

Important Notice to Commonwealth Bank of Australia CommBiz Customers

Effective **2 July 2024**, CommBank's CommBiz Terms and Conditions dated 16 February 2024 are amended as set out in this notice. Please keep this notice as a record of changes to the CommBiz Terms and Conditions.

Why are we making these changes?

Primarily:

- We're updating **Part 11** to include further information about payment processing.
- We're removing some fees listed in **Part 14** as they are no longer being charged.
- We're making some other minor changes including updates to formatting, grammar, and the sequence of information in **Part 15**.

Contents has been updated to reflect any changes in Part numbers, clause numbers, heading names and page numbers.

What are the changes to the CommBiz Terms and Conditions?

Part 1: Payment types

Page 2, clause 1.5.4 Exchange rates, content is deleted and replaced with:

Exchange rates are indicative only and are subject to change. The exchange rate is determined when the transaction is authorised (this is when a transaction is fully authorised in CommBiz and the transaction status becomes "Authorised") and this is the rate provided on the receipt. Transactions will not be submitted for processing if they are not fully authorised before the relevant cut-off times (visit www.commbank.com.au for International Payment cut-off times). You can log in to CommBiz to view the exchange rate. In the event that a payment is rejected or not submitted for processing (e.g. due to insufficient funds in the Debit Account), then the exchange rate determined at authorisation is no longer applicable.

Page 5, clause 1.8 Non-CBA Payment Requests, content is deleted and replaced with:

A Non-CBA Payment Request is when you have authorised us to send an instruction to another financial institution to transfer money out of an account you hold with that financial institution. With a 'Non-CBA Payment Request', you can give payment instructions using CommBiz for an account you hold with any financial institution that has agreed to receive these instructions from us. You can use this function to centralise cash management of accounts held with multiple financial institutions. Instructions sent to other financial institutions are subject to cut-off times (see clause 11.2 for local cut-off times or visit www.commbank.com.au for International Payment cut-off times).

Part 11: Cut-off times

Page 25, the name of this Part is changed to **Part 11: Cut off times and payment processing**

A new clause is added and corresponding amendments are made to clause numbers and the table of contents:

11.1 Early morning transactions may be backdated

In some cases, transactions processed in the first 90 minutes of a day (Sydney time), will be treated as having been processed on the previous day. This may affect the date shown on CommBiz or account statements. There may also be other implications (for example, concerning an amount of interest calculated and/or an account balance). If there is any inconsistency between clause 11.1 and any other part of these Terms and Conditions or other terms and conditions that apply to an applicable CBA account, then this clause 11.1 will apply to the extent of that inconsistency.

Page 25, clause 11.2 Local cut-off times (as renumbered), content is deleted and replaced with:

These times are subject to variation. All cut-off times refer to Sydney time (if applicable). Additional cut-off times apply for CommBiz Markets (see Part 6.2).

Payment type	Availability of funds*	Customer cut-off time*
Transfers (between linked accounts)	Credit funds are usually available a short time after the transfer, with value as at the payment date, including non-business days.	Payments received on the processing day, including non-business days, are processed on that day.
Direct Credit (to CBA accounts)	Credit funds are usually available in CBA accounts on the actual payment date, including non-business days.	Payments received on the processing day, including non-business days are processed on that day.
Direct Credit (to non-CBA accounts)	Credit funds are usually available by 9:00am next business day in other financial institutions.	All payments to other institutions received by 7:00pm are processed on that day.
Direct Debit	Debit funds are usually obtained from other financial institutions and posted to CBA accounts by 9:00am next business day.	All Direct Debit payments for other institutions received by 7:00pm are processed on that day.
BPAY® payment	Credit funds are usually available by 9:00am next business day.	All BPAY® payments received by 5:55pm are processed on that day.
BPAY® Batch Entry	Credit funds are usually available by 9:00am next business day.	We commit to process all payments received by 5:30pm on that day. Payments accepted after the cut-off time may be processed for value as at the next business day.
Priority Payments	Credit funds are usually available same day.	We commit to process all payments received by 4.00pm on that day. Payments to Commonwealth Bank accounts may be accepted until 6:30pm for processing on that day.
GDES	Credit funds are usually available by 9:00am next business day in other financial institutions.	All payments to other institutions received by 8:00pm are processed on that day.
Fast Payments	Credit funds are available near real time 24 hours a day, 7 days a week, every day of the year.	Not applicable to a Fast Payment.

*Cut-off times apply to payments and payment files received in good order and where sufficient funds are available in the funding account(s). Files which contain errors, do not have sufficient funds available in the funding account(s), or are received after the cut-off times may not be processed on the day of receipt. Payments accepted after cut-off time may be processed for value as at the next business day. *Some early morning transactions may be backdated (see clause 11.1).*

A delay may occur in processing a BPAY® payment where another financial institution is participating in the BPAY® Scheme.

A business day refers to a day other than a Saturday, Sunday and public holiday. It is important to note that holidays and bank holidays differ between Australian States and Territories.

Page 25, clause 11.3 International Payment cut-off times is amended to add a new last sentence:

Some early morning International Payments may be backdated (see clause 11.1).

Part 14: Fees and charges

Page 27, clause 14.2 Fee schedule is amended to remove the following items and fees:

- *Copy of Payment Message \$10.00*
- *SMS Alert – Outstanding Authorisation^^ \$0.081; GST \$0.009; Total fee \$0.09.*

We're also removing this note:

- *^^This fee is charged (where applicable) per SMS alert received.*

Privacy collection notice – CommBiz

- Neither this privacy collection notice nor our Group Privacy Statement (referenced below) form part of any contract you have with us.
 - By using CommBiz, you acknowledge that you have read this privacy collection notice.
-

What information we collect

In this privacy collection notice, 'you' includes our customer and any person who holds office in an entity which is a customer. The Commonwealth Bank of Australia ('we') collect information about you (such as your name, address, contact details and identification documentation), and information about your interactions with us (such as transactions on your account). We may also collect publicly available information about you.

Why we collect your information and what we use it for

We collect your information because we are required to identify you in accordance with applicable anti-money laundering, financial crimes and sanctions laws, currency control regulations and in order to comply with taxation laws. We also collect it to establish and manage our relationship with you, including risk management and pricing, to meet our obligations in relation to external payment systems and under our arrangements with government agencies. If you do not provide your information, we may not be able to provide you with the products and services that you require.

We also use your personal information to identify and tell you about products and services that may interest you (unless you tell us not to). If you don't want to receive marketing information you can contact us using the details listed in the Group Privacy Statement (referred to below) or in Australia by calling 13 22 21 between 6:00am and 10:00pm (Sydney time), from Monday to Friday, or by speaking to your relationship manager. If you give us your electronic and telephone details, we may use this to communicate with you electronically, by phone or SMS, including providing updates, reminders and (unless you tell us not to) marketing information.

You must give us accurate and complete information; otherwise you may be breaking the law and we may not be able to provide you with the products and services that you require.

If you change your personal details (such as your address, name or email address), let us know straight away.

Who we may exchange your information with

We may exchange your information with other members of the Commonwealth Bank Group (**Group**), who may use your information for any of the purposes we can. We may also exchange your information with third parties outside the Group: for example, your representatives, our service providers, other financial institutions, enforcement and government authorities, relevant public registers and payment system operators. Sometimes, it may be necessary to send your information overseas – for example, where we outsource functions overseas, send information to Group members overseas, where we need to complete a transaction on your behalf, or where this is required by laws and regulations. See our Group Privacy Statement for more information.

Our Group Privacy Statement

Our Group Privacy Statement is available on our website at www.commbank.com.au (search Privacy and follow the Group Privacy Statement link) or upon request from any branch of the Bank, and should be read in conjunction with the above. It contains further details about our information collection and handling practices, including information about: other ways we may collect, use or exchange your information; how you may access and seek correction of the information; and how to make a complaint about a breach of your privacy rights, and our complaint handling procedures. This statement also includes details of additional rights that may apply to you if you are located outside of Australia.

How to contact us about privacy

For privacy-related enquiries, please contact us by:

About CommBiz

CommBiz is our premium online business banking service that allows small businesses, corporate and institutional companies to manage their finances.

CommBiz enables you to manage your domestic and international account activity and cash management, with world class online security features and customisable options for User access.

Part 1: Payment types

1.1 Transfers between your accounts

You can transfer money between your own CommBiz-enabled Commonwealth Bank accounts at any time, subject to payment cut-off times.

1.2 Direct credits and debits

A direct credit is an electronic transfer of money from one of your CommBiz-enabled accounts to someone else's account at an Australian financial institution.

A direct debit is an electronic transfer of money to one of your CommBiz-enabled accounts from someone else's account. If we approve you to use direct debit, you can use it to collect payments from accounts held at Australian financial institutions.

If you use direct credit or direct debit, you agree to be bound by the Regulations and Procedures of the Bulk Electronic Clearing System (BECS), published by the Australian Payments Network (APN – previously APCA). **Visit the Australian Payments Network website or www.auspaynet.com.au**

1.2.1 BECS User ID

You can make a direct credit using either your own direct credit BECS User ID (also known as APCA ID), or a shared User ID we have allocated. You can receive direct debits by using the BECS User ID that we have allocated you.

1.2.2 Trace accounts

When you make a direct debit or direct credit you must specify an account as a trace account. If the receiving institution can't or won't accept the payment for any reason they return the money to the trace account.

1.2.3 Processing dates

Direct debits and direct credits will be accepted on a day which is a Business Day in any State. If it is a holiday, the bank receiving the payment may delay processing.

1.3 Priority Payments

A Priority Payment is a time critical and irrevocable electronic transfer of an amount in Australian dollars to another financial institution within Australia.

