reserve the right not to allocate Points to your Card Account for an Eligible Purchase, if the Eligible Purchase:

- (a) causes the credit limit (including a temporary limit) on the Card Account to be exceeded; or
- (b) is debited against credit funds in the Card Account (i.e. if you transfer funds onto the Card Account to put it into credit and then make a purchase).

2. Redeeming Points for Awards

2.1 How to redeem your Points

Points earned and allocated to the Points balance on your Card Account can be redeemed for an Award by a Member or an Additional Cardholder on behalf of the Member, if:

- the Award is available at the time of redemption, and
- the Card Account has the number of Points necessary for the redemption of that particular Award at the time of redemption (see section 5, Keeping track of your Points).

You can redeem your Points:

online at the Awards website (link accessible via your Card Account in NetBank & the CommBank app); or

by contacting CommBank Awards.

A person other than a Member or an Additional Cardholder may redeem an Award by contacting CommBank Awards and providing written or verbal authority from the Member.

We publish what Awards are available and how many Points are necessary to redeem them, on the Awards website.

Acting reasonably and for a legitimate business purpose, we may at any time and in our sole discretion, withdraw, limit, modify or cancel the continued availability of an Award or change the number of Points required to obtain a particular Award. For material changes which are unfavourable to you, we will provide you with reasonable prior notice about these changes. For the most up to date information, you should check the Awards website or contact CommBank Awards prior to redeeming any Points.

Awards are subject to availability and substitutions may be necessary.

Once a request for an Award has been placed, the request cannot be withdrawn or amended (including by exchanging the Award requested for a different Award), unless we agree. Awards directly fulfilled by a Partner cannot normally be exchanged. See applicable Partner Terms and Conditions for further details about your rights and obligations with respect to goods and services provided by the Partner in exchange for Points.

Awards cannot be returned, including for Points to your Card Account or for any other consideration. Awards will not be replaced if lost, stolen or otherwise destroyed, except to the extent required by law. Additional terms and conditions that apply to particular Awards redemptions, including available delivery requirements, locations, methods, timing and Partner Terms and Conditions, are set out on the Award website or in a relevant document that we specify contains this information.

2.2 When you won't be able to redeem your Points

You won't be able to redeem your Points for an Award, while your Card Account is 30 days or more past due. Once your Card Account is 90 days or more overdue, your Points will be forfeited without notice.

Pursuant to the CommBank Credit Card Conditions of Use, we can suspend or cancel your Card or Card Account for various reasons, including if you are in default, to protect you or us from fraud or other losses, to manage regulatory risk or for any other reason after reasonable notice is given.

If your Card or Card Account is suspended or cancelled for this reason, we reserve the right to suspend or forfeit your Points without notice. Your Points may also be forfeited without notice if you do any of the following, in a way or with an outcome which in our reasonable opinion, we consider is material or materially increases our exposure to credit, legal or reputational risks:

- fail to comply with these terms and conditions;
- use your Card or Card Account in a manner designed to achieve an unintended or improper purpose;
- provide us with information which is false or misleading, and
- engage in fraudulent or other conduct that causes a loss to us.

Provided we don't have the right to suspend or forfeit your Points in accordance with this section 2.2, if the Program or your Membership is terminated for any other reason (see section 7 for more details) or if your Card or Card Account is closed (see section 6 for more details) or cancelled (see CommBank Credit Card Conditions of Use), you may redeem your Points within 90 days from the date of termination, cancellation or closure. If you don't redeem them within this time, they will be forfeited without notice.

In the event of the death of a Member, any request by the beneficiary, Additional Cardholder, spouse or immediate family wishing to redeem the Points remaining in the Card Account needs to be made within 180 days of the date of death. After this time, the Points will be forfeited without notice.

2.3 Using Points Plus Pay to redeem Awards

We may, allow a Member to redeem an Award with a combination of Points plus another form of payment acceptable to us. This is referred to as Points Plus Pay. Points Plus Pay is available on selected Awards listed on the Awards website.