If you use Priority Payment you agree to be bound by the Regulations and Procedures of the High Value Clearing Stream (HVCS), published by the Australian Payments Network (APN – previously APCA). **Visit the Australian Payments Network website or www.auspaynet.com.au**

1.4 Fast Payments

A Fast Payment is a near real-time payment with rich information which is available 24 hours a day, 7 days a week. A Fast Payment can be made to a registered PayID® as well as to an eligible BSB and account number.

1.5 International Payments

An International Payment (which we also sometimes refer to as an International Money Transfer or IMT) using CommBiz is:

- an electronic transfer of money to an account outside of Australia, or
- an electronic transfer of money to an account within Australia that involves foreign currency (where either the debit or credit currency is foreign currency).

If you have CommBiz-enabled Commonwealth Bank Foreign Currency Accounts, you can also transfer between these and your other CommBiz-enabled Commonwealth Bank Accounts using the International Payments functionality.

Overseas or Australian banks and their correspondent banks (which may include overseas banks or banks located in Australia) are responsible for paying the transferred money to the recipient.

Part 1: Payment types

The timing and currency conversion of the payment are governed by the domestic regulations and bank practices in the recipient's country and are beyond our control. All enquiries to overseas banks and their correspondent banks about payments are at your own cost.

1.5.1 Acknowledgements

By applying for an International Payment you acknowledge that:

- we may have to use the services of intermediary banks other than the ones you request.
- to complete an International Payment we will need to transfer certain personal information, including name, address and BSB and account numbers outside of Australia.
- we may receive a commission from or enter into a commission/revenue sharing arrangement with correspondents. The amount will be determined by various factors.
- money sent overseas is usually available for payment to the recipient within 3 Business Days (Australian time) of our accepting your instructions. This timeframe may be extended due to the requirements and practices of overseas banks and regulators and other circumstances beyond the Bank's control (such as international communications breakdowns and problems or delays in processing of a payment by other banks). Some payments may be subject to delays due to additional screening and processes (e.g. payments to first time beneficiaries).

1.5.2 Returned payments

We have to accept the return of a money transfer if any party connected with or having jurisdiction over the transaction refuses to accept it.

- we can credit any proceeds we receive to a Foreign Currency Account that is in the same name as the originating account and the same currency as the returned funds (if you have one) or to the account from which the money originally came.
- we are not liable to any party for any losses or damage as a result of the return of the payment.

If any International Payment funds are returned to us, we will convert them into the original currency of the funding account using the applicable foreign exchange rate on the day the funds are credited to your account. We will credit the money to the account specified in the International Payment application.

1.5.3 Refusing an application

We can refuse an application for an International Payment if any of the circumstances in clause 9.15 occurs or we consider it necessary to do so in the exercise of our discretion under that clause. Except to the extent caused by our negligence, fraud or willful misconduct in taking any action under this clause, we are not liable to any party for any loss or damage from any decision not to process the application based on any of these grounds.

1.5.4 Exchange rates

Exchange rates are indicative only and are subject to change. The exchange rate is determined when the transaction is authorised (this is when a transaction is fully authorised in CommBiz and the transaction status becomes "Authorised") and this is the rate provided on the receipt. Transactions will not be submitted for processing if they are not fully authorised before the cut-off times on the value date of the transaction (visit www.commbank.com.au for International Payment cut-off times). You can log in to CommBiz to view the exchange rate. In the event that a payment is rejected or not submitted for processing (e.g. due to insufficient funds in the Debit Account), then the exchange rate determined at authorisation is no longer applicable.

1.5.5 Charges by overseas banks

As well as any fees and charges we apply, you may also have to pay fees and charges to overseas banks and their correspondent banks involved in the transaction. There may be more than one other bank involved, each of which may charge a fee. The Bank will pay the correspondent bank fees for most* IMTs where the Debit Account is in a currency that is different from the payment currency (cross-currency IMT) Note: this does not include any fees charged by the beneficiary bank.

* This does not include IMTs in JPY.

Otherwise, where we don't pay the correspondent bank fee on your behalf, we will tell the other banks involved in the transaction to deduct their fees from the payment. This means that the person receiving the payment will receive a lower amount than the amount you sent.

If the overseas bank or their correspondent bank doesn't deduct their fees and charges from the payment, you agree to reimburse us for any fees and charges they pass on to us. You agree that we can debit this amount from your Fees Account.

For payments to selected countries and currencies you can elect to pay us an additional upfront fee (refer to Part 14) to cover overseas bank charges. If you choose this option:

- you agree to pay the applicable fee which will be debited from your Fees Account; and
- you request that the fees from the overseas banks be charged to the Commonwealth Bank instead of being deducted from your payment.

Part 1: Payment types

1.6 BPAY®

You can tell us to make payments using the BPAY® Electronic Payments Scheme (BPAY® Scheme) to Billers who agree to receive the payments through the BPAY® Scheme.

You can make BPAY® payments and Batch Entry BPAY® payments. Using Batch Entry you can make BPAY® payments to one or more Billers.

When you use BPAY®, your personal and transactional information will only be disclosed to:

- us;
- BPAY® Pty Ltd;
- the Billers nominated by you and their financial institutions; and
- any agent appointed by BPAY® Pty Ltd to implement the BPAY® Scheme (e.g. Cardlink Services Limited).

You can request access to your personal and transactional information that is held by us, or BPAY® Pty Ltd or its agent, Cardlink Services Limited.

1.6.1 Making BPAY® payments

You can make individual BPAY® payments from all debit accounts (excludes Foreign Currency Accounts), including credit card accounts (if the Biller allows).

Your instruction to us to make a BPAY® payment must include the:

- Biller Code that appears on the bill or invoice
- Customer Reference number that appears on the bill or invoice
- direct account number
- account for returned items (trace account)
- payment amount
- payment date

If you don't give us all of this information, or if any of it is inaccurate or incomplete, we don't have to transfer the money.

1.6.2 Payment errors

If a Biller receives a payment made by mistake or in error, this payment is not considered part or whole payment of any debt you owe them.

1.6.3 Suspension

We can suspend your right to participate in the BPAY® Scheme if you breach these Terms and Conditions, or if you or someone acting on your behalf is suspected of engaging in fraudulent conduct. When we do so, we will act fairly and reasonably towards you.

1.6.4 When a Biller can't process a payment

If we are advised that a BPAY® Payment cannot be processed by a Biller, we will advise the User of this and credit your account with the amount of the BPAY® Payment. We will also assist the User to make a valid BPAY® Payment.

1.6.5 Batch Entry BPAY® payments

If you make Batch Entry payments, you agree:

- every Batch Entry payment you make will be authorised;
- not to make Batch Entry payments from credit card accounts;
- to promptly notify us if you become aware, or reasonably suspect that a Batch Entry payment has been erroneously submitted or processed.

If you make Batch Entry payment on behalf of your End Clients, you must:

- make any disclosures to, and obtain any consents from, those End Clients that are necessary to enable:
 - a. us to comply with our obligations under BPAY® Payment Scheme rules;
 - b. you to comply with your obligations under the conditions outlined in this document.
- maintain a list of your End Clients, and provide that list to us upon request;
- maintain systems and processes which allow payment and adjustments (including credits and reversals) in relation to those End Clients to be separately identified and differentiated;
- ensure those End Clients make payments only for their own benefit and not on the benefit of a third party;
- promptly notify us if you become aware, or reasonably suspect, a fraudulent or illegal activity involving payments made by those End Clients; and
- ensure that each Batch Entry payments given on behalf of an End Client is validly authorised by that End Client.

Part 1: Payment types

1.6.6 BPAY® payments can't be stopped

We will not accept a request to stop a BPAY® payment once you have instructed us to make it.

1.6.7 Underpayments

You must be careful to ensure you tell us the correct amount you want to pay. If you instruct us to make a BPAY® payment and you later discover that the amount you told us to pay was less than the amount you needed to pay, you can make another BPAY® payment for the difference.

1.6.8 Mistaken, unauthorised and fraudulent BPAY® payments

We will try to ensure that your BPAY® payments are processed promptly by the participants in the BPAY® Scheme, including Billers to whom your BPAY® payments are to be made.

You must tell us immediately if you:

- become aware of any delays or mistakes in processing your BPAY® payments;
- did not authorise a BPAY® payment that has been made from your account;
- think that you have been fraudulently induced to make a BPAY® payment.

We will try to fix any problems like this, but we are not liable for any loss or damage you suffer as a result of using the BPAY® Scheme, including any delay by other participants in processing BPAY® payments.

1.6.8.1 Your liability for mistaken BPAY® payments

If we make a BPAY® payment to a person for an amount, which is not in accordance with your instructions (if any), and your account was debited for the amount of that payment, we will credit that amount to your accounts.

If you were responsible for a mistake causing that payment and we can't recover the payment from that person who received it within 20 Business Days, you will need to pursue the person for the return of the funds and we can debit your account with the amount we previously credited.

1.6.8.2 Your liability for fraudulent BPAY® payments

If a BPAY® payment is induced by the fraud of a person involved in the BPAY® Scheme, then that person should refund you the amount of the fraud-induced payment.

If that person doesn't refund payment, you must bear the loss unless some other person involved in the BPAY® Scheme knew of the fraud or would have detected it within reasonable diligence. In that case, that person must refund you the amount of the fraud-induced payment.

1.6.8.3 Your liability for unauthorised BPAY® payments

If we make a BPAY® payment in accordance with a payment direction, which appeared to us to be from you, but which you did not authorise, we will credit your account with the amount of that unauthorised payment.

1.6.9 Consent for Biller to disclose information

If you tell us that a BPAY® payment made from your account is unauthorised, you must give us your written consent, addressed to the Biller who received the payment, allowing us to obtain from that Biller any information we reasonably need to investigate the transaction. If you don't give us this consent, the Biller may choose not to disclose to us the information we need to investigate or fix the payment.