If you use your Card for the "Pay" component of a Points Plus Pay Award, you can earn Points for each dollar (equivalent to Australian dollars) spent, subject to these terms and conditions.

3. Types of Awards

The following additional terms and conditions apply to the Awards listed in this section. Not all Awards are contained in this section. For the most up to date information about an Award and any additional terms and conditions that apply to an Award, see the Awards website.

3.1 Conversion Partner

If a Member is a member of a participating Conversion Partner loyalty program, the Member may convert their Points into a Conversion Partner loyalty program.

Members do not automatically qualify for membership in a Conversion Partner loyalty program. Membership in a Conversion Partner loyalty program is subject to the terms and conditions of the relevant Conversion Partner and a joining and/or annual fee may apply to join their loyalty program.

To redeem Points for points in a Conversion Partner loyalty program, the Card Account must be held in the exact same name as the Member's membership in the Conversion Partner loyalty program. Points cannot be redeemed for Conversion Partner loyalty program points held in the name of any other person, including an Additional Cardholder.

The number of Points needed to redeem a point in a Conversion Partner loyalty program varies depending on the Conversion Partner. See the Awards website for current Conversion Rates.

Points can only be redeemed for whole Conversion Partner loyalty program points. For example, you cannot redeem a Point for half a Conversion Partner loyalty program point.

Points will normally be available in the Member's Conversion Partner loyalty program account within 5 business days after being redeemed. However, we accept no responsibility for any loss or damage if points are not available in the Member's Conversion Partner loyalty program, within this time.

Once Points have been converted, they are governed by the terms and conditions of the relevant Conversion Partner loyalty program and cannot be converted back to Points or redeemed in the Program.

We make no representation regarding the merits of converting your Points for points in an Conversion Partner loyalty program and we are not liable if, once you redeem Conversion Partner loyalty program points you are unable to use the relevant Conversion Partner loyalty program points as you expected, except to the extent caused by our negligence, fraud or wilful misconduct.

3.2 Cash Back

You may redeem Points for cash to be credited back to that Card Account provided the Card Account is open and active.

The cash will usually be credited to the Card Account within 5 business days from redemption, but will not contribute towards any minimum monthly repayment due.

3.3 Gift Cards

You may redeem your Points for Gift Cards available in the Program subject to Partner Terms and Conditions.

Generally, except where required by law, Gift Cards will not be replaced if lost, stolen, damaged or destroyed. In our discretion, we may replace physical Gift Cards if they are returned unused and undamaged where we determine it is reasonable to do so. Gift Cards must be used by the expiry date displayed on the Gift Card or otherwise notified.

3.4 Pay with Points

You may redeem Points for goods and/or services directly in-store or online, at participating Pay with Points Partners. To pay using your Points, you must provide your Card and request to Pay with Points in-store or select to Pay with Points online.

The number of Points required for each dollar may vary subject to the Pay with Points Partner. The rate of redemption applicable to a particular purchase, will be notified to you at the time of purchase. We set the redemption rate and this may change at any time. See the Awards website for current redemption rates.

All goods and services paid for using Pay with Points are subject to the Pay with Points Partner's terms and conditions, including, if applicable, booking, cancellation and amendment conditions.

4. Other things you can do with your Points

4.1 Qantas Frequent Flyer Direct

If a Member is a member of the Qantas Frequent Flyer Program, the Member can opt an eligible Card into Qantas Frequent Flyer Direct so that the Points they earn are automatically converted, at the end of each monthly Statement Period, into Qantas Points (see column E of the table at 1.2), which they can redeem in the Qantas Frequent Flyer Program.

Opting in

- A Member can opt-in or opt-out their Card at any time, by visiting the Awards website or contacting CommBank Awards.
- Additional Card Holders cannot opt-in or opt-out a Card. The Qantas Frequent Flyer membership must be in the name of the Member.
- When a Member opts-in a Card, an opt-in fee is automatically charged to their Card Account at the time of opt-in and then annually, on or about the anniversary of the date of the opt-in, for as long as the Card remains opted into Qantas Frequent Flyer Direct.
- The opt-in fee is not refundable (so if you opt-out part way through the year, you will not be refunded a pro-rated amount of the opt-in fee).
- We'll let you know what the opt-in fee is, at the time you opt-in. To find out what the current opt-in fee is, see the Awards website or call CommBank Awards. If the opt-in fee is changed after you have opted in, we'll provide you with prior notice (see section 9). You don't earn Points on the payment of the opt-in fee.
- To opt-in, a Member must be enrolled member of the Qantas Frequent Flyer Program. The name they are enrolled under the Qantas Frequent Flyer Program must be identical and spelt the same as the name that appears on their Card and the membership must be active.
- If names do not match or your Qantas Frequent Flyer Membership Number or status is invalid or inactive, automatic conversion of Points to Qantas Points will cease until you provide us with updated details.
- Membership in the Qantas Frequent Flyer Program is subject to Qantas Frequent Flyer Program terms and conditions and fees may apply. We are not liable if, once you opt-in to earn Qantas Points you are unable to use the Qantas Points as you expected.
- If a Member opts-out mid-Statement Period, all of the Points accrued during that Statement Period will not be converted into Qantas Points and will instead be available to be redeemed as Points in the Program from the date of opt-out.

How does it work

- Once a Member has opted their Card into Qantas Frequent Flyer Direct:
 - All Points accrued to their Card Account will be automatically converted to Qantas Points at the applicable conversion rate, at the end of each Statement Period following opt-in, and usually will appear in their Qantas Frequent Flyer account, within 3 days. We accept no responsibility for any consequential loss or damage if Points are not transferred within this time.
 - The rate at which Points are converted into Qantas Points, is set by us and is subject to change from time to time. We will notify you of any changes to this rate (see section 9). For the current conversion rate, please refer to the table at section 1.2.
 - Only whole Points will be converted and will be rounded up or down to the nearest point.
 - Once Points have been converted into Qantas Points, redemption is governed by the terms and conditions of the Qantas Frequent Flyer Program and cannot be converted back into Points within the CommBank Awards Program.

4.2 Transferring your Points to another Card Account

A Member may request a transfer of their Points from their Card Account (transferring Card Account) to another Card Account (receiving Card Account) provided that, at the time of transfer, the following conditions are met:

- The Member of the transferring Card Account provides us with the full name of the primary cardholder and Card Account number, of the receiving Card Account.
- The Members of each of the transferring and receiving Card Accounts, are either (a) the same person (that is, a transfer between Card Accounts held by the same primary cardholder) or (b) spouses or de facto spouses or (c) parent and child, and evidence of this, satisfactory to us, is provided on request.
- Both transferring and receiving Card Accounts are open and active.
- Both transferring and receiving Card Accounts are personal Card Accounts or both Card Accounts are business Card Accounts.
- Where a transfer is between Card Accounts held by the same Member, Points are transferred either from a 'higher' Card type to a 'lower' Card type or between the same Card types. Cards are classified from highest to lowest as follows: Ultimate, Smart, Diamond, Platinum, Gold and Awards. Therefore, for example, a transfer from a Diamond Card account to an Ultimate Card account is not permitted.
- The transfer consists of at least 5,000 Points.
- No more than one transfer from a Card Account is permitted during a 12 month period.
- The transfer would not cause a Points cap for the receiving Card Account to be exceeded.
- There has been no payment or other consideration or request for such payment or consideration for the transfer of Points.

Once Points have been transferred, the transfer cannot be reversed or cancelled.

Points transfers may have tax implications. You should check with your accountant or tax adviser for further information.

5. Keeping track of your Points

The Points balance accrued to your Card Account is increased when you earn Points and decreased when you redeem Points for an Award.