1.7 PayTo®

PayTo® allows you to review and authorise Payment Agreements that we receive from Payment Initiators for eligible CBA accounts linked to your CommBiz Service.

1.7.1 Payment Agreement

PayTo® Payment Agreements are created by Payment Initiators who offer PayTo® as a payment option.

You may authorise or decline any Payment Agreement presented to you. It is your responsibility to carefully consider all details of the Payment Agreement, or Migrated DDR Mandate (see below), including but not limited to payment frequency, and to promptly action any requests.

If you authorise a Payment Agreement and/or permit the creation of a Migrated DDR mandate, you authorise us to collect, use, and store your name, account details, and any other information contained in a Payment Agreement in the Mandate Management Service (MMS). Information in the MMS may be shared with financial institutions, or payment processes for the Payment Initiator to create payment instructions, construct NPP payment messages, and enable us to make payments from your account.

Part 1: Payment types

If you believe any details of the Payment Agreement or any proposed amendment to it are incorrect, you should decline the request and contact the Payment Initiator to send a corrected Payment Agreement (or amendment) request. If you become aware of a payment being made from your account, that is not permitted under the terms of your Payment Agreement or Migrated DDR Mandate or that was not authorised by you, please contact us as soon as possible to submit a claim.

1.7.2 Migrated DDR Mandates

Payment initiators who have existing direct debit arrangements with their customers, may establish Payment Agreements for these, as Migrated DDR Mandates, in order to process payments via the NPP (New Payments Platform) rather than BECS (the Bulk Electronic Clearing System).

If you have an existing direct debit arrangement with a payment initiator, you may be notified by them that future payments will be processed from your account under PayTo® as a Payment Agreement. If you do not consent to the variation of the direct debit arrangement you must advise the payment initiator.

You may amend, pause (and resume), cancel or transfer your Migrated DDR Mandates, or receive notice of this. We are not obliged to provide notice of a Migrated DDR Mandate to you for you to approve or decline and we will process instructions received from a payment recipient on the basis of a Migrated DDR Mandate.

1.7.3 Notifications

We will send you notification(s) for Payment Agreements or Migrated DDR Mandates we receive and any proposed changes to these as requested by Payment Initiators or by us. It is your responsibility after the point of notification to action the request.

You must promptly respond to any notification that you receive from us from time to time regarding confirming, pausing or cancelling of a Payment Agreement or Migrated DDR Mandate for misuse, fraud or for any other reason.

1.7.4 Payment Agreement Maintenance

Your Payment Agreement may be amended, withdrawn, cancelled, paused and/or resumed by the Payment Initiator from time to time. You may only instruct us to amend your linked account details which can only be replaced with an eligible account you have enabled on your CommBiz Service.

We may monitor your Payment Agreements or Migrated DDR Mandates for misuse, fraud and security reasons. You acknowledge and consent to us pausing or cancelling all or some of your Payment Agreement or Migrated DDR Mandates if we reasonably suspect misuse, fraud or there to be security related risks.

1.7.5 Payment processing

We will process payment instructions in connection with Payment Agreements that you have authorised. You are responsible for ensuring that you have sufficient funds in your account to meet the requirements of all your Payment Agreements and migrated DDR Mandates.

We will not process payment instructions for any paused Payment Agreement.

We are not liable for any loss suffered or any breach of your agreement with the Payment Initiator as a result of processing payments in accordance with a Payment Agreement authorised by you, nor for any loss suffered or any breach of your agreement with the Payment Initiator as a result of pausing or cancelling any Payment Agreement in accordance with your instructions.

1.7.6 Mandate Management Service (MMS)

The Payment Initiator is responsible for recording the Payment Agreement and any variations thereto in the MMS. Payment Agreements must be recorded in the MMS in order for NPP Payments to be processed in accordance with them.

The Mandate Management Service will notify us of the creation of any Payment Agreement established using your Account or PayID® details. We will keep accurate records of all information provided for Payment Agreements or Migrated DDR Mandates in the MMS.

1.8 Non-CBA Payment Requests

A Non-CBA Payment Request is when you have authorised us to send an instruction to another financial institution to transfer money out of an account you hold with that financial institution. With a 'Non-CBA Payment Request', you can give payment instructions using CommBiz for an account you hold with any financial institution that has agreed to receive these instructions from us. You can use this function to centralise cash management of accounts held with multiple financial institutions. Instructions sent to other financial institutions are subject to cut-off times (visit www.commbank.com.au for International Payment cut-off times).

1.9 Trans-Tasman Payments

Trans-Tasman Payments ("Trans-Tasman") refers to the ability to carry out transaction banking in New Zealand by allowing you to administer your ASB Bank Limited (ASB) accounts and Commonwealth Bank (CBA) accounts through CommBiz. Australian based clients can use Trans-Tasman functionality provided in CommBiz to: access a complete view of ASB and

Part 1: Payment types

CBA accounts; move money and report funds between Trans-Tasman companies and subsidiaries; and make New Zealand domestic payments to staff and suppliers.

1.9.1 Accessing Trans-Tasman facility

You can access this Trans-Tasman facility if you:

- hold a bank account with ASB;
- have a CommBiz facility allowing automated file delivery or a manual file upload to send payment files to ASB to debit/credit your ASB account.

Files must be formatted and contain the information in accordance with our file specifications advised to you from time to time.

All CommBiz customers will have automatic access to Trans-Tasman functionality if they have an ASB account linked in CommBiz with electronic authority set up.

To link your ASB account to your CommBiz facility you will need to contact ASB.

1.9.2 Account currency

The currency to be used is NZD. We can connect ASB domestic accounts (NZD) and ASB foreign currency accounts to CommBiz.

1.9.3 Cut-off times

The cut-off times are as follows:

Platform	Cut-off time
CommBiz Automated	8:00pm (NZT)
CommBiz Manual	8:00pm (NZT)

Transactions made after the cut-off time will be processed on a best-endeavours basis – if we are unable to process your file, you will be contacted the next Business Day.

1.9.4 What can Trans-Tasman not do?

- We're unable to show NZ pooling position.
- We're unable to accept other than approved file types for payments. (i.e. only MT9) for bulk file uploads (for one off uploads the format used in CommBiz is MT101s).
- Trans-Tasman doesn't allow us to partner with other banks in NZ other than ASB.
- It doesn't allow for payment file submission from ASB to CBA.

1.9.5 Fees and charges

ASB account and transaction fees may apply. For details, please contact your ASB Relationship Manager.

1.9.6 Acknowledgement

By using Trans-Tasman services, you acknowledge and consent that:

- We will use the services of a partner bank (ASB) to complete a Trans-Tasman payment.
- We will be transferring the following information to ASB:
 - Debit Account – account number at ASB the money will be debited from.
 - Credit Account – account number of where money will be paid to;
 - account name of the beneficiary;
 - references of payment information sent to the beneficiary.
- CBA is authorised to accept instructions in respect of accounts with ASB and you authorise ASB to carry out instructions given through CommBiz by Authorisers or Administrators. When an instruction is given to transfer funds from or otherwise debit an account of yours with ASB, a reference to "we", "our", "ours" and "us" in these Terms and Conditions means CBA and ASB jointly and individually.

1.9.7 Returned payments

If any party refuses to accept a Trans-Tasman payment, our standard process for returned payments will apply with the funds going back into the originating ASB account minus any fees and charges and we will not be liable for any losses incurred by you as a result of the return of the payment.

1.10 Payment limits

In addition to any other payment limit which may apply, we may in our discretion limit the amount each user may transfer or pay from all accounts:

- using an Electronic Banking facility and in branch, to all accounts and/or merchants which we reasonably believe may be owned or controlled by a cryptocurrency or digital asset exchange or being used to purchase cryptocurrency or digital assets; and/or
- using a particular payment product, type of transaction or dealing via an Electronic Banking facility and in branch; and/or
- using an Electronic Banking facility and in branch where it is reasonably necessary to prevent systemic or individual criminal activity, including suspected or potential fraud or scams.

We may in our discretion remove or reduce your access to transfers and/or payments to third parties or non-linked accounts and/or reduce your payment limit if:

- you have requested a higher payment limit and have not made a transaction utilising any of that increased limit within the last month; or
- we believe it is reasonably necessary to protect you or us from possible fraudulent activity, scams or other activity that might cause you or us to lose money.

When we take any action under this clause, we will act fairly and reasonably towards you. Except to the extent caused by our negligence, mistake or wilful misconduct, or that of our agents, we will not be responsible for any loss, cost, expense or other inconvenience you incur from any action taken under this clause.

Part 2: Giving us instructions

2.1 Giving us payment instructions

We are not responsible for any acts or omissions by you or your officers, employees, Users or Bureaus (including but not limited to the amount, accuracy, timeliness or authorisation of the payment instruction). Electronic files must be formatted and contain the information in accordance with our file specifications. Authorisation of files will be deemed by the Bank as an approved file for processing.

You acknowledge that you will comply with our security requirements in Part 4.

2.2 Payment instructions

Instructions to credit an amount must contain a corresponding instruction to debit an account.

- We will deposit funds collected by direct debit only to your Credit Account(s)
- We will debit funds paid by direct credit only from your nominated Debit Account(s).

2.3 Multiple accounts

If your instruction specifies more than one account, we will debit or credit the accounts in the order you specify.

If an account doesn't contain enough money for all or any of your instructions, we will either:

- debit or credit the accounts in any order we choose, or
- not complete the transaction(s).

2.4 Providing correct recipient details

When you instruct us to make payments, it is your responsibility to provide us the correct amount you wish to pay or transfer, and the correct account to which you wish to have the payment or transfer credited. The account name of the intended recipient does not form part of your payment instructions and will not be used by us in making your payment. If you instruct us to make a payment to an incorrect recipient, we may not be able to recover the money.