Your Points balance will also be adjusted when you get a refund or reimbursement to your Card Account (for example, for returned goods or services, Card fraud, or theft). We will adjust your Points balance retrospectively for refunds and reimbursements by deducting the number of Points you previously earned for that transaction. If we cannot pinpoint the exact transaction being reversed in your transaction listing, we will deduct the number of Points from your Points Balance, which can currently be earned for that transaction. Refunds or reimbursements may cause your Points balance to become negative.

You can keep track of your Points balance on:

NetBank and the CommBank app

The Manage section of the Awards website (link accessible via your Card Account in NetBank & the CommBank app)

Your Points Statement

Your Points Statement and the Manage section of the Awards website will show the balance of all Points earned and redeemed during the Card Account Statement Period, including any adjustments.

Your Awards Points balance is usually updated within 3 business days. When we are not able to adhere to this time estimate, we will instead, update your Points balance as soon as reasonably practicable afterwards.

Bonus Points will usually be updated within the time periods specified in this section above but may be updated retrospectively (see Important things you should know). The time it will take to update your Bonus Points earned through the Bonus Points eShop and through other promotions, will be notified to you and/or set out on the Awards website.

Important things you should know

- Information regarding Points and your Points balance may be accessed by an Additional Cardholder.
- Subject to section 9, we reserve the right to change how frequently your Points are updated.
- Sometimes, for example due to invalid merchant or transaction information, Points will need to be updated retrospectively and may in some cases, be updated several Statement Periods after the relevant transaction occurred.
- Generally, we rely on third parties for information regarding your Bonus Points. We will use our reasonable endeavours to correct your Bonus Points in the event that it comes to our attention that inaccurate information has been provided to us by a third party. Except to the extent required by law, we are not otherwise liable for any such errors or corrections.

6. What happens to your Points when your Card Account is closed?

Provided we don't have the right to suspend or forfeit your Points in accordance with section 2.2, if your Card Account is closed by you or us, you will have 90 days to redeem your remaining Points or submit a request for a transfer of them to another Card Account in the Member's name, after which time the Points will be forfeited.

Members who transfer their Points in this manner may continue to earn Points provided they do not exceed the Awards Points cap that applies to the Card Account to which their points have been transferred.

Once your Card account is closed:

- Points can only be redeemed within 90 days by contacting CommBank Awards; and
- You will not be able to redeem for Cash Back, or use Pay with Points from the date of closure.

7. What happens to your Points when the Program or Program membership is terminated?

We may terminate the Program at any time. We will give you reasonable notice when we do this.

We may terminate your membership in the Program if you:

- Materially fail to comply with these terms and conditions or the CommBank Credit Card Conditions of Use;
- Use your Card or Card Account in a manner designed to achieve an unintended or improper purpose;
- Provide us with information which is false or misleading, and which results in a materially adverse commercial risk or regulatory or compliance risk for us; or
- Engage in fraudulent or other conduct that causes a loss to us.

You may terminate your membership in the Program at any time by contacting us.

Provided we don't have the right to suspend or forfeit your Points in accordance with section 2.2, if the Program or your membership in the Program is terminated (by you or us), your Points must be redeemed within 90 days from the date of termination or your Points will be forfeited.

8. Limitations on our liability

- Except as described in this section 8 or as may be otherwise required by law, we make no warranty or representation either expressed or implied, and expressly disclaim any and all liability (including for consequential damages), with respect to type, quality, standard, fitness or suitability for any purpose of Awards provided under the Program. Warranty claims relating to Awards should be directed to the manufacturer or service provider in accordance with their warranty information (if applicable).

- Where we supply services to you as a consumer under consumer protection laws, those services come with non-excludable warranties. Nothing in this document shall be taken to exclude liability which may not be excluded under the Australian Consumer Law.
- However, to the extent permitted under the Australian Consumer Law and except as otherwise specified in these terms and conditions, in relation to any loss you have suffered:
 - our liability is limited to the cost of providing the relevant services again; and