If you are making a payment using a PayID®, it is your responsibility to ensure the PayID® is correct. A variation of the PayID® owner's name will be displayed to you before you submit the payment. You should check that it matches the name of your intended recipient.

If you are making a payment using a BSB and account number, it is your responsibility to ensure the BSB and account number are correct. We may use our NameCheck technology to give you a view on the likelihood that the account name you enter matches the account and prompt you to take further steps to ensure you are paying the intended recipient. If the NameCheck prompt indicates that the details do not look right, we strongly recommend you check the information entered and re-confirm the details with the intended recipient. NameCheck prompts are based on our available payment information, but we are not able to confirm that the name actually matches the account.

If you elect to establish a Payment Agreement with a Payment Initiator for the purpose of PayTo®, you will be responsible for providing the Payment Initiator with accurate personal and business information (including BSB/Account number or PayID®).

2.4.1 Recovering payments made in error

We will do what we can to assist the return of funds when you advise that a payment has been made in error from your business account.

The receiving bank will seek the consent of the unintended recipient to allow the return of funds. If the unintended recipient is unwilling to return the funds, the recipient bank will advise us and it may be necessary for you to pursue other options (for example to seek legal advice) for recovery of the funds.

2.5 Sending SWIFT messages

When you ask us to send a SWIFT (Society for Worldwide Interbank Financial Telecommunication) message:

- you must provide the letter of authority and the other bank must accept it
- we're not liable for any other bank's actions, including mistakes, failing to act, transmission delays or not receiving the message
- we don't check the accuracy of messages other than to ensure that they comply with your instructions
- you must ensure that there is enough money in the account to cover the transaction and any fees payable to the other bank.

2.6 Authorising Foreign Exchange settlements

If you make a Foreign Exchange transaction (either online or over the telephone), and have told us that you will settle that transaction through CommBiz, you must authorise the settlement before the settlement or country cut-off time that applies to the transaction (visit www.commbank.com.au and search for International Payment cut-off times).

2.6.1 Telephone, Fax and Email Instructions

If you fail to authorise the settlement before the settlement or country cut-off time that applies to the transaction, we can choose either to extend the delivery date or contact you by telephone. If we contact you by telephone, you authorise us to record any telephone conversation.

If we receive a telephone, fax or email instruction that appears to be complete and regular, then we deem that you have properly completed and sent it.

We will act on the Instructions you give us by telephone, fax or email to settle the transaction, or extend the delivery date, without needing to verify the authority of the person who gave the instruction or the accuracy of the instruction we receive.

2.7 Trade Advance

You must apply to register for this service. Your Administrator is authorised to administer entitlements required for Service Delegates (as authorised Users) to give us Instructions on your Trade Advance facility.

2.8 Third Party Accounts

You cannot link Third Party Accounts to your CommBiz Service without our prior consent which, at our absolute discretion, we may refuse or impose conditions on any such consent. At any time, in our absolute discretion, we may withdraw or change the conditions of any prior consent of ours to permit you to link Third Party Accounts to your CommBiz Service.

If Third Party Accounts are linked to your CommBiz Service you are solely responsible for transactions on any linked Third Party Accounts and indemnify us from all claims, demands and losses (except for those caused by our negligence, fraud or wilful misconduct) by the holder or beneficial owner of a linked Third Party Accounts. You represent and warrant that at all times you have full authority to transact on each Third Party Account linked to your CommBiz Service.

The account holder of a Third Party Account linked to a CommBiz Service acknowledges and agrees that:

- transactions on their linked Third Party Account through CommBiz are subject to these Terms and Conditions and all references in these Terms and Conditions to "you" and "your" includes the account holder of the Third Party Account;
- any Authoriser appointed to the CommBiz Service linked to the Third Party Account is authorised to have electronic access to and to transact on the Third Party Account through CommBiz and we are authorised to act on Instructions apparently given by an Authoriser whether or not those Instructions were properly authorised by the account holder; and we
- may permit electronic access to the Third Party Account by any other person authorised by an Administrator of the linked CommBiz Service.

2.9 Electronic execution of documents

If you agree to enter into agreements electronically or to electronically sign documents, you agree that we can treat any Instructions given using your Security Identification as being made with your authority. Unless we've processed your request to cancel an Authoriser's Security Identification before the instruction, all communications and acceptances, including electronically signed documents, received by us through CommBiz from any person logged into CommBiz using your Security Identification are deemed to be authorised by you.

2.10 Facility

You may link a Facility to your CommBiz Service. Any transactions on a Facility will be subject to applicable facility limits and to the Bank's Current Terms and Conditions for Business Finance.

2.11 What each CommBiz Role can do

You agree that the persons you nominate with one or a combination of the User roles set out below is entitled to access, operate and is responsible for managing your CommBiz Service, including but not limited to the specific tasks:

2.11.1 View Users

"View" Users have view only access to all accounts linked to your CommBiz Service and the relevant account information such as statements, transactions, balances and account details.

2.11.2 Create Users

"Create" Users can:

- have "View" User access;
- initiate payments (including scheduled payments) from accounts linked to your CommBiz Service; and
- create Service Requests for accounts and products linked to your CommBiz Service such as change account address, stop cheques, reorder cheque books, manage statements, notices and term deposits.

Part 2: Giving us instructions

2.11.3 Authorisers

Authorisers can:

- have "View" User access;
- authorise payments (including scheduled payments) from accounts linked to your CommBiz Service;
- authorise Maintenance Requests in accordance with the method of operation that your Administrator has set up for that account such as edit Electronic Account Authority; and
- authorise Service Requests for accounts and products linked to your CommBiz Service such as change account address, reorder cheque books, stop cheques and manage statement delivery method.

2.11.4 Administrators

Administrators can:

- maintain CommBiz Service details such as token delivery address and contact details;
- add, maintain and remove Users and User permissions;
- submit Maintenance Requests including to add, maintain and remove accounts on CommBiz; and
- view audit information, activity logs and CommBiz inbox messages.

2.11.5 Service Delegates

Service Delegates:

- have "View" User access; and
- are appointed by your authorised account signatories to electronically authorise Maintenance Requests that have been submitted by Administrators such as adding new accounts, adding and editing Electronic Account Authority and appointment of a Card Administrator for all accounts linked to your CommBiz Service.

2.11.6 Card Administrators

Card Administrators can request new and maintain existing corporate cards linked to your CommBiz Service.

2.11.7 Custom Permission Users

Custom Permissions comprise of a variety of authorities you can apply to Users to control their access to accounts and functionality including:

- view and/or create on each account linked to the CommBiz Service such as viewing account balance and viewing account details;
- perform Administrator tasks including submitting Maintenance Requests, maintaining User roles and accessing audit logs;
- payments initiated on the Service such as only allowing payments from templates and/or address book entries; and
- reporting information such as merchant reporting.

2.11.8 User Defined Roles

User Defined Roles allow you to create a personalised template of custom permissions your Administrator(s) can apply to selected Users on your CommBiz Service.

2.11.9 Data Sharing Delegate

Data Sharing Delegates are appointed by each entity linked to your CommBiz Service to give, amend and manage authorisations on behalf of each such entity to share data with accredited data recipients under the Consumer Data Right for all accounts (other than Third Party Accounts).

The Consumer Data Right (CDR) was introduced by the Federal Government to provide customers with rights to access specified data that relates to them (CDR data) held by organisations in designated sectors, such as banks (data holder). Where we hold your CDR data, you, via your Data Sharing Delegate, can consent to share that data with organisations accredited by the ACCC (accredited data recipients). To learn more, including how we handle your CDR data, read our Consumer Data Right Policy (PDF) available at www.commbank.com.au/content/dam/commbank/security-privacy/consumer-data-right-policy.pdf

2.12 Personal information of Administrators and Users

Where you disclose an Administrator's or User's personal information to us, you acknowledge you are authorised to do so and will direct them to our Privacy Collection Notice and Group Privacy Statement available on www.commbank.com.au so they understand how we handle their personal information (noting the Privacy Collection Notice must be read as applying to that Administrator or User).

To the extent we require an Administrator's or User's written consent to disclose, use or otherwise handle their personal information, you must take all reasonable steps to obtain such written consent from each Administrator and User. If you obtain the Administrator's or User's written consent, you must promptly provide a copy of the written consent on our request. If an Administrator or User refuses to provide such written consent, you must not allow that Administrator or User to use CommBiz.

Part 3: Risks

3.1 Legal risk

As a member state of the United Nations, Australia has to implement United Nations Security Council sanctions. Australia also may have to implement other international sanctions and sometimes imposes unilateral sanctions. Sanctions can include financial restrictions that may prohibit us from dealing with certain people, entities, countries or jurisdictions.

If we are aware that you are a proscribed person or entity, then we may have to suspend, cancel or refuse you services or close or terminate any account, facility, transaction, arrangement or agreement with you. We may also be required to freeze your assets. You could incur significant costs as a result of these actions.

To manage our compliance with international laws and our financial and regulatory risk, we can also suspend or terminate the provision of a product and service to you while you are within sanctioned countries, a list of the sanctioned countries can be found at www.commbank.com.au/sanctionedcountries.

3.2 Operational risk

Operational risk is the risk of loss from failed internal processes, people and systems, or actions because of external events.

You rely on our ability to provide your statement data and process your payment requests in a timely and accurate way. We in turn depend on our own operational processes, including public communications, computers and associated infrastructure.

While we take great care to ensure that our systems and processes are robust, you accept that disruptions to our processes may cause delays in providing your statement data and processing payments.

3.3 Authorising payments

Payments processed on a due date will be difficult to cancel on or after that date, depending on the payment type. You must not authorise payments until you have confirmed that you want them processed.

3.4 What you are liable for

Generally speaking you are liable for any losses arising from the acts and omissions of all Users authorised by you to carry out transactions on your behalf.

You will be liable for loss for an unauthorised transaction if any of the following apply:

- we can prove on the balance of probability that you contributed to the loss, including where you do not comply with any of the security requirements set out in Part 4;
- the loss occurs before you notify us that a User's access to CommBiz has been breached or misused, including for loss for unauthorised transactions that have been processed, or are being processed, before we receive your notification; or
- you make a payment to an account in circumstances where we have asked you to confirm the payment due to risk concerns.

3.5 What you are not liable for

You will not be liable for loss from an unauthorised transaction to the extent that any of the following applies:

- the cause of the loss is due to our negligence, fraud or wilful misconduct;
 - it is clear you or a User did not contribute to the loss in any way and have complied with the security requirements in Part 4; or
 - the loss arises after you notify us that any access to CommBiz has been breached, misused or compromised in any way.
-

Part 4: Security

4.1 Unauthorised access and transactions

You must take adequate precautions to:

- prevent unauthorised users gaining access to your computer systems, accounts and, if you have CommBiz Mobile, to prevent unauthorised users gaining access to CommBiz on a Mobile device; and
- prevent unauthorised transactions on your accounts using CommBiz.

These precautions include:

- keeping all Security Identification and Private Keys secure at all times and in accordance with our instructions from time to time;
- never disclosing any Security Identification or Private Key to anyone, including a Commonwealth Bank representative or a person purporting to be a Commonwealth Bank representative for any purpose;
- changing your passwords regularly (e.g. every 60-120 days) and not choosing a password that represents a date of birth, name or address, or would be easy to guess, such as a common quote or phrase;
- ensuring that only authorised personnel can access your physical computing infrastructure or Mobile devices;
- ensuring that the CommBiz Service is only accessed by entering **www.commbiz.com.au** (or for NetLock Users via the NetLock browser) and not through a search link or any link sent by a third party, including a Commonwealth Bank representative or a person purporting to be a Commonwealth Bank representative for any purpose;
- never allowing remote access, remote access software, remote desktop sharing or other tools which may enable a third party to view or access your CommBiz Service on any computer or other device;
- never saving a Security Identification or Private Key in a browser;
- using the most up to date appropriate anti-'spamming', anti-'key logging', anti-'virus' and anti-'phishing' software, as well as appropriate personal computer or network 'firewall' protection;
- using a browser and operating system that is a listed minimum version set out at **www.commbank.com.au/business/online-banking/commbiz/update-your-browser.html**;
- only installing applications approved by Apple and Google Play on the Mobile device and you must not override the software lockdown on the Mobile device (i.e. jailbreak the Mobile device); and
- ensuring that all personal computers and Mobile devices used to access CommBiz and CommBiz tokens are kept physically secure and in accordance with our instructions from time to time.

If you fail to take adequate precautions, it is possible that unauthorised persons may alter your Instructions, give us Instructions using your Security Identification or otherwise facilitate transactions on your account. You are liable for losses resulting from a failure to take adequate precautions.

Circumstances where you will be taken to have disclosed a Security Identification or Private Key to a third person include where we reasonably believe you or a User:

- tell a third party what the relevant Security Identification or Private Key is (verbally or in writing);
- enter the Security Identification or Private Key into any website, app or software other than **www.commbiz.com.au** or for NetLock Users, the NetLock browser;
- save the Security Identification or Private Key in a browser; or
- allow a third party remote access to your device (including by inadvertently downloading remote access software, remote desktop sharing or any other tool (e.g. AnyDesk)) which enables a third party to view the Security Identification or Private Key and/or transact on your account.

You will be taken to have made the disclosure regardless of whether you or the User are deceived as to the identity of the third person or the purpose of the disclosure.

We recommend that you:

- ensure that payments are executed with at least two people to create and authorise the payment instruction (a creator plus an Authoriser);
- ensure that payments are executed with at least two devices (a device to create and another device to authorise); and
- constantly monitor your accounts and CommBiz Service to check that all transactions are accurate and properly authorised by you.

It is each Administrator's responsibility to ensure you have authorised each User's and Authoriser's respective level of access to CommBiz.

4.2 Notification

You must immediately notify us if:

- there has been any actual or suspected loss, theft, misuse, misplacement, disclosure or compromise of any computer systems, Mobile devices, hardware, Private Keys or any Security Identification used by you or any of your Users to access CommBiz;
- you suspect a transaction has been altered without your approval or is unauthorised;
- there has been an actual or suspected breach of your obligations regarding Confidential Information or any of the security requirements set out in this Part 4;
- your or your User's personal details or business details have changed;
- a Mobile device linked to CommBiz is changed; or
- you no longer authorise a User to act on your behalf.

4.3 Providing information

You must provide accurate information to us regarding your Private Keys and Digital Certificates when requested.

4.4 NetLock

4.4.1 Changes to availability of NetLock from 16 February 2024

NetLock will no longer be available to new Users or as replacement devices for existing Users from 16 February 2024. If you have a CommBiz Service but have not registered a User for NetLock, you will also be unable to register new Users from 16 February 2024.

If you and/or your Users are registered for NetLock prior to 16 February 2024, the provisions in these Terms and Conditions relating to NetLock will continue to apply to you and your NetLock Users.

4.4.2 Use of NetLock

If you have NetLock and you comply with all security obligations set out in this Part 4, it may help reduce the risk of malware, cyber-security or malicious software attacks. NetLock does not protect against any other types of scam or fraud, or in situations where you fail to comply with the security obligations in this Part 4 (e.g. where you or a User disclose any Security Identification or Private Key to any other person).

You must only use NetLock to operate CommBiz and must not store information on it or use it for any other purpose.

You agree to allow us at any time to update the information and software stored on NetLock which remains our property at all times.

4.4.3 Disclosure of information for NetLock

Unless prohibited by law, you authorise us to provide your (and your User's) Digital Certificate information to any other person or entity to:

- allow access and use of NetLock; and
- resolve any dispute in relation to NetLock.

In the event that you or your User's data or information is required to be disclosed in accordance with this clause and the law requires your User's written consent to disclose the data or information, you must obtain such written consent from your Users.

4.4.4 Unavailability of NetLock

There may be times when use of NetLock and any associated protection will be unavailable. Such circumstances include where:

- we are unable to deploy NetLock for technical reasons, including where your environment does not support the technical requirements, such as the use of external USB devices on your systems or devices;
- a User uses NetLock on an Apple laptop or desktop; or
- we decide, acting fairly and reasonably, to cancel, suspend or remove NetLock in order to manage risk or update our products, services or systems.

4.5 Deemed authority

You are liable for the acts or omissions of all Users.

It is your responsibility to ensure that all Users are aware of and comply with the relevant obligations in these Terms and Conditions.

You agree that we can treat any transaction made or Instructions given using your or a User's Security Identification or Private Key as being made with your authority. You are responsible for the accuracy of Instructions given using a Security Identification or Private Key. We don't have to verify your authority unless you have told us to cancel that Security Identification or Private Key before the transaction.

4.6 Prohibited transactions

You must not enter into a transaction:

- prohibited by law; or
- if you are acting as agent for a principal that has not been disclosed to us.

4.7 CommBiz Mobile

If you use CommBiz Mobile, this clause applies in addition to all other relevant terms. You acknowledge that when you opt in for CommBiz Mobile, all identified Users will also be eligible for CommBiz Mobile access. You must only use CommBiz Mobile through your compatible Mobile device and must also enter your Security Identification. Each User can register up to four (4) devices, including one (1) iPhone, one (1) iPad, one (1) Android Mobile and one (1) Android tablet device.

You are responsible for downloading to your Mobile device all software needed to use CommBiz Mobile from the website approved by us.

We may, from time to time, update the software needed to use CommBiz Mobile (for example to enhance security or to provide additional features). We may require you to download the latest software from the website approved by us to your Mobile device before you can continue to use CommBiz Mobile. We may prevent you from using CommBiz Mobile if you have overridden the software lockdown on your Mobile device.

You are responsible for any charges imposed by your telecommunications provider for connecting to CommBiz Mobile on your Mobile device, including call costs and data costs associated with browsing the internet.

If you are locked out from CommBiz by us for any reason (for example, if you have made too many unsuccessful attempts to input your password) you will be unable to access CommBiz Mobile until your Security Identification is reinstated.

We set restrictions on the types of transactions which can be authorised through CommBiz Mobile (for example we can restrict transfers to your other linked accounts or to an account listed on your existing payee address book).

You must not leave your Mobile device unattended and left logged into CommBiz Mobile. You must lock your Mobile device using a password known only to you and take other steps reasonably necessary to stop unauthorised use of CommBiz Mobile.

4.8 Transaction Holds

For security reasons, including but not limited to protecting you or us from losses resulting from payments or transfers to accounts we reasonably believe may be being used unlawfully including fraudulently or as part of a possible scam or owned or controlled by a cryptocurrency or digital asset exchange, we may place a hold on funds transferred to or from your account through CommBiz. The hold may apply for as long as we reasonably need to investigate the transaction. We will make reasonable attempts to contact you and resolve such matters.

Part 5: CommBiz Automated

CommBiz Automated allows you to connect directly with the Bank through your Enterprise Resource Planning (ERP) software to provide payment files which instruct us to make payments from your accounts. CommBiz Automated supports delivery of your reporting requirements.

5.1 Manual authorisation

Manual authorisation is the default state for CommBiz Automated where payment files are sent from your ERP software and received in CommBiz for manual authorisation.

We will deem as 'approved for processing', any automated files in your systems that you have authorised in accordance with the Electronic Account Authority.

We're not responsible for any acts or omissions of you or your officers, employees, Users or Bureaus (including but not limited to the amount, accuracy, timeliness or authorisation of the payment instructions).

5.2 Automated authorisation

Automated authorisation enables payment files to be imported, approved and released for processing without the need for further manual authorisation in CommBiz by your Users.

An Automated User ID is created and linked to an identified User. When your payment instruction files are submitted for Automated authorisation using this Automated User ID, they're considered as authorised by you and will be automatically processed.

5.3 Approval

You will require our approval of your CommBiz Automated application to use either Manual or Automated authorisation.

5.4 Authenticating your Instructions

To use the Manual authorisation or Automated authorisation service to send us payment files and/or receive receivables data, you must authenticate your Instructions with agreed credentials.

It's your responsibility to regularly review the validity and currency of your Users and the information that is linked to the Automated User ID. We're not responsible for any acts or omissions of you or your current or former officers, employees, Users or Bureaus (including but not limited to the amount, accuracy, timeliness or authorisation of the payment instructions).

5.5 File Format

Electronic files must be formatted and contain the information in accordance with our file specifications.

5.6 Future dated payments

For future dated payment files, the files can be cancelled on the day before the scheduled payment date (Sydney time). However, cancellation is not allowed on the same day a payment is due once it has been authorised in the system.

5.7 Using Automated Authorisation for International Payments

If you've opted to use Automated authorisation in CommBiz Automated to process your International Payment, then you're aware this means you won't be able to see the exchange rates used before your Instructions are processed. You acknowledge that:

- you accept, and approve, the prevailing exchange rate, as determined by us, applies at the time of processing your International Payment; and
- you accept the exchange rate risk and we're not liable to you for any exchange rate fluctuations which may occur during the relevant period.

For future dated International Payments, once you've sent the instruction using Automated authorisation, the instruction can be cancelled up to one day prior to the future payment date (Sydney time). Note, no transaction will appear in your transaction history information for the future dated payment until the payment is processed on the scheduled payment date. Cancellation is not allowed on the same day the payment is due.

You can view CBA's indicative foreign retail exchange rates by visiting our website:

www.commbank.com.au/international/foreign-exchange-rates.html

5.8 Third-party communications

If any information in connection with automated payments is provided to us through an ERP system or other third-party communications system used by you, we are not liable to you for any loss incurred by you where we have acted in good faith on such information from your third parties including but not limited to: the amount, accuracy, timeliness or authorisation of the payment instruction, any consequential loss or delays in payments to the payment recipient.

Part 6: CommBiz Markets

The CommBiz Markets Help Desk (1300 222 339) is open between 8:00am and 6:00pm (Sydney time), Monday to Friday (excluding Australian national public holidays).

6.1 What is CommBiz Markets?

CommBiz Markets is a service accessed through CommBiz, which is an online Electronic Banking channel for institutional, corporate and business customers. The terms that apply to CommBiz also apply to your use of CommBiz Markets.

CommBiz Markets allows you to access and transact on eligible money market investments.

With it you can:

- make payments from your Cash Deposit Account (CDA) to accounts at other financial institutions (non-CBA) in the same name;
- access real time balances on At Call Deposits;
- view your money market investments history and interest payments online for 12 months from the value date of the transaction;
- obtain real time pricing on fixed term deposits; and
- save, print and export confirmations of money market investments.

Pricing and term restrictions

Pricing – You should be aware that rates in respect of money market investments obtained through CommBiz Markets may differ to prices and rates that may be acquired or accessed through other channels of the Bank.

Terms – Terms for Cash Deposit Account fixed term deposits are limited to 1–6 months on CommBiz Markets, however longer and shorter terms are available by contacting a dealer.

6.2 Accessing CommBiz Markets

We will provide you with access to CommBiz Markets at such times and in such manner as we may display on the CommBiz Markets site (current times set out below). We may vary these access hours, or temporarily restrict access, from time to time if we consider it reasonably necessary to do so, including without limitation, for any systems maintenance and upgrades. We will not be responsible for access outside these hours or for difficulties in access caused by matters beyond our reasonable control.

CommBiz Markets	Monday to Friday Sydney time	Saturday, Sunday & Non-Business Days
CommBiz Markets Help Desk	8:00am to 6:00pm	Service not available
Money Markets view	8:00am to 9:30pm	Service not available
At Call Deposit withdrawals for same day value*	8:00am to 4:00pm	Service not available
Fixed Term Deposit in a CDA**	8:00am to 4:00pm	Service not available
Changes to fixed term deposit maturity instructions	Up until 6:00pm on the Business Day prior to the maturity date	Service available 7 days

Notes: These times may be changed at the discretion of the Bank. Changes will be notified on the CommBiz website. Please refer to www.commbiz.com.au for the latest information on business hours.

* Money market investment transactions entered after these cut off times will be processed for next day value. If you request or perform withdrawals after the cut off times or on a day which is not a Business Day, funds will be repaid on the next Business Day for next Business Day value.

** fixed term deposits can only be booked for same day value.

Maximum deposit and withdrawal amounts are applicable to transactions via CommBiz Markets. Deposits and withdrawals above a limit determined by us from time to time cannot be made using CommBiz Markets and you must contact one of our dealers by phone to arrange the deposit or withdrawal.

At Call Deposit

For at Call Deposits, your money is readily available. Where the amount you wish to be repaid is above a limit determined by us from time to time you must contact one of our dealers by phone to arrange the withdrawal but you may perform a withdrawal using CommBiz Markets for lower amounts.

Fixed Term Deposit

We accept funds on deposit at an agreed rate of interest on the deal date for fixed terms as specified in the table above.

When you invest in a fixed term deposit, you will need to provide instructions for how those funds are treated at maturity. The options available to you will be displayed on CommBiz Markets.

6.3 Receiving instructions and acceptances

6.3.1 Instructions

We are not obliged to accept your instructions but, subject to you complying with these Terms and Conditions and the terms of your account or Facility with us, we will use our reasonable endeavours to do so. We may refuse to accept an instruction or acceptance if it is from an Authoriser whose user entitlement does not authorise him/her to enter into the transaction or if we know or suspect that the instruction or acceptance is not from an Authoriser.

6.3.2 Acknowledgments

When we accept your instructions we will send you our acknowledgment. We may withdraw our acknowledgment at any time before we receive your acceptance.

6.3.3 Acceptances

You must provide your acceptance within the time specified in the applicable user guide or in our acknowledgment. You and we are bound from the time we receive your acceptance. By you sending your acceptance, you irrevocably authorise us to carry out all aspects of the transaction. In particular, you irrevocably authorise us to debit your account in accordance with those instructions.

Because CommBiz Markets is internet-based, potentially there can be delays between the time you send your acceptance and our receipt of your acceptance. In some circumstances, if there is such a delay in transmission we may withdraw our acknowledgment before we receive your acceptance, even though the acceptance has already been sent by you. In other cases, because of such a delay in transmission, we may withdraw our acknowledgment before we receive your acceptance, even though the acceptance has already been sent by you within the time specified in the applicable user guide or in our acknowledgment. In some cases, for example due to a failure in telecommunications links, we may not receive your acceptance at all.

Where we withdraw our acknowledgment prior to receipt of your acceptance, or we do not receive your acceptance, either within the time specified or at all, we will not act on your instructions. We will endeavour to advise you if we have withdrawn our acknowledgment prior to receipt of your acceptance, or we have not received your acceptance within the time specified, but it may not always be possible to do so. You therefore should check the record of your transactions on the CommBiz Markets site at a later time to confirm that your acceptance has been acted on by us and the transaction has been effected.

Dependent upon individual User entitlements, we may require that your acceptance be sent by an Authoriser (using that User's Security Identification) different from the Authoriser who sent us the instructions for the transaction.

6.4 CommBiz Markets glossary

In this clause:

"Acceptance" means your acceptance of our acknowledgment of the transaction which you send us by clicking the "Accept Rate" button while using CommBiz Markets.

"Acknowledgement" means the message we send you through CommBiz Markets accepting the transaction initiated by your instructions.

Part 7: Liability

7.1 Consequential loss

Except to the extent caused by our negligence, fraud or wilful misconduct, or that of our agents, we expressly exclude liability for consequential loss or damage which may arise from:

- this agreement;
- your use of CommBiz;
- the unavailability of CommBiz;
- the unavailability of CommBiz Mobile;
- cancellation of your Security Identification or Private Keys;
- our withholding access to CommBiz;
- any refusal to act on your instructions;
- loss of profit, business, revenue, goodwill or anticipated savings; and/or
- the return of proceeds of a money transfer which has been refused for any reason by any party to the transaction.

7.1.1 Requests through third-party communications

If you transmit a request to us through an Enterprise Resource Planning (ERP) system or other third-party communications system we have not specifically provided, we will not be liable for discrepancies between the information you transmit to us and the information we transmit to you.

7.2 Limitation

We do not warrant that the CommBiz services we provide will be fault free or that any problem with the CommBiz, CommBiz Mobile, telecommunications or site or the Internet can be solved immediately or quickly. You acknowledge that those services may rely on factors outside our control.

We will use reasonable endeavours to overcome any fault in the services we provide to you as quickly as possible.

7.3 Disruptions

We are not liable for any delay or failure in the performance by us of the CommBiz services to the extent caused by any event or circumstance outside our reasonable control. We are not liable to you for any direct or consequential losses which arise from disruptions to our systems or processes in these circumstances.

Disruptions to the operations and systems of other financial institutions may also delay payments to or from your accounts. We cannot control the operations and systems of other institutions, and we are not liable to you for any loss from disruptions to the operations or systems of those institutions.

7.4 Statutory warranties

Warranties implied by the Australian Securities and Investment Commission Act, or the Australian Consumer Law of the Competition and Consumer Act, or any similar legislation may apply to this agreement or your use of CommBiz, including CommBiz Mobile.

If we breach any such warranty, to the extent permitted by the relevant Act or legislation, our liability shall be limited to either supplying the services again or paying the cost of having the services supplied again.

7.4.1 Our liability under consumer protection laws

When we supply this service to you as a 'consumer', as defined under consumer protection laws, the service comes with a non-excludable warranty that it will be carried out with due care and skill and be reasonably fit for the purpose.

If we breach this warranty you may be entitled to compensation.

7.4.2 Our liability when these laws don't apply

If you are not a 'consumer' as defined under consumer protection laws, our liability for loss or damage is limited to re-supplying the service to you, or paying the cost of having the service resupplied to you.

7.5 Indemnity

You must indemnify us, our agents and suppliers for any loss or damage (reduced to the extent the loss or damage is due to our negligence, fraud or wilful misconduct) suffered as a result of:

- your conduct, which results in the erroneous issuance of a valid Digital Certificate status response with respect to your Digital Certificate;
- the use of a Digital Certificate issued to you or a User or any associated Private Key after:
 - a. termination of the authority of a NetLock User or CommBiz Mobile User; or
 - b. you have given us notice, or should have given us notice, that the Private Key has, or may have been, compromised under clause 4.2.

7.6 Information accuracy

You warrant the accuracy of any information submitted to us in connection with you becoming a CommBiz Customer.

Part 8: Variations

8.1 Changes

At any time we can vary these Terms and Conditions including to increase or introduce new fees. You cannot amend, modify or vary the provisions of this agreement unless you make a request in writing and we accept it.

8.2 Notification of changes

Unless otherwise specified in these Terms and Conditions or separately agreed by us, we will give you notice of changes to Terms and Conditions by newspaper advertisement, in writing or electronically. We will also place notification of changes by way of a prominent notice on our website www.commbiz.com.au.

We will provide you:

- at least 30 days notice before the change takes effect for fee increases, new fees or if we believe a change is unfavourable to you. We may give you a shorter notice period, or no notice, of an unfavourable change if we believe doing so is necessary for us to avoid, or to reduce, a material increase in our credit risk or our loss, or if a change is required to immediately restore or maintain the security of a system or an individual Facility, including the prevention of systemic or individual criminal activity, including fraud and scams or to otherwise manage a material and immediate risk; or there is a change to, or introduction of a government charge that you pay directly, or indirectly, as part of your banking service. In that case, we will tell you about the introduction or change reasonably promptly after the government notifies us (however, we do not have to tell you about it if the government publicises the introduction or change); and
- notice for all other changes no later than the day the change takes effect.

8.3 New functions

From time to time, we may introduce new functions to CommBiz including CommBiz Mobile, which will also be governed by the CommBiz Terms and Conditions.

We shall deem that you have accepted the current Terms and Conditions for these new functions if:

- you use or access the new functions; or
- you complete and return a signed CommBiz Account Authority.

8.4 Add Authorisers, remove Authorisers or change method of operation

Your CommBiz Administrator(s) may appoint additional Authorisers, remove Authorisers and vary the Electronic Account Authority for accounts linked to your CommBiz Service by sending us either:

- an additional CommBiz Account Authority form; or
- a Maintenance Request authorised by your Service Delegate or your Authorisers, in accordance with the existing Electronic Account Authority for that account.

8.5 Emailing forms

If we receive a CommBiz form, which reasonably appears to us to have been properly completed, signed and sent by you as an attachment to an email, it shall be deemed to be an original CommBiz form and to have been sent and authorised by you. We may at our sole discretion refuse to accept any such CommBiz form sent by email provided that we notify you of such refusal as soon as practical.

Part 9: General provisions

9.1 Start and duration

This agreement starts on the day we process your CommBiz Registration and CommBiz Account Authority, or as otherwise agreed, and continues until terminated.

9.2 Property Rights

You acknowledge that:

- you do not obtain any Intellectual Property rights whatsoever used or embodied in or in connection with CommBiz, CommBiz Mobile and associated products and services; and
- if new inventions, designs or processes evolve in performance of or as a result of this agreement, these also shall be our property unless we agree otherwise in writing.

We or our suppliers at all times own:

- the Digital Certificates;
- NetLock;
- the logos, designs, trademarks, service marks, names and symbols associated with NetLock and CommBiz tokens and that are provided to you to use NetLock and CommBiz tokens; and
- any specifications, documents and Intellectual Property provided to you to use and access CommBiz, CommBiz Mobile, CommBiz tokens and NetLock.

You are granted a non-exclusive, non-transferrable licence to use the instructions specifications, documents and Intellectual Property provided to you to use and access CommBiz Mobile, CommBiz tokens and NetLock as set out in these Terms and Conditions.

You must not use, modify, copy, develop, enhance, reproduce, distribute, transmit, perform, display or otherwise deal with Intellectual Property for any purpose other than to use and access CommBiz including use of CommBiz Mobile, CommBiz tokens and NetLock in accordance with these Terms and Conditions. You must not act fraudulently or maliciously in relation to CommBiz, CommBiz Mobile, CommBiz tokens and NetLock or CommBiz related software. You must not copy, modify, adversely effect, reverse engineer, hack into or insert malicious code into NetLock, your Mobile device, the CommBiz Mobile application, CommBiz tokens or CommBiz related software.

9.3 Limitations

You must not:

- transfer, sub-license or otherwise dispose of your rights to CommBiz or CommBiz Mobile without our written consent
- disclose, display or otherwise make CommBiz or CommBiz Mobile available to any other person (other than Users or Authorisers) without our consent.

Unless we have agreed otherwise, you may not assign your rights and obligations under this agreement without our written consent.

9.4 Your bank account

This agreement does not affect the existing relationship we have with you regarding the operation of your bank account. This includes, for example, our right to deduct fees and transaction costs from your bank account, and our right to vary the terms and conditions of your bank account.

9.5 Waiving rights

No delay, neglect or forbearance by either party in enforcing its rights or any provision of this agreement against the other party is considered a waiver or in any way prejudices any right of either party, unless expressly stated in writing.

9.6 Severability

If any part of this agreement is void, voidable or unenforceable then that part of this agreement is severed from this agreement and the remainder of this agreement will continue to be enforceable.

9.7 Government duties, fees and charges

You must pay all Government duties, taxes, fees and charges which arise from this agreement and the rights it gives you.

9.8 Agency

If you or any Authoriser gives us unauthorised or incorrect Instructions, or fails to instruct us when necessary, you release us from all actions, proceedings, claims, costs and demands that may be brought against us.

9.9 Notices

If this agreement requires us to give any notice, any of our officers whose title includes the word 'manager' can give it.

Unless prohibited by law, we may send you notices by:

- sending the information by email to an email address you nominate;
- sending the information by SMS message to a mobile phone number you nominate;
- sending the information to any other electronic address you nominate;
- making the information available on the CommBank website or the CommBiz website and sending you an electronic notification (e.g. email, SMS message or push notification) that the information is available;
- advertising in the national or local media; or
- any other means we agree with you.

We record that you received an electronic statement or notice on the day that our notification enters the first external information system, such as the server of the relevant email address. Even if we normally provide statements or notices in one of the methods provided above, we may occasionally send you a statement or notice by another method described above instead – for example, if we're unable to provide the information via the first channel.

Where we provide notice by advertising in the national or local media, that notice will take effect on the day the advertisement appears in the media, unless a later date is set out in the notice.

For changes to these Terms and Conditions, we notify these only by electronic delivery (using any of the methods set out above) or advertising in the national or local media. Paper copies are not provided.

9.10 Consent

Whenever you ask for our consent we will only refuse if it is reasonable to do so and if we consent we may impose reasonable conditions with which you must comply.

9.11 Alerts

If you or your CommBiz Administrator provides us with your mobile phone number, we may contact you via SMS or phone call to confirm or send confirmation of payments submitted via CommBiz.

Your Administrator may allow Users to elect to receive notifications, alerts and reminders by SMS and/or email ('alerts').

We may suspend the sending of alerts to Users at any time where we reasonably believe it is in your or our interest to do so or if we cannot send alerts (such as technical faults beyond our control or maintenance).

We will endeavour to send alerts as close as possible to the requested time but we are not liable if the transmission or receipt of alerts is delayed or prevented due to circumstances beyond our reasonable control.

You agree that email and SMS are not secure and the content of alerts, which could include personal information such as account details, could therefore be viewed by unauthorised persons.

Users must update their message preferences if they change their email address and/or mobile phone number or if they choose to cease receiving alerts. We may charge a fee for sending alerts.

9.12 Governing law

This agreement is to be governed and construed in accordance with the law of the State of New South Wales and the parties agree to submit to the non-exclusive jurisdiction of the courts of New South Wales.

9.13 Banking Code of Practice

The relevant provisions of the Banking Code of Practice apply if you are an individual or a 'small business' as defined in the Banking Code of Practice on the Australian Banking Association website.

9.14 ePayments Code

The ePayments Code does not apply to transactions using CommBiz or any other Facility that is designed primarily for use by a business, and established primarily for business purposes. For the avoidance of any doubt, these Terms and Conditions will not be interpreted so as to treat any Facility designed primarily for use by a business and established primarily for business purposes as if the ePayments Code applies to it.

9.15 Refusing service

9.15.1 Acceptable Use Policy

You may not use CommBiz to engage in conduct that, in our opinion:

- is unlawful;
- interferes with any other person's access to CommBiz;
- is offensive, defamatory, harassing or threatening to any person;
- promotes or encourages physical or mental harm of any person;
- may cause or result in financial abuse;
- promotes violence against any person; or
- threatens or promotes terrorism.

In the event that you fail to comply with our Acceptable Use Policy as detailed above, we may without notice and immediately or at any time:

- a. refuse to process or complete any transaction or dealing of yours; and/or
- b. suspend or discontinue your access to CommBiz.

9.15.2 Right not to process

We may in our discretion suspend or terminate your access to CommBiz or the provision of a product or service provided to you under these Terms and Conditions. When we do this we will act fairly and reasonably towards you.

Our rights to do this include cancelling or suspending any access to or use of CommBiz, CommBiz Mobile or another Facility, cancelling your Security Identification or NetLock, declining or holding the processing of a transaction, dealing or payment or particular types of transactions, dealings or payments or refusing to make any asset available to you or any other person or entity without providing you with prior notice.

Such circumstances may include where:

- you or any User have not logged into CommBiz for six months and we suspend their access to safeguard your security (you may contact us within 18 months of the suspension to unsuspend a User's access);
- we think your account, CommBiz, CommBiz Mobile or other access method or the transaction, dealing or payment or type of transaction, dealing or payment may be being used unlawfully including fraudulently or as part of a possible scam or in any way that might otherwise cause you or us to lose money;
- you seek to make a payment to, or purchase from, a merchant, an account or type of account which we reasonably believe may be being used unlawfully including fraudulently or as part of a possible scam or in any way that might otherwise cause you or us to lose money;
- you seek to make a payment to, or purchase from, a merchant, an account or type of account which we reasonably believe may be owned or controlled by a cryptocurrency or digital asset exchange;
- we consider it reasonably necessary to do so, for example to comply with any laws or card scheme rules in Australia or overseas or our financial crimes policies or to manage any risk or if your instructions are not clear;
- the products or services being purchased are illegal in Australia or elsewhere, or contain offensive material;
- the products or services being offered, the associated purchase or the transactions, dealings or payments pose a risk to the function or integrity of information systems or data;
- your account, CommBiz, CommBiz Mobile or other access method has been operated in a manner we reasonably consider is unsatisfactory or inconsistent with these Terms and Conditions;
- you do not provide us with any information we reasonably request;
- you do not update the security certificates as required for your product or service or fail to maintain minimum browser or operating system requirements for your product or service;
- we reasonably believe that the security or reliability of our systems are compromised or threatened;
- we believe on reasonable grounds that you or a User may be using or have used CommBiz in a manner which may cause any other person loss or harm (for example, in a way which may cause financial abuse);
- the security of any personal computer or network or Mobile device used for CommBiz is compromised;
- a payment file sent by you, or on your behalf, is corrupted;
- we believe on reasonable grounds that you may be (or a User may be) a proscribed person, or acting for or conducting business with a proscribed person; or
- if you are travelling to, or are residing in, a sanctioned jurisdiction, while you are in that jurisdiction. A list of sanctioned jurisdictions may be found at www.commbank.com.au/sanctionedcountries.

These rights are in addition to all other rights we may have.

Part 9: General provisions

Without limiting our liability to account to you for any funds we receive on your account, and except to the extent caused by our negligence, fraud or wilful misconduct, or that of our agents, in taking any action under this clause, we will not be responsible for any loss, cost, expense or other inconvenience you incur when we suspend or close your account, cancel or suspend your access method, or decline or hold the processing of a transaction, dealing or payment.

Except to the extent caused by our negligence, fraud or wilful misconduct in taking any such action, you must pay any losses, costs or expenses that we incur in relation to any such action, including without limitation:

- negative interest owed;
- administrative costs; or
- costs of sale or purchase of any transaction or deal put in place to meet our obligations under these Terms and Conditions.

9.16 Termination

We can immediately terminate this agreement either by notifying you in writing or by ceasing to provide access to CommBiz including CommBiz Mobile if:

- you or a signatory appears to be a proscribed person;
- you become subject to any form of insolvency administration;
- you fail to pay fees when due; or
- you or a User otherwise breach this agreement or we reasonably suspect that you or they have or will breach this agreement.

Either party may terminate this agreement by 21 days notices in writing to the other party, unless otherwise agreed.

We can immediately terminate NetLock or CommBiz Mobile if the provider ceases to operate NetLock or CommBiz Mobile or suspends or revokes our Digital Certificate.

Termination will not affect your right or our right to take action for breaches that occurred before termination.

9.17 Closing your CommBiz Markets or CommBiz Service

If you wish to close or cancel CommBiz Markets or CommBiz, have your Director(s) call your Relationship Manager (if you have one), visit any branch or call CommBiz on 13 23 39 for further guidance.

9.18 Records of your computers and Mobile devices

We may obtain details of your computer operating environment and Mobile devices, including information on which computer(s) or Mobile device(s) was used for any transaction and the Security Identification of the User(s) involved in the transaction. This information is kept secure and used by us solely for the purposes of administration and in connection with any problems that may arise.

Part 10: What if I have a complaint?

Please contact your relationship manager or the manager of the department that handled the matter and explain the problem.

If your complaint relates to how we handle your Consumer Data Right data (refer to clause 2.11.9 for more information), including concerns the data we hold about you is incorrect, call us on **13 23 39**.

Our staff will review the situation and, if possible, resolve it immediately. If the matter has not been resolved to your satisfaction, please contact our Customer Relations team by:

Part 11: Cut-off times

11.1 Local cut-off times

These times are subject to variation. All cut-off times refer to Sydney time (Australian Eastern Standard Time if applicable). Additional cut-off times apply for CommBiz Markets (see Part 6.2).

Payment type	Value	Customer cut-off time
Transfers (between linked accounts)	Credit funds are usually available a short time after the transfer, with value as at the payment date, including non-business days.	Payments received on the processing day, including non-business days, are processed that day.
Direct Credit (to CBA accounts)	Credit funds are usually available in CBA accounts on the actual payment date, including non-business days.	Payments received on the processing day, including non-business days are processed that day. Credits to CBA accounts will be made on the payment date.
Direct Credit (to non-CBA accounts)	Credit funds are usually available by 9:00am next business day in other financial institutions.	All payments to other institutions received by 7:00pm are processed that day.
Direct Debit	Debit funds are usually obtained from other financial institutions and posted to CBA accounts by 9:00am next business day.	All Direct Debit payments for other institutions received by 7:00pm are processed that day.
BPAY® payment	Credit funds are usually available by 9:00am next business day.	All BPAY® payments received by 5:55pm are processed that day.
BPAY® Batch Entry	Credit funds are usually available by 9:00am next business day.	We commit to process all payments received by 5:30pm. Payments accepted after cut-off time may be processed for value as at the next business day.
Priority Payments	Same day.	We commit to process all payments received by 4.00pm. Payments to Commonwealth Bank accounts may be accepted until 7:00pm.
GDES	Credit funds are usually available by 9.00am next business day in other financial institutions.	All payments to other institutions received by 8:00pm are processed that day.
Fast Payments	Credit funds are available near real time 24 hours a day, 7 days a week, every day of the year.	Not applicable to a Fast Payment

Cut-off times apply to payments and payment files received in good order and where sufficient funds are available in the funding account(s). Files which contain errors, do not have sufficient funds available in the funding account(s), or are received after the cut-off times may not be processed on the day of receipt. Payments accepted after cut-off time may be processed for value as at the next business day.

A delay may occur in processing a BPAY® payment where another financial institution participating in the BPAY® Scheme.

A business day refers to a day other than a Saturday, Sunday and public holiday. It is important to note that holidays and bank holidays differ between Australian States and Territories.

11.2 International Payment cut-off times

International Payment cut-off times apply when transferring between non-linked accounts and linked accounts held in different currencies (the credit currency cut-off time will apply). International Payment cut-off times do not apply when transferring between linked CommBiz accounts held in the same currency. For information on International Payment cut-off times visit www.commbank.com.au.

Part 12: Daily IQ

Daily IQ is a business intelligence toolkit CommBiz Users can access. It uses your daily transaction data to draw valuable insights on your business and customers. It is not available for all account types or customers. It is for general informational purposes only and not intended to be financial, accounting or other professional advice. While we use reasonable endeavours to present accurate information, we can't guarantee its accuracy.

All information presented in Daily IQ is confidential and must not be disclosed without our consent to any third parties. Unless otherwise specified, it is copyrighted to us.

Part 13: ATM Deposit Codes

13.1 ATM Deposit Codes

An ATM Deposit Code is a code you can create, modify and delete at any time in CommBiz, which can be used – when the code is scanned at selected CommBank ATMs with Instant Deposit – to make cash, cheque or coin deposits into your account(s) if they are linked to your CommBiz Service.

Your ATM Deposit Code can be used by anyone who has your code to make cash, cheque or coin deposits at any Commonwealth Bank Instant Deposit ATM. Once you or a depositor inserts notes, cheques or coins, the funds are credited in real-time to your account (but noting cheques are still subject to existing clearing process).

By creating an ATM Deposit Code and providing this information to a third party, you acknowledge that you are effectively granting the third party authority to deposit funds into the eligible Commonwealth Bank account(s) linked by you when you set up the code, at any CommBank ATM with Instant Deposit. This authority remains in effect until the code is deleted.

There are limits on the number of codes that you can have attached to any one account at any one time as well as limits on the number of times the codes can be used per day. To find out more, visit the Commonwealth Bank website or www.commbank.com.au/digital-banking/commbank-atms.html.

By using this service, you acknowledge that you are fully responsible for the administration (including the setup and deletion) of the ATM Deposit Code using CommBiz, as well as the distribution of the code to any third parties.

We reserve the right to suspend, limit, or terminate your ATM Deposit Code functionality without notice at any time, e.g. if we suspect the Facility is being misused.

By using this service, you also acknowledge that we do not guarantee the reliability of the ATM Deposit Code functionality and that the service may be impacted by IT outages or system failures from time to time.

Part 14: Fees and charges

14.1 Paying fees

You agree to pay fees when you use your CommBiz Service. These fees are set out below.

You authorise us to debit your Fees Account or any other account that you hold with us with the fees set out in the CommBiz fee schedule.

On the 15th day of the month (or next Business Day)

- a CommBiz Activity Statement (Billing summary) is issued, itemising fees incurred in the previous calendar month
- your nominated account will be debited for fees incurred in the previous calendar month if not already debited per the CommBiz Fee schedule.

Information of current fees, charges and any interest rates is available on request.
